**What We Are Doing:** To help prevent something like this from happening again, we have implemented, and will continue to adopt, additional safeguards and technical security measures to further protect and monitor our systems. In addition, we are offering identity theft protection services through IDX, which include: 12 months of credit and CyberScan monitoring, a \$1,000,000 insurance reimbursement policy, and fully managed identity theft recovery services. **What You Can Do:** We wanted to let you know this happened and assure you that we take this seriously. We encourage you to remain vigilant by reviewing your account statements and credit reports for any unauthorized activity over the next 24 months.
