Dear Michael Judge and the Siting Board,

I am writing to express my deep disappointment at not getting a notification of these meetings directly from you.

<https://www.mass.gov/info-details/2024-grid-equity-act-stakeholder-sessions>

I can imagine there are many "stakeholders" in the dark about this.

I have signed up for every list that I ever found related to solar siting. I have attended many meetings and hearings, so I cannot imagine why I am not on your list for this notification.

Please let me know why I was not notified.

I am requesting that you fix these errors by:

- 1- Sending a notice directly to all of your stakeholder lists related to solar siting or other related topics. ( I myself must be on five of them.)
- 2- Hold a hearing in Greenfield so that people can conveniently attend.

Thank you for your time regarding this critical issue.

Sincerely,

Dr. Jodi Rodar
