The Experience, Certification, Training and Education (ECT&E) claim is an exam component of the fire promotional exams for the title of District and Deputy Fire Chief.

This section of the exam is similar but not the same as the Education and Experience (E&E) section of previous years. This guide is intended to help candidates familiarize themselves with the ECT&E component of the exam.

Please note these instructions are for candidates taking the current District and Deputy Fire Chief promotional exam. These instructions should not be relied upon for any future exam.

It is strongly recommended you closely read the on-line instructions, download, and print a copy of the claim, and work on it off-line before beginning your on-line submission. This preparation guide includes unique information, not available online. Use the information in this guide to assist in completing the claim.

Claim Submission

Final ECT&E Submission Deadline: 7 days after written exam date, at 11:59 p.m.

- Starting the claim: Make sure the claim is for the correct exam title. If candidates are taking the 2024 Deputy Fire Chief written promotional exam, they must apply for the 2024 Deputy Fire Chief ECT&E exam claim. When participating in multiple written promotional exams, candidates must submit an ECT&E application for each appropriate promotional ECT&E application.
- “Saving” VS “Submitting”: The claim can be completed in more than one sitting, and progress can be saved. However, a claim must be submitted by the deadline. A saved claim cannot be scored and will be considered incomplete.
- Changing a submitted claim: Once a claim is submitted, candidates can no longer make changes. If the deadline has not yet passed, changes can be made to submitted claims by emailing: civilservice@mass.gov. Include the candidate’s name, person ID, and ECT&E exam title in the subject of the email (e.g., John S. Smith – 123456 – ECT&E Deputy Fire Chief).
- Confirmation of submission: When a claim is submitted, a confirmation email will be sent. If you do not receive a confirmation email, you must resubmit your online application prior to the submission deadline, until you have received a confirmation email. Candidates should retain a copy of their confirmation email for their records. If an email is sent to the Civil Service account with supporting documents, an auto reply will be generated. This is not confirmation that an application has been submitted.

NOTE: The confirmation email is confirmation that your application has been received. It is not confirmation that all your supporting documents have been accepted. Please review the preparation guide carefully to ensure all the proper documentation is submitted.

Weights and Scoring

For the District and Deputy Fire Chief exam, the ECT&E exam component is one of three exam components and is weighted at 20% of the total exam. The ECT&E component has three main sections that have the following weights applied:

Experience	52%
Certifications/Trainings/Licenses	25%
Education	23%

Unlike previous ECT&E claim forms, a candidate will not be able to see point values for the associated claim entries. When exam scores are released, the candidate will receive a breakdown of their final score consisting of their written exam technical knowledge component; written exam situational judgment testing component; and ECT&E claim score.

Background

The ECT&E component has three main sections: Experience, Certifications/Trainings/Licenses and Education. Through collaboration of HRD Civil Service Unit, subject matter experts and the test vendor, the weight distribution was determined through our job analysis test development process. This process consists of multiple panel sessions accompanied by surveys to all civil service departments across the Commonwealth. Each exam is evaluated in partnership with subject matter experts. Components and/or specifications of each component are subject to change with evaluations of each exam.

Supporting Documentation

ALL claims, whether for experience, certification, training, license or education, require supporting documentation. This guide will identify what is supporting documentation for each category. The on-line form includes a section entitled “attachments” for submission of documents. **Please label your document to ensure it is processed accordingly.** A candidate can revisit the “attachments” page as many times as necessary to submit all required documentation before the claim is submitted.

If for some reason you are unable to attach a document to the claim, or you need to make a change see “Changing a submitted claim” above.

NOTE: If you have attached all necessary supporting documents to your online claim, you do **NOT** need to email a second copy to Civil Service. It is not necessary to resubmit documents that have been submitted for past examinations.

The image below shows where to submit supporting documentation on your ECT&E claim:

Employment Verification Form (EVF)

An EVF for all fire promotional exams is available on our website. Please ensure that you are entering the exam title you are participating in. The experience you provide should only be candidate experience gained on or before the exam date. Each section of the EVF may not apply to all departments participating in the examination.

The EVF must be signed and dated by your department's appointing authority or their designee for work in their current department.

