ADDITIONAL INFORMATION

- **Review Accounts and Credit Reports:** You can regularly review statements from your accounts and periodically obtain your credit report from one or more of the national credit reporting companies. You may obtain a free copy of your credit report online at www.annualcreditreport.com, by calling toll-free 1-877-322-8228, or by mailing an Annual Credit Report Request Form (available at www.annualcreditreport.com) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281. You may also purchase a copy of your credit report by contacting one or more of the three national credit reporting agencies listed below.

You should remain vigilant with respect to reviewing your account statements and credit reports, and you should promptly report any suspicious activity or suspected identity theft to the proper law enforcement authorities, including local law enforcement, your state's attorney general, and/or the Federal Trade Commission ("FTC"). You may contact the FTC or your state's regulatory authority to obtain additional information about avoiding and protecting against identity theft. The FTC can be reached at: Federal Trade Commission, Consumer Response Center 600 Pennsylvania Avenue, NW, Washington, DC 20580, 1-877-IDTHEFT (438-4338), www.ftc.gov/idtheft.

- **Security Freezes and Fraud Alerts:** You have a right to place a security freeze on your credit report at no cost, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. You may request that a freeze be placed on your credit report by calling the numbers of the credit reporting agencies specified below, sending a request to the credit reporting agencies' addresses specified below by certified mail, overnight mail or regular stamped mail, or by visiting the website addresses of the credit reporting agencies below.

A security freeze does not apply to a person or entity, or its affiliates, or collection agencies acting on behalf of the person or entity, with which you have an existing account that requests information in your credit report for the purposes of reviewing or collecting the account. Reviewing the account includes activities related to account maintenance, monitoring, credit line increases, and account upgrades and enhancements. Please contact the three major credit reporting companies as specified below to find out more information about placing a security freeze on your credit report.

As an alternative to a security freeze, you have the right to place an initial or extended fraud alert on your credit file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer's credit file. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting 7 years. You can place a fraud alert on your credit report by contacting any of the three national credit reporting agencies at the addresses or toll-free numbers listed below.
