STEPS YOU CAN TAKE TO HELP PROTECT YOUR INFORMATION

Credit Monitoring Enrollment Instructions:

To enroll in Credit Monitoring services at no charge, please log on to https://bfs.cyberscout.com/activate and follow the instructions provided. When prompted please provide the following unique code to receive services:

In order for you to receive the monitoring services described above, you must enroll within 90 days from the date of this letter. The enrollment requires an internet connection and e-mail account and may not be available to minors under the age of 18 years of age. Please note that when signing up for monitoring services, you may be asked to verify personal information for your own protection to confirm your identity.

<u>Monitor Your Accounts and Credit Reports:</u> We encourage you to remain vigilant against incidents of identity theft and fraud by reviewing your credit reports/account statements and explanation of benefits forms for suspicious activity and to detect errors.

Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus, TransUnion, Experian, and Equifax. To order your free credit report, visit www.annualcreditreport.com or call 1-877-322-8228. Once you receive your credit report, review it for discrepancies and identify any accounts you did not open or inquiries from creditors that you did not authorize. If you have questions or notice incorrect information, contact the credit reporting bureau.

<u>Fraud Alert Services:</u> You have the right to place an initial or extended "fraud alert" on a credit file at no cost. An initial fraud alert is a one-year alert that is placed on a consumer's credit file. Upon seeing a fraud alert, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any of the three credit reporting bureaus listed below.

<u>Credit Freeze Instructions:</u> As an alternative to a fraud alert, you have the right to place a "credit freeze" on a credit report, which will prohibit a credit bureau from releasing information in the credit report without your express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit.

Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a credit freeze, you should provide the following information:

- 1. Full name (including middle initial as well as Jr., Sr., III, etc.);
- 2. Social Security number;
- 3. Date of birth;
- 4. Address for the prior two to five years;
- 5. Proof of current address, such as a current utility or telephone bill;
- 6. A legible photocopy of a government-issued identification card (e.g., state driver's license or identification card); and
- 7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft, if you are a victim of identity theft.