A link to the Deputy Fire Chief EVF form is [here](#).

A link to the District Fire Chief EVF form is [here](#).

NOTE: A resume will never be accepted instead of an EVF.

Current Work Experience

Candidates must submit a current EVF signed by their appointing authority or their designee for work in their current department. The appointing authority must include start/end dates for each grade level (rank), whether it was a full- or part-time position, and reasons for any breaks in service. Time is calculated per rank, and it can include any temporary, provisional, reserve, and/or intermittent time in a rank. Acting time is only accepted in the examination title category.

Leaves of absence: The first six months (180 consecutive days) of a leave of absence can be claimed as time worked on your EVF. Leaves of absences or breaks in service for more than six months must be recorded on the EVF and will not be counted toward work experience.

Work Experience Earned in Another Department

An EVF must be filled out for each department that a candidate is claiming work experience from. If an EVF from another department is unable to be submitted, a letter from an appointing authority on the

department letterhead will be accepted. This letter must include start and end dates and if work was full-time or part-time.

Calculating Work Experience

The EVF form will be used to calculate work experience at each rank, including temporary and provisional time.

Rounding: Sections I, II, III, & V of the EVF are calculated in years. If a candidate's experience is 6 months or over, round up to the next full year. If experience is less than 6 months, round down to the previous lower year. Days are not considered when rounding to the nearest year. Therefore, if a candidate has 1 year, 5 months, and 29 days of experience in a rank that will round to 1 year of experience in that rank.

Section IV, Acting Time, is calculated in months. If a candidate has 16 or more days of experience, round up the next month. Therefore, if a candidate has 2 months and 16 days of experience of acting time, this would round to 3 months.

For part-time work calculations only, part-time work should be prorated based on a 172 hour/month to produce a months-worked claim. Examples:

- If a candidate worked part time for a total of 220 hours, the calculation would be 220 hours divided by 172 hours, resulting in 1.28 months of work. This would be rounded to credit for one month of work.
- For 670 hours of part-time work, the calculation would be 670 hours divided by 172 hours, resulting in 3.89 months worked. This would be rounded on the claim form, for a submission of 4 months of employment.

For example, if a candidate taking the Deputy Fire Chief examination, has served part time as an acting Deputy Fire Chief from 1/3/2019 – 6/5/2019 for a total of 300 hours, they would input the following:

IV. ACTING TIME IN EXAMINATION TITLE

Hours:
300 hrs

Dates of Service (From – To):
1/3/2019 – 6/5/2019

If the individual above had served as an acting Deputy Fire Chief for the same time period, but on a full-time basis, then under "Hours" they would write "Full Time" instead.

IV. ACTING TIME IN EXAMINATION TITLE

Hours:
Full Time

Dates of Service (From – To):
1/3/2019 – 6/5/2019

Please see below for an example of calculating time:

25 Years of Service

Any candidate who can provide written documentation may receive 2.0 extra points on a passing grade for having completed 25 years of service as a member of a regular municipal fire department in Massachusetts on or before written exam date.

The 25 years' experience credit is calculated from the starting employment date provided on the EVF and until the date of the exam. Experience from multiple municipal departments can be combined to make up the 25 years. An EVF is required from each department to verify experience. In addition, experience that occurred concurrently will also be awarded.

If a candidate has already been approved for the 25-year experience credit, as shown on your ECT&E application notice, it will automatically be added to your final passing score.

Veteran's Preference

Any candidate who qualifies for disabled veteran or veterans' preference may receive 2.0 extra points on a passing grade for the examination.

In order to update your Veteran status, a candidate must submit their DD214 or a statement of service/Commanding Officer letter on Official letterhead with appropriate signature and include details of your military service to date that includes:

- Dates of full-time active duty
- Current assignment
- Date of entrance into service
- Estimated time of separation
- Expected discharge type (i.e., honorable)
- Statement confirming that you will receive a DD214 not for training at the completion of your current Active-Duty service.

If a candidate has already been approved for veteran preference, it is not necessary to resubmit documentation to be awarded veteran points. It will automatically be added to your final score. Veteran preference will also be documented on your ECT&E application notice.

