Dear <<Full Name>>:

BronxWorks values and respects the privacy of your information, which is why we are writing to advise you of a data privacy incident that may have involved some of your personal information. This letter explains the incident, the steps we have taken in response, and provides information on steps you may take to help protect your personal information, should you feel it is appropriate to do so.

What Happened? We learned that an unknown, unauthorized third party gained access to certain BronxWorks employee email accounts. Upon discovering the incident, we promptly secured the email accounts and began an internal investigation. We also engaged a forensic security firm to investigate and confirm the security of our email and computer systems. The investigation determined that an unauthorized third party accessed the email accounts between September 1, 2023, and October 11, 2023.

What Information Was Involved? We do not believe that the unauthorized third party's motivation was to access personal information contained in the email accounts, and we have no indication that any such information has been used for fraud or identity theft purposes. However, out of an abundance of caution, we reviewed the contents of the involved email accounts to determine if they contained any personal information that may have been accessible to the third party. On May 28, 2024, we determined that the email accounts contained some of your personal information, including your name, <<Breached Elements>>.

What We Are Doing. In addition to the actions described above, we have also taken steps to reduce the risk of this type of incident occurring in the future, including enhancing our technical security measures. We are also notifying you of the incident so that you can be aware and take steps to protect your information, if you feel it is appropriate to do so. Finally, although we are not aware of any instances of fraud or identity theft resulting from this incident, out of an abundance of caution, we are offering a complimentary two-year membership of Experian IdentityWorksSM Credit 3B. This product helps detect possible misuse of your personal information and provides you with identity protection services focused on prompt identification and resolution of identity theft. IdentityWorks Credit 3B is completely free to you and enrolling in this program will not hurt your credit score. **For more information on identity theft prevention and IdentityWorks Credit 3B, including instructions on how to activate your complimentary, two-year membership, please see the additional information attached to this letter.**

What You Can Do. While we have no evidence that your personal information has been misused, we encourage you to take advantage of the complimentary credit monitoring included in this letter. You can also find more information on steps to protect yourself against possible identity theft or fraud on the enclosed *Additional Important Information* page.

For More Information. We value the trust you place in us to protect your privacy, take our responsibility to safeguard personal information seriously, and apologize for any inconvenience this incident might cause. For further information and assistance, please call 855-508-6350 from 8:00 AM to 8:00 PM Central Time, Monday through Friday, excluding major U.S. holidays.

Sincerely,
BronxWorks, Inc.

Additional Important Information

As a precautionary measure, we recommend that you remain vigilant to protect against potential fraud and/or identity theft by, among other things, reviewing your account statements and monitoring credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You should also promptly report any fraudulent activity or any suspected incidents of identity theft to proper law enforcement authorities, including the police and your state's attorney general, as well as the Federal Trade Commission ("FTC").

You may wish to review the tips provided by the FTC on fraud alerts, security/credit freezes and steps you can take to avoid identity theft. For more information and to contact the FTC, please visit www.ftc.gov/idtheft or call 1-877-ID-THEFT (1-877-438-4338). You may also contact the FTC at Federal Trade Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580.

Under Massachusetts law, you have the right to obtain any police report filed in regard to this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it.

The District of Columbia and Massachusetts law also allow consumers to place a security freeze on their credit reports. A security freeze can be placed without any charge. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing or other services.

Credit Reports: You may obtain a free copy of your credit report once every 12 months from each of the three national credit reporting agencies by visiting www.annualcreditreport.com, by calling toll-free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can print a copy of the request form at <https://www.annualcreditreport.com/manualRequestForm.action>.

Alternatively, you may elect to purchase a copy of your credit report by contacting one of the three national credit reporting agencies. Contact information for the three national credit reporting agencies for the purpose of requesting a copy of your credit report or for general inquiries is as follows:

Equifax

Fraud Alerts: You may want to consider placing a fraud alert on your credit report. A fraud alert is free and will stay on your credit report for one (1) year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any new accounts in your name. To place a fraud alert on your credit report, contact any of the three national credit reporting agencies using the contact information listed above. Additional information is available at www.annualcreditreport.com.

Credit and Security Freezes: You may have the right to place a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information:

Equifax Security Freeze
1-888-298-0045
www.equifax.com
P.O. Box 105788
Atlanta, GA 30348

Experian Security Freeze

P.O. Box 160
Woodlyn, PA 19094

The District of Columbia and Massachusetts laws also allow consumers to place a security freeze on their credit reports. In order to request a security freeze, you may need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security Number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years;
5. Proof of current address such as a current utility bill or telephone bill;
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.); and
7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

The credit reporting agencies have three (3) business days after receiving your request to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN) or password, or both that can be used by you to authorize the removal or lifting of the security freeze.

To lift the security freeze in order to allow a specific entity or individual access to your credit report, you must call or send a written request to the credit reporting agencies by mail or, if available, comply with the consumer reporting agencies' online procedures for lifting a security freeze, and include proper identification (name, address, and social security number) and the PIN number or password provided to you when you placed the security freeze as well as the identities of those entities or individuals you would like to receive your credit report or the specific period of time you want the credit report available. The credit reporting agencies have three (3) business days after receiving your request to lift the security freeze for those identified entities or for the specified period of time.

To remove the security freeze, you must send a written request to each of the three credit bureaus by mail or, if available, comply with the consumer reporting agencies' online procedures for removing a security freeze, and include proper identification (name, address, and social security number) and the PIN number or password provided to you when you placed the security freeze. The credit bureaus have three (3) business days after receiving your request to remove the security freeze.
