NOTICE OF DATA BREACH

Dear Sample A. Sample:

We are writing to notify you of a cybersecurity incident that involves certain of your personal information.

What Happened?

In August 2025, a third-party software vendor, Salesloft, announced a cybersecurity incident affecting its “Drift” product. Like many companies, Jones Lang LaSalle Americas, Inc. (“JLL”) uses Salesloft Drift with our Salesforce customer management platform to support certain operations. Based on our investigation, we determined that an unauthorized party obtained certain data from our Salesforce platform as a result of the Salesloft Drift issue.

What Information Was Involved?

The types of impacted information may have included your name, contact information (e.g., email, postal address, and phone number), Social Security number and date of birth. Not all of these data elements were affected for each impacted individual.

What We Are Doing

Promptly upon becoming aware of the Salesloft Drift issue, we launched an investigation with the assistance of third-party cybersecurity experts to determine the potential impact to JLL. We also disabled the Salesloft Drift software from our Salesforce environment and took steps to revoke the unauthorized party’s access. We continue to monitor for suspicious activity related to this issue. There is no indication at this time that the affected data has been misused.

What You Can Do

We take the security of your personal information seriously and are alerting you about this issue so you can take steps to help protect your information. We encourage you to remain vigilant by reviewing your account statements and monitoring your free credit reports. You are entitled under U.S. law to one free credit report annually from each of the three nationwide consumer reporting agencies. To order your free credit report, visit

www.annualcreditreport.com or call toll-free at 1-877-322-8228. We also have arranged to provide you with two years of complimentary credit monitoring and identity protection services through Experian at no cost to you. Order Your Free Credit Report. To order your free credit report, visit www.annualcreditreport.com, call toll-free at 1-877-322-8228, or complete the Annual Credit Report Request Form on the U.S. Federal Trade Commission's ("FTC's") website at www.consumer.ftc.gov and mail it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281. The three nationwide consumer reporting agencies provide free annual credit reports only through the website, toll-free number or request form.

When you receive your credit report, review it carefully. Look for accounts you did not open. Look in the "inquiries" section for names of creditors from whom you haven't requested credit. Some companies bill under names other than their store or commercial names. The consumer reporting agency will be able to tell you when that is the case. Look in the "personal information" section for any inaccuracies in your information (such as home address and Social Security number). If you see anything you do not understand, call the consumer reporting agency at the telephone number on the report. Errors in this information may be a warning sign of possible identity theft. You should notify the consumer reporting agencies of any inaccuracies in your report, whether due to error or fraud, as soon as possible so the information can be investigated and, if found to be in error, corrected. If there are accounts or charges you did not authorize, immediately notify the appropriate consumer reporting agency by telephone and in writing. Consumer reporting agency staff will review your report with you. If the information cannot be explained, then you will need to call the creditors involved. Information that cannot be explained also should be reported to your local police or sheriff's office because it may signal criminal activity.

Report Incidents. If you detect any unauthorized transactions in your financial account, promptly notify your payment card company or financial institution. If you detect any incident of identity theft or fraud, promptly report the incident to law enforcement, the FTC and your state Attorney General. If you believe your identity has been stolen, the FTC recommends that you take these steps:

- Close the accounts that you have confirmed or believe have been tampered with or opened fraudulently. For streamlined checklists and sample letters to help guide you through the recovery process, please visit <https://www.identitytheft.gov/>.
- File a local police report. Obtain a copy of the police report and submit it to your creditors and any others that may require proof of the identity theft crime.

You can contact the FTC to learn more about how to protect yourself from becoming a victim of identity theft and how to repair identity theft:

Federal Trade Commission
Consumer Response Center
600 Pennsylvania Avenue, NW
Washington, DC 20580
1-877-IDTHEFT (438-4338)
www.ftc.gov/idtheft/

* Offline members will be eligible to call for additional reports quarterly after enrolling.

** The Identity Theft Insurance is underwritten and administered by American Bankers Insurance Company of Florida, an Assurant company. Please refer to the actual policies for terms, conditions, and exclusions of coverage. Coverage may not be available in all jurisdictions.

Consider Placing a Fraud Alert on Your Credit File. To protect yourself from possible identity theft, consider placing a fraud alert on your credit file. A fraud alert helps protect you against the possibility of an identity thief opening new credit accounts in your name. When a merchant checks the credit history of someone applying for credit, the merchant gets a notice that the applicant may be the victim of identity theft. The alert notifies the merchant to take steps to verify the identity of the applicant. You can place a fraud alert on your credit report by calling any one of the toll-free numbers provided below. You will reach an automated telephone system that allows you to flag your file with a fraud alert at all three consumer reporting agencies. For more information on fraud alerts, you also may contact the FTC as described above.

Equifax	Equifax Information Services LLC P.O. Box 105069 Atlanta, GA 30348-5069	1-800-525-6285	www.equifax.com
Experian	Experian Inc. P.O. Box 9554 Allen, TX 75013	1-888-397-3742	www.experian.com
TransUnion	TransUnion LLC P.O. Box 2000 Chester, PA 19016	1-800-680-7289	www.transunion.com

Consider Placing a Security Freeze on Your Credit File. You may wish to place a “security freeze” (also known as a “credit freeze”) on your credit file. A security freeze is designed to prevent potential creditors from accessing your credit file at the consumer reporting agencies without your consent. *Unlike a fraud alert, you must place a security freeze on your credit file at each consumer reporting agency individually.* There is no charge to place or lift a security freeze. For more information on security freezes, you may contact the three nationwide consumer reporting agencies or the FTC as described above. As the instructions for establishing a security freeze differ from state to state, please contact the three nationwide consumer reporting agencies for more information.

The consumer reporting agencies may require proper identification prior to honoring your request. For example, you may be asked to provide:

- Your full name with middle initial and generation (such as Jr., Sr., II, III)
- Your Social Security number
- Your date of birth
- Addresses where you have lived over the past five years
- A legible copy of a government-issued identification card (such as a state driver’s license or military ID card)
- Proof of your current residential address (such as a current utility bill or account statement)

The consumer reporting agencies may require that you provide certain personal information (such as your name, Social Security number, date of birth, and address) and proper identification (such as a copy of a government-issued ID card and a bill or statement) prior to honoring your request to place a security freeze on your account.