NOTE: Veterans status must be attained on or before written exam date.

In order to be awarded your preferential Veterans or 25 years of service points, you must achieve a passing grade on the exam.

NOTE: A candidate cannot receive both 2.0 points for 25 years of service **and** 2.0 points for Veteran's Preference. The maximum number of points awarded between the two categories is 2.0 extra points on a **passing grade** for the examination.

The following information is on the exam poster.

*Statutory Preference Points: Upon submission of written proof, two points will be added to the **passing score** of qualified Veterans and Disabled Veterans or individuals who have 25 years of service as a member of a regular police or fire force and have passed an examination for promotional appointment in such force. If you are qualified for both the Veteran's Preference and the Promotional Preference for 25 years of service, please be advised that two points are the maximum allowable number of points to be added to your passing, overall (general average) examination score. To claim the Promotional Preference for 25 years of service, candidates must claim this preference in the ECT&E Claim application and verify eligibility on the Employment Verification Form submitted for this examination. To claim veterans' preference, claim veteran status in the application and attach your DD214 to the application or email it to civilservice@mass.gov. For more information on veteran status refer to the Military Information section on our website.*

Appeal Rights

Per [Massachusetts General Law \(MGL\) Chapter 31, Section 22](#), candidates have 17 calendar days from the emailing of the score notice to file an appeal of their ECT&E claim. No new type of credit can be claimed once you submit your Online ECT&E Claim. Instructions on how to file an ECT&E appeal during the 17-day appeal period will be sent to all candidates in their ECT&E score notice.

Claim Audits

HRD reserves the right to audit any ECT&E claim from the time of submission through the life of any eligible list. Candidates should maintain original copies of any documentation submissions in case HRD, or an appointing authority requests them.

Accessing the ECT&E Claim Website

All candidates who are registered to take the District and Deputy Fire Chief exam, were sent an email with a link that takes the candidate to the web page. Only on-line claims will be accepted. No other form of submission will be accepted.

Scores are issued from the information on a candidate's ECT&E application.

If a candidate has created two profiles, they must use the profile sent to them to access their on-line claim. It is important to use the same profile when submitting all documentation or inquiries related to their claim.

Submission of the Claim

After candidates complete and review their submission, they must "accept and submit" their ECT&E claim by clicking on the button highlighted below under the "certify" section of the application. Failure to click this button will result in no score for the claim. Candidates should only submit their claim when they have completed the claim; once submitted the claim cannot be revisited. If a revision is needed, a candidate can email Civil Service a civilservice@mass.gov before the application end date.

FAQ's

1. How are the years rounded on the EVF?

Years are calculated by rank and are rounded. (Ex. 6 years/6 months as a Lieutenant=7 years, or 6 years/5 months as a Lieutenant=6 years)

2. Why do I have to submit an official transcript? And why does my diploma not count?

Official transcripts are sent directly from the school registrar and contain coursework information. Unofficial transcripts will be accepted accompanied by a copy of the diploma.

3. What documents do I need to submit to verify my veteran's status?

The non-active duty training DD214 or a statement of service/Commanding Officer letter on Official letterhead with appropriate signature and include details of your military service to date that includes: dates of full-time active duty, current assignment, date of entrance into service, estimated time of separation, expected discharge type (i.e., honorable), statement confirming that you will receive a DD214 not for training at the completion of your current Active-Duty service.

4. I am unable to provide my military documents because the only people who can verify this information are currently deployed.

Even under deployment, a candidate should be able to send an email or reach out to those who can provide the documentation.

5. Who selects the trainings that are eligible for points on the ECT&E claim?

A job analysis was performed prior to this exam. Subject matter experts met to evaluate the criteria for eligible trainings based on the curriculum, and accessibility. A survey was sent out to all civil service departments in the Commonwealth to evaluate what trainings should be eligible for credit.

6. I was laid off from my department for two years, am I eligible to calculate my laid off time as part of my 25 years of service?

An individual member needs to serve as a member in the force for 25 years for HRD to calculate the 25 years of service. Therefore, the individual would not receive credit for the years they were laid off.

7. If I have worked in more than one Civil Service department, do I need to submit more than one EVF?
