

Appendix A: Investment Details

This section provides the lists of investments contained within the FY25–29 CIP. The information within each column is described below:

- Location – where the investment is located
- Project ID – the Division specific ID that uniquely identifies each investment
- Project name – the name of the investment and a brief description
- Priority – the capital priority that the investment addresses
- Program – the program from which the investment is made
- Total Cost – the total cost of the investment*
- Prior Years – the spending on the investment that pre-dates the CIP update*
- FY 2025 – the spending estimated to occur in fiscal year 2025*
- FY 2026–2029 – the spending estimated to occur in fiscal years 2026–2029*
- After FY 2029 – the estimated spending to occur post fiscal year 2029 for the project, if applicable*

* Note: Cost and spending values are shown in millions and rounded to two decimal places (the nearest ten thousand).
