

Winter Walk

Join us in celebrating Safe Routes to School's
Winter Walk 2023!

Wednesday, February 1, 2023*

Warm Up with a Walk This Winter. We're cheering on students who **walk, bike, or roll** to school (or at school) with our annual Winter Walk. Be a part of the celebration together with schools from all over the Commonwealth for this exciting event.

We Have Freebies. Safe Routes to School can help with ways to encourage safety, fun, and participation. We can provide free student bookmarks and stickers—plus you can download Winter Walk activities on our website.

Schools—Don't Miss the Fun! Make your school and students count by registering online at mass.gov/safe-routes-to-school/events.

Families—Encourage Your School to register now! If school is virtual for you on Winter Walk day, you can still join in by taking a break outside to walk, bike, or roll in your neighborhood.

Winter for the WIN. Show off your Winter Walk day by posting photos and videos (be sure to tag us!) to Facebook, Instagram, and Twitter using [#MASRTS](#) and [#WinterWalk2023](#).

*or any day in February that works best for your school
