### Statewide Departmental Promotional Examination for Police Lieutenant (1YP-442)

#### Departments – Eligible Title(s):

- Dartmouth – Police Sergeant

**Examination Date:** September 21, 2024

**Application Open Date:** July 2, 2024

**Application Deadline:** August 6, 2024

**Examination Processing Fee:** \$150

**Eligibility:** To be eligible for this examination you must: (1) be an employee in the police department for which the examination is given with permanent civil service status in the specified eligible title(s) by the date of the examination; and (2) have served in the force at least one year since you were appointed in the eligible title(s)\*, regardless of whether the certification resulted in your appointment to the eligible title(s). The eligible list establishment date is not the same as certified date. The certified date is when your name was first reachable on a certification for a promotional vacancy. A combination of temporary and permanent service can be applied towards meeting this one-year requirement. Time spent working in the title of Police Lieutenant will not interrupt the service period in your permanent position.

\*If the eligible title has been lowered to the entry level rank you must have served in the force at least one or three years depending on the participating department.

**Note:** Pursuant to the provisions of [Massachusetts General Law \(MGL\) 31 § 59](#), if less than four applications are received from eligible candidates, this examination will be postponed. If the examination's eligible title has been lowered to the entry level rank, the examination will go forward with less than four eligible candidates submit applications.

**Eligible List:** Individuals placed on the resulting eligible list shall be eligible for certification from such list for such period as the administrator shall determine, but in any event not to exceed two years, unless otherwise outlined in Massachusetts General Law ([MGL](#)) [31 § 25](#) or the Human Resources Division (HRD) revocation policy.

**Examination Weights:** The examination weights are: 26% Technical Knowledge, 14% Situational Judgment, 40% Assessment Center and 20% Experience & Education.

Candidates for this examination must be employees in one of the following Massachusetts Police Departments. Please read the below department listing carefully. Departments and eligible titles will be listed as they are requested.

**Departments – Eligible Title(s):**

- Dartmouth – Police Sergeant

**Typical Qualifications:**

**Application:** All applications must be received by the application deadline and accompanied by an examination processing fee of \$150. You will receive two confirmation emails when you have completed the process: one email confirming your application has been received, and one email confirming your payment has been received. Your application is not complete until you have received both confirmation emails. Candidates who have been approved for an examination fee voucher may record redeeming the voucher on the application. If you have not submitted payment or redemption of an examination voucher of the examination processing fee on or before August 6, 2024, your application will not be accepted.

Note: Although the online application system allows candidates to elect to receive notification by email or regular mail, please be advised that Human Resource Division utilizes only email for all notices to candidates.

**Experience & Education (E&E):** All candidates must complete the 2024 Police Lieutenant E&E Claim application online. Instructions regarding the E&E claim will be emailed to you prior to the examination date. A confirmation email will be sent upon successful submission of an E&E Claim application. Submitting an E&E claim in any way other than through the online claim process will result in an "INCOMPLETE" score on this exam component. In addition, candidates who fail to include any supporting documentation to their E&E application by the deadline of September 28, 2024, will receive an "INCOMPLETE" score.

All claims and supporting documentation must be received within seven calendar days following the examination date. Supporting documentation must be scanned and attached to the application or sent to [civilservice@mass.gov](mailto:civilservice@mass.gov) no later than September 28, 2024.

Please note that:

- E&E is an examination component, and therefore must be completed by the examinee.
- Failure to complete this component as instructed will result in a candidate not receiving any credit for E&E.
- Credit for E&E will be calculated for all candidates.

Please be sure to read the instructions carefully and refer to the preparation guide for assistance. In order to ensure that no one receives any type of unfair advantage in the claim process, we are unable to provide individualized assistance to any candidate regarding their specific E&E claim. Email inquiries regarding the general content of this examination component will be accepted or responded to. Once you receive your examination mark, you will have 17 calendar days from the emailing of your mark to appeal in writing your E&E score.

**Statutory Preference Points:** Upon submission of written proof, two points will be added to the passing score of qualified Veterans and Disabled Veterans or individuals who have 25 years of service as a member of a regular police force and have passed an examination for promotional appointment in such force. If you are qualified for both the Veteran's Preference and the Promotional Preference for 25 years of service, please be advised that two points are the maximum allowable number of points to be added to your passing, overall (general average) examination score. To claim the Promotional Preference for 25 years of service, candidates must claim this preference in the E&E Claim application and verify eligibility on the [Employment Verification Form](#) submitted for this examination. To claim veterans' preference, claim veteran status in the application and attach your DD214 to the application or email it to [civilservice@mass.gov](mailto:civilservice@mass.gov). For more information on veteran status refer to the [Military Information](#) section on our website.

If you file an examination application by the application deadline but are unable to appear for the examination on the scheduled examination date due to an emergency or unanticipated hardship, you may request a makeup examination by filing a written request with verifiable documentation to HRD no later than seven calendar days from the original written exam date (September 21, 2024). HRD reserves the right to approve or deny your request and may require an additional examination processing fee upon approval of your request.

**Reasonable Accommodations:** If you need testing accommodations due to a documented impairment, or medical condition, you must submit a written request with verifiable documentation detailing what type of accommodation you require at the examination site. This request, with verifiable documentation, must be attached to the application or emailed to [civilservice@mass.gov](mailto:civilservice@mass.gov) by August 6, 2024.
