

## 2025 Field Parole Officer D

### Experience and Education (E&E) Scoring Guide

This guide will serve as a reference for you to understand the point allocation for answers to each question on the E&E component of the 2025 Field Parole Officer D (FPO D) Promotional Exams. Please note that the information contained in this E&E scoring guide is applicable to only the 2025 FPO D Exam. This guide should only be relied upon for exams administered in 2025. HRD reserves the right to change the point allocation or E&E categories for any future exam. All questions are scored based upon experience, certifications, trainings, and education as of the exam date.

#### Category and Maximum Allowable Points

The following chart displays the E&E categories and the maximum points available for each category. The available points for each category are capped at that amount. As you review the point allocation for answers to each question, you may notice that the sum of the points you can earn for a category may exceed the maximum points available for that category. Please note that you may not be given more than the maximum available points for a category.

Category	Section	Maximum Points Available
Job Experience	Time as TPO A/B, FPO C, & D	80
	Time in Mass Parole Board	
	Time in Mass Public Safety	
	Time Outside Mass in Parole	
	Outside Supervisor Time	
Education	Academic Schooling	20

As you review the points allocated to each potential response, you will see that they are not distributed equally across the years of experience. This is because similar to the previous E&E, the new E&E gives a greater weight to more recent experience. Experience or education that is more relevant or important to the position is given a higher point value. Point values for experience are displayed to 2 decimal places.

**Scoring methodology:**

You will receive an E&E score notice that will indicate the total points you earned in each category. In addition, the score notice will list any categories that you claimed but were not credited due to a lack of supporting documentation or errors in calculation. The final E&E score that will appear on your score notice will be derived through a standardization and weighting process. In addition, the E&E exam component as a whole is weighted relative to the Technical Knowledge Test and Situational Judgement Test exam components. You cannot add up the points based on the information in this guide to obtain the score that will represent 20% of your total overall score on the FPO D Promotional Exam.

A candidate who failed to submit an E&E application by the deadline will receive a score of “Incomplete”. A candidate who failed to submit any supporting documentation to their E&E application will receive a score of “Incomplete”.
