1 The credit scores provided are based on the VantageScore 3.0 model. For three-bureau VantageScore credit scores, data from Equifax®, Experian®, and TransUnion® are used respectively. Any one-bureau VantageScore uses Equifax data. Third parties use many different types of credit scores and are likely to use a different type of credit score to assess your creditworthiness. Credit monitoring from Experian and TransUnion will take several days to begin.

2 Identity Theft Insurance is underwritten by insurance company subsidiaries or affiliates of American International Group, Inc. The description herein is a summary and intended for informational purposes only and does not include all terms, conditions, and exclusions of the policies described. Please refer to the actual policies for terms, conditions, and exclusions of coverage. Coverage may not be available in all jurisdictions.

### Additional Important Information

As a precautionary measure, individuals should remain vigilant to protect against potential fraud and/or identity theft by, among other things, reviewing account statements and monitoring credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You should also promptly report any fraudulent activity or any suspected incidents of identity theft to proper law enforcement authorities, including the police and your state's attorney general, as well as the Federal Trade Commission ("FTC").

You may wish to review the tips provided by the FTC on fraud alerts, security/credit freezes and steps you can take to avoid identity theft. For more information and to contact the FTC, please visit [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft) or call 1-877-ID-THEFT (1-877-438-4338). You may also contact the FTC at Federal Trade Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580.

**Credit Reports:** By law, you may obtain a free copy of your credit report once every 12 months from each of the three national credit reporting agencies. The three national credit reporting agencies have also agreed to provide free weekly online credit reports. You can obtain your free credit report by visiting [www.annualcreditreport.com](http://www.annualcreditreport.com), by calling toll-free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can print a copy of the request form at <https://www.annualcreditreport.com/manualRequestForm.action>. Alternatively, you may elect to purchase a copy of your credit report by contacting one of the three national credit reporting agencies. Contact information for the three national credit reporting agencies for the purpose of requesting a copy of your credit report or for general inquiries is as follows:

**Fraud Alerts:** You may want to consider placing a fraud alert on your credit report. A fraud alert is free and will stay on your credit report for one (1) year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any new accounts in your name. To place a fraud alert on your credit report, contact any of the three national credit reporting agencies using the contact information listed above. Additional information is available at [www.annualcreditreport.com](http://www.annualcreditreport.com).

**Credit and Security Freezes:** By law, you have the right to place a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information.
