Re: Notice of Data Event—Supplemental Notification

To Whom It May Concern:

We represent HealthEquity, Inc. (“HealthEquity”) and write to provide your office with a supplemental filing to HealthEquity’s filing of July 26, 2024. HealthEquity had 61,403 Massachusetts residents impacted.

Please note that this submission as well as our prior supplemental filings do not represent new individuals noticed but rather reflect the number of those previously-noticed individuals attributed to HealthEquity or other Covered Entities for whom HealthEquity has completed an initial filing.

Due to the nature and the scale of the breach, HealthEquity anticipates that it may have multiple supplements to their original filing.

Thank you for your attention.

Sincerely,

/s/ Amy Mushahwar
