

Mass. Department of Energy Resources'  
2025 Fall Block Competitive Grant Awards

<b>Municipality</b>	<b>Grant Award</b>	<b>Region</b>	<b>Description of Projects Funded</b>
Arlington	\$125,000	North	to fund energy conservation measures, LED lighting, attic insulation, pipe insulation, and Building Management System (BMS), in municipal facilities including Paramenter School, Town Hall, Peirce School, and Central Fire
Ashfield	\$64,776	West	to fund energy conservation measures, weatherization and administrative assistance, in municipal facilities including Town Hall
Athol	\$249,998	West	to fund energy conservation measures, hybrid heat pump RTU and weatherization, in municipal facilities including Senior Center, Chamber Commerce, Veterans Center, and WWTP
Auburn	\$112,680	Central	to fund energy conservation measures, weatherization, in municipal facilities including Highway, Police, Town Hall, and Senior Center
Bedford	\$13,011	North	to fund energy conservation measures, LED lighting, in municipal facilities including Lane School
Blackstone	\$105,474	Central	to fund energy conservation measures, heat pump system, weatherization, and administrative assistance, in municipal facilities including Museum and Library
Bridgewater	\$84,995	South	to fund energy conservation measures, window replacement, Building Operator Certification, and battery electric vehicle, in municipal facilities including Library
Clarksburg	\$94,107	West	to fund energy conservation measures, heat pump hot water heater, heat pump system, weatherization, and administrative assistance, in municipal facilities including Elementary School
Conway	\$16,334	West	to fund energy conservation measures, LED streetlights, in municipal facilities including town -owned streetlights
Dartmouth	\$250,000	South	to fund energy conservation measures, HVAC controls, pump repair-VFDs-motors, and door weatherstripping, in municipal facilities including Quinn Elementary School and Administration Building
Dennis	\$147,668	South	to fund energy conservation measures, Building Management System replacement and administrative assistance, in municipal facilities including Police
Dudley	\$204,195	Central	to fund energy conservation measures, hybrid heat pump RTU, walk-in cooler controls, and air sealing , in municipal facilities including Town Hall and Mason Road Elementary School
Dunstable	\$148,601	Central	to fund energy conservation measures, LED lighting and weatherization, in municipal facilities including Town Hall, Library, and Highway Garage
Duxbury	\$81,523	South	to fund energy conservation measures, LED lighting weatherization and administrative assistance, in municipal facilities including Town Hall, Chandler Elementary School, and Ashdod Fire Station
Eastham	\$250,000	South	to fund energy conservation measures, air to water heat pump and energy recovery ventilation (ERVs), in municipal facilities including Police
East Longmeadow	\$250,000	West	to fund energy conservation measures, hybrid heat pump RTU, weather-stripping, and Building Management System, in municipal facilities including Library
Egremont	\$31,276	West	to fund energy conservation measures, weatherization, in municipal facilities including WTP
Groton	\$250,000	Central	to fund energy conservation measures, LED lighting with controls and weatherization, in municipal facilities including RSD Middle School North, RSD Middle School South, and Police
Harvard	\$206,851	Central	to fund energy conservation measures, HVAC heat pump conversion (Decarbonization) and administrative assistance, in municipal facilities including New Library
Lexington	\$44,558	North	to fund energy conservation measures, LED lighting, in municipal facilities including Community Center and Public Services Building
Lincoln	\$18,363	North	to fund energy conservation measures, LED lighting with controls and hybrid vehicles (2), in municipal facilities including Town Offices
Marlborough	\$250,000	Central	to fund energy conservation measures, heat pump systems, in municipal facilities including Fire Headquarters and Police
Mashpee	\$500,000	South	to fund energy conservation measures, building electrification (Decarbonization), in municipal facilities including Quashnet School
Methuen	\$250,000	North	to fund energy conservation measures, heat pump system, Building Management System, LED lighting, weatherization, and administrative assistance, in municipal facilities including North End Fire and High School
Nantucket	\$118,041	South	to fund energy conservation measures, heat pump system, weatherization, and administrative assistance , in municipal facilities including Town Hall Annex, IT Office, and 131 Pleasant Street
Northborough	\$250,000	Central	to fund energy conservation measures, weatherization and administrative assistance, in municipal facilities including Town Hall
Norwood	\$246,736	South	to fund energy conservation measures, pipe insulation and weatherization , in municipal facilities including Oldham Elementary School, Town Hall, High School, Civic Center, Callaham Elementary School, Public Safety, DPW, and Savage Center

Mass. Department of Energy Resources'  
2025 Fall Block Competitive Grant Awards

<b>Municipality</b>	<b>Grant Award</b>	<b>Region</b>	<b>Description of Projects Funded</b>
Orleans	\$150,625	South	to fund energy conservation measures, heat pump system, weatherization, and administrative assistance, in municipal facilities including Council on Aging
Plympton	\$98,286	South	to fund energy conservation measures, attic insulation, in municipal facilities including Town Hall
Richmond	\$127,718	West	to fund energy conservation measures, Building Management System upgrade, in municipal facilities including Consolidated School
Saugus	\$107,186	North	to fund energy conservation measures, hybrid heat pump RTU and administrative assistance, in municipal facilities including Senior Center
Shirley	\$144,702	Central	to fund energy conservation measures, heat pump system, LED lighting, weather-stripping, and VFDs, in municipal facilities including Town Offices, War Memorial Building, Fire, Senior Center, and Police
Somerville	\$125,000	North	to fund energy conservation measures, stadium lighting, in municipal facilities including Dilboy Stadium
Spencer	\$124,795	Central	to fund energy conservation measures, weatherization and administrative assistance, in municipal facilities including Fire
Stoneham	\$125,000	North	to fund energy conservation measures, hybrid heat pump RTU and LED lighting, phase 2, in municipal facilities including Town Hall and Colonial Elementary School
Sutton	\$125,000	Central	to fund energy conservation measures, solar PV repair and LED lighting with sensors, in municipal facilities including Elementary School/Simonian and Middle High School
Walpole	\$250,000	South	to fund energy conservation measures, Building Management System upgrade and retrocommissioning, in municipal facilities including High School and Central Fire
Warren	\$155,737	West	to fund energy conservation measures, weatherization and administrative assistance, in municipal facilities including Elementary School
Webster	\$228,010	Central	to fund energy conservation measures, LED lighting and administrative assistance, in municipal facilities including Park Ave Elementary School
Westborough	\$219,750	Central	to fund energy conservation measures, transformers, in municipal facilities including High School and Mill Pond School
Westhampton	\$181,186	West	to fund energy conservation measures, heat pump system and weatherization, in municipal facilities including Town Hall and Town Hall Annex
Williamsburg	\$60,439	West	to fund energy conservation measures, controls optimization, in municipal facilities including Elementary School
Winchester	\$90,094	North	to fund energy conservation measures, window replacement and LED lighting, in municipal facilities including Mystic School/Recreation and McCall Middle School
