Re: Notice of Data Breach

Dear <<First Name>> <<Last Name>>,

On behalf of ASM Global Parent, Inc. (including subsidiaries SMG and AEG Facilities) (collectively “ASM Global,” and “We”), we are writing to inform you that some of your personal information was involved in a cybersecurity incident. Please read this notice carefully, as it provides up-to-date information on what happened and what we are doing, as well as information on how you can obtain complimentary credit monitoring.

What Happened

On October 12, 2023, we identified unauthorized activity on certain of our legacy systems. Upon becoming aware of the activity, we took steps to stop it, including taking certain of our systems offline as a precaution. An investigation was launched with assistance from external cybersecurity experts. We also notified law enforcement.

What Information Was Involved

We subsequently discovered that certain ASM Global files had been accessed and acquired during the unauthorized activity. A review was commenced to determine whether any personal information was contained in those files, and if so, to whom that personal information relates. We have since determined that the files included your: <<Variable Data 1>>.

What are We Doing

We are offering you a complimentary 24-month membership in credit monitoring and identity theft protection services, including fully managed identity theft recovery services to the extent you need them for any reason, ***so long as you enroll by February 12, 2025***. If you choose to enroll, your identity theft recovery services will be provided by a trusted privacy advisory company called IDX, A ZeroFox Company, as described more fully in Attachment A.

INFORMATION ON OBTAINING A FREE CREDIT REPORT

U.S. residents are entitled under U.S. law to one free credit report annually from each of the three major credit bureaus. To order your free credit reports, visit www.annualcreditreport.com or call toll-free (877) 322-8228.

INFORMATION ON IMPLEMENTING A FRAUD ALERT OR SECURITY FREEZE

You can contact the three major credit bureaus at the addresses below to place a fraud alert on your credit report. A fraud alert indicates to anyone requesting your credit file that you suspect you are a possible victim of fraud. A fraud alert does not affect your ability to get a loan or credit. Instead, it alerts a business that your personal information might have been compromised and requires that business to verify your identity before issuing you credit. Although this may cause some short delay if you are the one applying for the credit, it might protect against someone else obtaining credit in your name.

A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit, mortgages, employment, housing, or other services. A credit reporting agency may not charge you to place, temporarily lift, or permanently remove a security freeze.

To place a fraud alert or security freeze on your credit report, you must contact the three credit bureaus below:

Equifax	Experian	TransUnion
Consumer Fraud Division	Credit Fraud Center	TransUnion LLC
P.O. Box 740256	P.O. Box 9554	P.O. Box 2000
Atlanta, GA 30374	Allen, TX 75013	Chester, PA 19022-2000
(888) 766-0008	(888) 397-3742	(800) 680-7289
www.equifax.com	www.experian.com	www.transunion.com

To request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security Number;
3. Date of birth;
4. If you have moved in the past five (5) years, the addresses where you have lived over those prior five years;
5. Proof of current address such as a current utility bill or telephone bill; and
6. A legible photocopy of a government-issued identification card (state driver's license or ID card, military identification, etc.).

You may also contact the U.S. Federal Trade Commission ("FTC") for further information on fraud alerts, security freezes, and how to protect yourself from identity theft. The FTC can be contacted at 400 7th St. SW, Washington, DC 20024; telephone +1 (877) 382-4357; or www.consumer.gov/idtheft.
