**RE: Notice of Security Event**

We are writing to inform you of a recent security incident. Please read this notice carefully, as it provides up-to-date information on what happened and what we are doing, as well as information on how you can obtain complimentary credit monitoring.

**What happened?**

Pillsbury Winthrop Shaw Pitman LLP (“Pillsbury”) is a law firm servicing clients, including in technology, finance, energy, and life sciences. Pillsbury was one of many law firms recently targeted by sophisticated social engineering attempts. While we quickly detected and blocked the activity, unfortunately, an unauthorized actor was able to download some of the firm’s documents during a short window of time.

Upon detection, we promptly took steps to stop the unauthorized activity. We immediately began an investigation with assistance from a third-party forensic firm to investigate what happened and what data may have been impacted. We also notified law enforcement and worked to add further protections to harden our systems.

**What personal information was involved?**

Once we identified the impacted files, we began a process to determine whether any personal information was impacted and to whom it relates. We recently determined that your [redacted] was downloaded in late April.

**What we are doing:**

Pillsbury is committed to safeguarding personal information. We are offering you a complimentary 24-month membership for credit monitoring and identity theft protection services through Equifax. Please see Attachment A for additional details regarding these services. **You must enroll by January 31, 2026, to receive these services.**

Pillsbury has also taken additional steps to deploy additional safeguards onto our systems, including reinforcing our security practices and is actively reviewing our systems to enhance security monitoring and controls, and to fortify the same.

- It is always a good idea to remain vigilant against threats of identity theft or fraud and to regularly review and monitor your account statements and credit history for any signs of unauthorized transactions or activity.
- If you ever suspect that you are the victim of identity theft or fraud, you can contact your local police.

Additional information about how to protect your identity is contained in [Attachment B](#).

**For more information:**

A dedicated call center is also being set up to answer your questions about this incident. You may call it toll free at 1-855-720-3612, Monday through Friday 9 a.m. to 9 p.m. ET (excluding major U.S. holidays).

## Attachment B – More Information about Identity Protection

### INFORMATION ON OBTAINING A FREE CREDIT REPORT

U.S. residents are entitled under U.S. law to one free credit report annually from each of the three major credit bureaus. To order your free credit reports, visit [www.annualcreditreport.com](http://www.annualcreditreport.com) or call toll-free +1 (877) 322-8228.

### INFORMATION ON IMPLEMENTING A FRAUD ALERT OR SECURITY FREEZE

You can contact the three major credit bureaus at the addresses below to place a fraud alert on your credit report. A fraud alert indicates to anyone requesting your credit file that you suspect you are a possible victim of fraud. A fraud alert does not affect your ability to get a loan or credit. Instead, it alerts a business that your personal information might have been compromised and requires that business to verify your identity before issuing you credit. Although this may cause some short delay if you are the one applying for the credit, it might protect against someone else obtaining credit in your name.

A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit, mortgages, employment, housing, or other services. A credit reporting agency may not charge you to place, temporarily lift, or permanently remove a security freeze.

To place a fraud alert or security freeze on your credit report, you must contact the three credit bureaus below:

<b>Equifax</b>	<b>Experian</b>	<b>TransUnion</b>
Consumer Fraud Division P.O. Box 740256 Atlanta, GA 30374 (800) 685 1111 <a href="http://www.equifax.com">www.equifax.com</a>	Credit Fraud Center P.O. Box 9554 Allen, TX 75013 (888) 397 3742 <a href="http://www.experian.com">www.experian.com</a>	TransUnion LLC P.O. Box 2000 Chester, PA 190222000 (888) 909 8872 <a href="http://www.transunion.com">www.transunion.com</a>

To request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security Number;
3. Date of birth;
4. If you have moved in the past five (5) years, the addresses where you have lived over those prior five years;
5. Proof of current address such as a current utility bill or telephone bill; and
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.).
