Re: Notice of <<Variable Data 1>>

Dear <<Full Name>>:

Integrated Silicon Solution, Inc. (“ISSI” or the “Company”) values and respects the privacy of your information, which is why we are writing to advise you of an incident that involved some of your personal information. **While we have no reason to believe that your information has been misused for the purpose of committing fraud or identity theft**, we are writing to advise you about the incident and to provide you with guidance on what you can do to help protect yourself, should you feel it is appropriate to do so.

What Happened? On June 30, 2025, ISSI identified evidence that an unauthorized third party accessed its network. Upon discovering the incident, ISSI promptly activated incident response measures and initiated an investigation. The company also engaged cybersecurity advisors to support its investigation and notified law enforcement. The investigation determined that, while most systems were unaffected, the third party had accessed a limited number of server environments, including a file server, and certain files were subject to unauthorized access and/or acquisition. The company engaged a third party ediscovery team to analyze relevant files to determine whether they contained personal information. The final report identifying relevant personal information was completed on November 4, 2025.

What Information Was Involved? The information that was subject to unauthorized access and/or acquisition may have included your name along with your <<Data Elements>>. Please note that the specific information at issue varied by individual, and would not have been identical for each person.

What We Are Doing. While this incident was isolated to a relatively small number of individuals, ISSI is taking additional steps to reduce the risk of this type of incident from occurring in the future, including enhancing our technical, administrative, and procedural safeguards measures. ISSI is also offering access to <<CM Duration>> months of identity monitoring through Epiq, which is being provided at no cost to you.

What You Can Do. We encourage you to take advantage of the complimentary identity monitoring included in this letter. You can also find more information on steps to help protect yourself against possible identity theft or fraud in the *Additional Important Information* section below.

For More Information. We take our responsibility to safeguard your personal information seriously, and deeply regret any inconvenience this incident might cause. For further information and assistance, please call 855-720-2347 from 6:00 a.m. to 6:00 p.m. Pacific, Monday through Friday, excluding major U.S. holidays.

Sincerely,

John Liu, CEO
Integrated Silicon Solution, Inc.

Additional Important Information

As a precautionary measure, we recommend that you remain vigilant to protect against potential fraud and/or identity theft by, among other things, reviewing your account statements and monitoring credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You should also promptly report any fraudulent activity or any suspected incidents of identity theft to proper law enforcement authorities, including the police and your state's attorney general, as well as the Federal Trade Commission ("FTC").

You may wish to review the tips provided by the FTC on fraud alerts, security/credit freezes and steps you can take to avoid identity theft. For more information and to contact the FTC, please visit www.ftc.gov/idtheft or call 1-877-IDTHEFT (1-877-438-4338). You may also contact the FTC at Federal Trade Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580.

Credit Reports: You may obtain a free copy of your credit report once every 12 months from each of the three national credit reporting agencies by visiting www.annualcreditreport.com, by calling toll-free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can print a copy of the request form at <https://www.annualcreditreport.com/manualRequestForm.action>.

Alternatively, you may elect to purchase a copy of your credit report by contacting one of the three national credit reporting agencies. Contact information for the three national credit reporting agencies for the purpose of requesting a copy of your credit report or for general inquiries is as follows:

Equifax 1-866-349-5191 www.equifax.com P.O. Box 740241 Atlanta, GA 30374	Experian 1-888-397-3742 www.experian.com P.O. Box 2002 Allen, TX 75013	TransUnion 1-800-888-4213 www.transunion.com P.O. Box 2000 Chester, PA 19016

Fraud Alerts: You may want to consider placing a fraud alert on your credit report. A fraud alert is free and will stay on your credit report for one (1) year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any new accounts in your name. To place a fraud alert on your credit report, contact any of the three national credit reporting agencies using the contact information listed above. Additional information is available at www.annualcreditreport.com.

Credit and Security Freezes: You may have the right to place a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a Personal Identification Number (PIN) that is issued to you when you initiate the freeze. A credit freeze can be placed without any charge and is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. As the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies below to find out more information:

Equifax Security Freeze 1-888-298-0045 www.equifax.com P.O. Box 105788 Atlanta, GA 30348	Experian Security Freeze 1-888-397-3742 www.experian.com P.O. Box 9554 Allen, TX 75013	TransUnion Security Freeze 1-888-909-8872 www.transunion.com P.O. Box 160 Woodlyn, PA 19094
