Notice of Data Breach

Dear [REDACTED],

Spurwink Services, Inc. ("Spurwink") is writing to inform you of an incident that may have exposed your personal information. We take the security of your personal information seriously and want you to know what happened, what data may have been affected, and what you can do to help protect yourself.

What Happened and What Information was Involved:

Spurwink detected an incident in which an unauthorized third party accessed some of its systems on February 4, 2024. Upon detecting the incident, Spurwink took the steps necessary to address the event which included immediately shutting off all access to the network and engaging a specialized third-party forensic incident response firm to assist with securing the network environment and investigating the extent of unauthorized activity.

Spurwink has found no evidence that your information has been misused. However, the forensic investigation determined that the unauthorized third party may have acquired certain personal information as a result of this incident. After extensive electronic discovery, which concluded on June 18, 2024, we determined an unauthorized third party may have acquired the following personal information: first and last name, date of birth, Social Security number and medical information.

As of this writing, we have not received any reports of misuse of information and/or related identity theft since the date the incident was discovered (February 4, 2024, to present).

What We Are Doing:

Data security is among Spurwink's highest priorities, and we are committed to doing everything we can to protect the privacy and security of the personal information in our care. Upon detecting this incident we moved quickly to initiate a response, which included conducting an investigation with the assistance of IT specialists and confirming the security of our network environment. As a result of this incident, we are reviewing technical safeguards and looking into enhancements to prevent a similar incident.

Additionally, **although we have no indication at this time of any misuse of your information**, we are providing you with access to Single Bureau Credit Monitoring/Single Bureau Credit Report/Single Bureau Credit Score services at no charge. These services provide you with alerts for twenty-four months from the date of enrollment when changes occur to your credit file. This notification is sent to you the same day that the change or update takes place with the bureau. Finally, we are providing you with proactive fraud assistance to help with any questions that you might have or in event that you become a victim of fraud. These services will be provided by TransUnion, a company specializing in fraud assistance and remediation services.

Additional Information

Credit Reports: You may obtain a copy of your credit report, free of charge, whether or not you suspect any unauthorized activity on your account. You may obtain a free copy of your credit report from each of the three nationwide credit reporting agencies. To order your free credit report, please visit www.annualcreditreport.com, or call toll-free at 1-877-322-8228. You can also order your annual free credit report by mailing a completed Annual Credit Report Request Form (available at <https://www.consumer.ftc.gov/articles/0155-free-credit-reports>) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281.

Security Freeze: You also have the right to place a security freeze on your credit report. A security freeze is intended to prevent credit, loans, and services from being approved in your name without your consent. To place a security freeze on your credit report, you need to make a request to each consumer reporting agency. You may make that request by certified mail, overnight mail, regular stamped mail, or by following the instructions found at the websites listed below. The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse or a minor under the age of 16, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles.

The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue. As of September 21, 2018, it is free to place, lift, or remove a security freeze. You may also place a security freeze for children under the age of 16. You may obtain a free security freeze by contacting any one or more of the following national consumer reporting agencies:

Equifax Security Freeze P.O. Box 105788 Atlanta, GA 30348 1-888-298-0045 https://www.equifax.com/personal/credit-report-services/credit-freeze/	Experian Security Freeze P.O. Box 9554 Allen, TX 75013 1-888-397-3742 www.experian.com/freeze/center.html	TransUnion Security Freeze P.O. Box 160 Woodlyn, PA 19094 1-800-916-8800 www.transunion.com/credit-freeze

Fraud Alerts: You can place fraud alerts with the three credit bureaus by phone and online with:

- Equifax (https://assets.equifax.com/assets/personal/Fraud_Alert_Request_Form.pdf);
- TransUnion (<https://www.transunion.com/fraud-alerts>); or
- Experian (<https://www.experian.com/fraud/center.html>).

A fraud alert tells creditors to follow certain procedures, including contacting you, before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit. As of September 21, 2018, initial fraud alerts last for one year. Victims of identity theft can also get an extended fraud alert for seven years. The phone numbers for all three credit bureaus are listed above.

Monitoring: You should always remain vigilant and monitor your accounts for suspicious or unusual activity.

File Police Report: You have the right to file or obtain a police report if you experience identity fraud. Please note that in order to file a crime report or incident report with law enforcement for identity theft, you will likely need to provide proof that you have been a victim. A police report is often required to dispute fraudulent items. You can generally report suspected incidents of identity theft to local law enforcement or to the Attorney General.

FTC and Attorneys General: You can further educate yourself regarding identity theft, fraud alerts, security freezes, and the steps you can take to protect yourself, by contacting the consumer reporting agencies, the Federal Trade Commission, or your state Attorney General. The Federal Trade Commission can be reached at: 600 Pennsylvania Avenue NW, Washington, DC 20580, www.identitytheft.gov, 1-877-ID-THEFT (1-877-438-4338), TTY: 1-866-653-4261.

The Federal Trade Commission also encourages those who discover that their information has been misused to file a complaint with them. You can obtain further information on how to file such a complaint by way of the contact information listed above. You have the right to file a police report if you ever experience identity theft or fraud. Please note that in order to file a report with law enforcement for identity theft, you will likely need to provide some proof that you have been a victim. Instances of known or suspected identity theft should also be reported to law enforcement. This notice has not been delayed by law enforcement.
