

Appendix A: Investment Details

This section provides the lists of investments contained within this CIP. The information within each column is described below:

- Location – where the investment is located
- Project ID – the Division specific ID that uniquely identifies each investment
- Project name – the name of the investment and a brief description
- Priority – the capital priority that the investment addresses
- Program – the program from which the investment is made
- Total cost – the total cost of the investment*
- Prior years – the spending on the investment that pre-dates the plan update*
- FY 2024 – the spending estimated to occur in fiscal year 2024*
- FY 2025-2028 – the spending estimated to occur in the out years of the plan*
- Post FY 2028 – the estimated spending to occur post fiscal year 2028 for the project*

* Note: Cost and spending values are shown in millions and rounded to two decimal places (the nearest ten thousand).
