

QUABBIN PARK DEER HUNT PERMITS DRAWN

Winning numbers for the 2024 Quabbin Park Controlled Deer Hunts were drawn in special a lottery open to the public on September 17th, 2024, at the Les and Terry Campbell Quabbin Visitor Center in Belchertown.

A total of 412 applications were received. The special lottery was conducted to selected hunters for this hunt. A complete list of hunting license numbers for selected individuals are available below.

Hunters could apply individually or up to 4 hunters on an application for the Quabbin Park Hunt. The selection process issued permits based upon the last 2 digits of all customer ID #'s listed on the application. If a customer ID # was selected, all hunters on the application received permits for that segment. Once selected, hunters were then removed from the pool of applicants.

The Quabbin Deer Hunt is an annual event conducted on Quabbin Reservoir watershed lands, implemented as part of the management program to maintain a balance between deer herd densities and forest regeneration.

All successful applicants will receive their hunting Access Permits from DCR via mail. The Quabbin Park Controlled Hunt will be on Monday, Dec. 9th and Tuesday, Dec 10th.

For further information, please contact the Quabbin Visitor Center at (413) 323-7221.
