NOTICE OF SECURITY INCIDENT

Dear <<Name 1>> <<Name 2>>:

We are writing to notify you about a data security event that occurred at Total Safety Consulting (“TSC”), that affects the security of some of your personal information. Gallagher Bassett Services, Inc. purchased TSC. This notice provides you with resources available to you to help better protect your information, should you feel it appropriate to do so. Due to the requirements of Massachusetts law, we are unable to provide further detail about the nature of the incident in this letter.

We take this incident and the security of personal information in our care seriously. As part of our ongoing commitment to the privacy of information in our care, we worked with third-party cybersecurity specialists and implemented additional technical security measures designed to prevent and mitigate recurrence of this type of incident.

As an added precaution, we are offering you access to complimentary credit monitoring and identity restoration services for twenty-four (24) months through IDX, a ZeroFox Company. Additional information and instructions regarding how to enroll in the services is provided below. Please note you will need to enroll yourself in these services as we are not able to activate the services on your behalf. Please follow the steps below:

1. **Website and Enrollment.** Scan the QR image or go to <https://app.idx.us/account-creation/protect> and follow the instructions for enrollment using your Enrollment Code provided at the top of the letter. Please note, the deadline to enroll is November 30, 2024.

2. **Activate the credit monitoring** provided as part of your IDX identity protection membership. The monitoring included in the membership must be activated to be effective. Note: You must have established credit and access to a computer and the internet to use this service. If you need assistance, IDX will be able to assist you.

3. **Telephone.** Contact IDX at 1-800-939-4170 to gain additional information about this event and speak with knowledgeable representatives about the appropriate steps to take to protect your credit identity.

We encourage you to remain vigilant against incidents of identity theft and fraud by reviewing your account statements and monitoring your free credit reports for suspicious activity and to detect errors over the next 12 to 24 months. If you are concerned with potential misuse of your account number, please contact the Bank to coordinate a change.

Under U.S. law, a consumer is entitled to one free credit report annually from each of the three major credit reporting bureaus, Equifax, Experian, and TransUnion. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also directly contact the three major credit reporting bureaus listed below to request a free copy of your credit report.

Consumers have the right to place an initial or extended “fraud alert” on a credit file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert display on a consumer’s credit file, a

business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any one of the three major credit reporting bureaus listed below.

As an alternative to a fraud alert, consumers have the right to place a "credit freeze" on a credit report, which will prohibit a credit bureau from releasing information in the credit report without the consumer's express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a security freeze, you may need to provide the following information, depending on whether you make the request online, by phone, or by mail:

1. Full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. Addresses for the prior two to five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver's license or ID card, etc.);
7. Social Security Card, pay stub, or W2;
8. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

Should you wish to place a credit freeze, please contact the three major credit reporting bureaus listed below:
