## Filing Due Dates

Massachusetts General Laws (MGL) ch 62C, § 7 requires partnerships to file their tax returns on or before the 15th day of the third month following the close of each taxable year (March 15th in the case of partnerships filing on a calendar year basis). For more information, see TIR 17-5: 2017 Supplemental Budget: Conforming Massachusetts Partnership and C Corporation Tax Return Filing Due Dates to Federal Due Dates.

For calendar year filers Form 3 is due on or before March 16, 2026.

## 4% Surtax on Taxable Income Over \$1 Million

Starting with tax year 2023, personal income taxpayers must pay an additional 4% on taxable income over \$1,000,000, increased annually for inflation. For the 2025 tax year, the threshold is \$1,083,150.

## Massachusetts Credits

Several new credits are available. In addition, certain existing credits have been revised. These are discussed in detail in TIR 24-16 and TIR 25-5.

## New Climatetech Tax Incentive Program

The Climatetech Tax incentive program adds three new credits for eligible expenses incurred by climatetech companies in developing and deploying technologies aimed at mitigating or adapting to climate change. The credit takes effect for tax years beginning on or after January 1, 2024. A climatetech company must be certified as such by the Massachusetts clean energy technology center ("MassCEC").

### The credits include the following.

- The Climatetech Incentive Jobs Credit is awarded in an amount determined by MassCEC (in consultation with the Department of Revenue) to climatetech companies that create at least five new jobs in the climatetech sector. The credit is available to both corporate excise and personal income tax filers.
- The Climatetech Capital Investment Credit is awarded in an amount, determined by MassCEC,

up to fifty percent of a climatetech company's investment in a climatetech facility. The credit is available to both corporate excise and personal income tax filers.

- The Climatetech Qualified Research Expenses Credit is awarded at the discretion of MassCEC in an amount equal to the sum of (i) 10% of the excess of qualified research expenses for the taxable year, over a base amount, and (ii) 15% of the basic research payments as determined for federal tax purposes. The credit is available to corporate excise filers only.

See TIR 25-5, Section I, for a more detailed discussion of the credits, including eligibility, refundability, carryover of unused credits, and limitations on the credits.

## New Live Theater Credit

The Live Theater Credit is available for costs incurred in presenting certain live theater productions in Massachusetts. The credit is equal to the sum of (i) 35% of a theater company's total in-state payroll costs, (ii) 25% of its total in-state production and performance expenditures, and (iii) 25% of its total in-state transportation expenses. The Massachusetts Office of Business Development awards the credit based on applications submitted by theater companies. The credit is available to both corporate excise and personal income tax filers. The credit is transferable but is not refundable. Unused credit may be carried forward for five years. The credit is available for tax years beginning on or after January 1, 2025, and will expire on January 1, 2030. For additional information see TIR 25-5, Section II.

## New Homeownership Credit

The Homeownership Credit is available to real estate developers that build certain new housing units. The credit is awarded in an amount determined by the Massachusetts Housing Finance Agency based on applications submitted by developers. The credit is available to both corporate excise and personal income tax filers. The credit is transferable but not refundable. The credit is available for tax years beginning on or after January 1, 2025. For additional information, including eligibility rules, see TIR 24-16, Section II.

## New Qualified Conversion Credit

The Qualified Conversion Credit is available to real estate developers that convert existing commercial property to residential or mixed use. The credit is awarded in an amount determined by the Executive Office of Housing and Livable Communities

based on applications submitted by developers. The credit cannot exceed 10% of a developer's costs. The credit is available to both corporate excise and personal income tax filers. The credit is transferable but not refundable. The credit is available for tax years beginning on or after January 1, 2025, and expires on or before December 31, 2029. For additional information see TIR 24-16, Section III.

## Other Credits

Certain existing credits have been revised by recent legislation. These revisions expand the availability of the following credits for the tax years indicated:

- Community Investment Credit (effective for tax years beginning on or after January 1, 2025);
- Economic Development Incentive Program Credit, (effective for credits awarded on or after November 20, 2024);
- Historic Rehabilitation Credit, (effective for tax years beginning on or after January 1, 2024);
- Life Sciences Tax Incentive Program (effective for tax years beginning on or after January 1, 2024);
- Research Credit (effective for research expenses incurred on or after November 20, 2024);
- Offshore Wind Investment Tax Credit (effective retroactively for tax years beginning on or after January 1, 2023); and
- Offshore Wind Jobs Tax Credit (effective retroactively for tax years beginning on or after January 1, 2023).

For additional information see TIR 24-16 Sections IV and V and TIR 25-5 Sections V through VIII and X through XIII.

## Single Sales Factor Apportionment

Effective for tax years beginning on or after January 1, 2025, partnership, corporate excise and financial institution excise filers that apportion their income to Massachusetts must do so by using the sales or receipts factor only. In addition, for such tax years, the computation of the receipts factor for financial institutions has been changed with respect to receipts from investment and trading assets and activities. See TIR 24-4, Section IV.

**Note:** All filers that apportion their income to Massachusetts must complete the tangible property and payroll sections of their respective apportionment calculations, even if they are basing apportionment solely on the sales factor.

**Special Rule when Sales Factor is Inapplicable**

A special rule will apply to partnership filers for tax years when the sales factor is inapplicable. For such years, a partnership filer will be required to base its apportionment on the percentage of property and payroll in Massachusetts. The sales factor of such partnership filer is inapplicable if: (i) both its numerator and denominator are zero; (ii) the denominator is less than 10 per cent of one third of the taxable net income; or (iii) it is otherwise determined by the Commissioner to be insignificant in producing income.

**Federal Conformity**

Massachusetts generally conforms to the IRC as currently in effect for Massachusetts corporate and financial institution excise purposes. For more up-to-date and detailed information on tax changes and federal conformity, visit DOR's website at <http://www.mass.gov/dor>.

**Withholding Requirements for Partnerships**

Pass-through entities, including partnerships, have withholding obligations with regard to their non-resident partners or members. A partnership is required to determine which of its partners are non-residents, and to ascertain how its non-resident partners will be complying with their Massachusetts filing obligation. A partnership must withhold Massachusetts tax on the distributive share of any partner that does not certify to the partnership that the partner will be meeting its tax obligation in some other manner. For more information on how to comply with the withholding obligation, see the Guide for Pass-Through Entities, and 830 CMR 62B.2.2 Pass through Entity Withholding.

**Privacy Act Notice**

The Privacy Act Notice is available upon request or at [mass.gov/dor](http://mass.gov/dor).

**General Instructions**

**Form 3 Electronic Filing**

Massachusetts has an electronic filing requirement for all partnership returns. See TIR 21-9 for further information.

Under TIR 21-9, where a return is required to be filed electronically any schedules or supporting documents filed with the return must be submitted electronically. In addition, any amendment of that return, or request for abatement with respect to that return, must also be filed electronically. See TIR 21-9 for further information.

**When Must a Partnership File a Return?**

A Massachusetts partnership return, Form 3, must be filed if the partnership:

- Has a usual place of business in Massachusetts;
- Receives federal gross income of more than \$100 during the taxable year that is subject to Massachusetts taxation jurisdiction under the U.S. Constitution.

**PTE Excise Election Out-of-state Partnership**

• An out-of-state partnership Eligible PTE which elects to pay the PTE Excise must file a Massachusetts partnership return even if it is not otherwise required to do so. The out-of-state Eligible PTE must make the election on a timely filed Form 3 and must complete and submit the form including all schedules. In addition, the out-of-state Eligible PTE must file Form 63D-ELT. For more information see the instructions for Form 63D-ELT available at [mass.gov](http://mass.gov).

**How Is a Partnership Taxed?**

A partnership is not directly subject to income tax. Instead, each partner is taxed on the partner's share of the partnership income, whether distributed or not. Form 3 is a legally required informational return under MGL ch 62C, and subject to penalty for late filing.

**Schedule 3K-1**

Schedule 3K-1 is designed to allow the partnership to report each partner's distributive share of partnership income. A separate Schedule 3K-1 is required for each partner.

**How Does Each Partner Report Partnership Income?**

Each partner must report the partner's distributive share of each item of partnership income during the taxable year on the partner's Massachusetts tax return. The following table shows which return should be filed by each type of partner:

<i>Type of partner</i>	<i>Form to file</i>
<i>Full-year resident individual . . . . .</i>	<i>1</i>
<i>Nonresident/part-year resident individual . . . . .</i>	<i>1-NR/PY</i>
<i>Trust or estate . . . . .</i>	<i>2</i>
<i>Business corporation, generally . . . . .</i>	<i>355</i>
<i>Corporation that is part of a Mass. combined report . . . . .</i>	<i>355U</i>
<i>Domestic or foreign S corporation . . . . .</i>	<i>355S</i>

Each nonresident partner must report the partner's distributive share of the Massachusetts source in-

come of the partnership, which includes income from any of the following categories:

- Income derived from or connected with the partnership business carried on in Massachusetts;
- Income from the ownership of any interest in real or tangible personal property located in Massachusetts; or
- Interest, dividends, annuities and capital gains from property employed in the partnership business carried on in Massachusetts.

**Note:** A nonresident limited partner of a limited partnership engaged exclusively in buying, selling, dealing in or holding securities on its own behalf and not as a broker is not subject to tax on income from such partnership.

**What is a Nonresident Composite Return?**

Massachusetts allows a partnership to file an electronic composite return on Form MA NRCR, Massachusetts Nonresident Composite Return, and make estimated tax payments as an agent on behalf of two or more qualified electing nonresident partners. For more information see the instructions for Form MA NRCR, available at [mass.gov](http://mass.gov).

**What is Massachusetts Gross Income?**

For personal income taxpayers, Massachusetts gross income is divided into three classes: Part B is taxed at 5.0%, Part A is taxed at 5.0%, 12%, and 8.5% and Part C is taxed at 5.0%.

**Part B income:**

- Gross receipts from sales;
- Ordinary income or loss from other partnerships excluding all interest (other than interest from Massachusetts banks) and dividends;
- Ordinary income or loss from trusts and estates not subject to Massachusetts taxation;
- Royalty income or loss;
- Income from REMIC residual interest;
- Rental income or loss;
- Massachusetts bank interest; and
- Other income taxed at 5.0% (see Form 1 instructions).

**Part A income:**

- Interest other than from Massachusetts banks (taxed at 5.0%);
- Dividends (taxed at 5.0%);
- Short-term capital gains and losses (taxed at 8.5%);
- Gains and losses on the sale, exchange or involuntary conversion of property used in a trade

or business and held for one year or less (taxed at 8.5%); and

- Long-term gains on collectibles and pre-1996 installment sales classified as capital gain income for Massachusetts purposes (taxed at 12%).

#### Part C income:

- Long-term capital gains and losses excluding long-term gains on collectibles; and
- Losses on the sale, exchange or involuntary conversion of property used in a trade or business and held for more than one year.

**Note:** Massachusetts gross income does not include interest on obligations of the U.S. or Massachusetts and its political subdivisions.

#### Are There Differences Between Massachusetts Tax Law and the Internal Revenue Code Provisions Affecting Partnerships?

Yes. There are a number of differences between Massachusetts and U.S. personal income tax law. For Massachusetts tax purposes, a partnership is allowed only those expense deductions that an individually owned business is allowed. Deductions that are itemized by an individual on Schedule A of U.S. Form 1040 are not generally allowed. The deduction for a net operating loss carryover or carryback is not allowed to the partnership nor to an individual under Massachusetts income tax law. Explanations of these differences are provided in the appropriate lines and in the Forms 1 and 1-NR/PY instructions.

Under MGL ch 62, § 2 (d)(1)(N), Massachusetts specifically disallows the bonus depreciation deduction allowed under IRC §168(k), as amended and in effect for the current taxable year. Therefore, a Massachusetts partnership that claims bonus depreciation under IRC § 168(k) for federal tax purposes must calculate a separate depreciation schedule for purposes of claiming depreciation on the Massachusetts partnership return. For more information, see TIRs 03-25 and 02-11.

Form 3 and Schedule 3K-1 isolate income and deduction items in order to produce the correct Massachusetts partnership total as well as each partner's correct Massachusetts distributive share. These amounts sometimes differ from those reported on U.S. Form 1065, Schedule K-1.

There are also differences between Massachusetts and U.S. corporate taxation.

For more information on difference related to the impact of the CARES Act in Massachusetts see TIR 20-9: Massachusetts Tax Implication of Selected Provisions of the Federal CARES Act.

For more information on differences related to the impact of the TCJA in Massachusetts see TIR 19-17: Application of IRC § 163(j) Interest Expense Limitation to Corporate Taxpayers; TIR 19-11: Legislation Impacting the Massachusetts Tax Treatment of Selected International Provisions of the Federal Tax Cuts and Jobs Act; and TIR 19-6: Impact of the Federal Tax Cuts and Jobs Act on a Taxpayer's Overall Method of Accounting for Massachusetts Purposes.

#### When and Where Must a Partnership Return Be Filed?

A partnership return is due on or before the 15th day of the third month after the close of the partnership's taxable year, calendar or fiscal. When a due date falls on a Saturday, Sunday or legal holiday, the filing and payment may be made on the next succeeding business day. If the partnership was dissolved or reorganized during the taxable year, Form 3 must be filed to reflect partnership activity as of the date of dissolution or reorganization. Form 3 must be signed by one of the general partners.

#### What if the Partnership is a Fiscal or Short Year Filer

File the 2025 return for calendar year 2025 and fiscal years that began in 2025 and ended in 2026. For a fiscal year return, fill in the tax year space at the top of page 1. Short year filers should file using the tax form for the calendar year within which the short year falls. If the short year spans more than one calendar year, the filer should file using the tax form for the calendar year in which the short year began. If the current form is not available at the time the short year filer must file, the filer should follow the rules explained in TIR 11-12.

#### What is a Proper Return?

A proper return is a return upon which all required amounts have been entered in all appropriate lines on all forms, and all required schedules, forms and other attachments have been submitted. Data sheets, account forms or other schedules must be available to explain amounts entered on the forms. Referencing lines to enclosures in lieu of entering amounts onto the return is not sufficient.

An exact copy of U.S. Form 1065, including all applicable schedules and any other documentation required to substantiate entries made on this return, must be submitted along with Form 3.

#### Automatic Extensions

All Form 3 filers are automatically granted a six-month extension of time to file their tax return. See TIR 16-10.

#### What is the Penalty for Filing a Late Return?

A \$5 per day penalty may be imposed for failure to file a partnership return on time. For information regarding extensions of time to file tax returns, see TIR 16-10.

#### Pass-Through Entity Audit Procedures

The Massachusetts Unified Audit Procedures is an audit, assessment, and appeal procedure conducted at the entity level, rather than at the partner or member level. This procedure applies to partnerships, S corporations, and certain trusts. Unified audit procedures require that the partnership designate a Tax Matters Partner see **Tax Matters Partner (Massachusetts Unified Audit Procedures)** below to act as the partnership's representative to DOR. DOR will notify the Tax Matters Partner when a unified audit has commenced. During the unified audit, the Tax Matters Partner has the authority, on behalf of the entity, to request a settlement, to agree to extend the statute of limitations, to request a conference, or to appeal a determination of passthrough entity items. The Tax Matters Partner also has the responsibility, according to the terms of the partnership or other agreement governing the pass-through entity, to inform the members of the entity about the progress of the unified audit. For more information about unified audit procedures, see 830 CMR 62C.24A.1 and TIR 13-15.

#### Centralized Federal Partnership Audit

DOR has developed procedures for partnerships that have been subject to a federal partnership audit under the Centralized Federal Partnership Audit regime. For more information see TIR 22-1, Reporting Rules Related to Centralized Federal Partnership Audits.

#### Reason for filing Form 3 (choose all that apply)

Fill in each oval that applies to you in filing the Form 3 return. If this is your first filing of Form 3 select **Initial return**; fill in **Final return** if this is the final Form 3 the partnership will be filing. If you are filing Form 3 to reflect a name change select **Name change**.

#### Filing an Amended Return

**Supporting Statement Required.** If you are filing an amended return for any reason you **must** attach a statement to the amended return with an explanation of why you are filing the amended return, including the basis for submitting it.

If you need to change a line item on your return, complete a new return with the corrected information and fill in the **Amended return** oval. Your amended return must include all schedules filed with the original return even if there are no changes to the schedules. Mail your amended return to the

same address used for the original return. Do not file Form ATB with your amended return. An amended return can be filed to either increase or decrease your tax. Generally, an amended return must be filed within three years of the date that your original return was filed. For further information regarding amended returns, visit [mass.gov/dor/amend](http://mass.gov/dor/amend) and see TIR 16-13, Changes to the Amended Return Process Expanded to Most Tax Types.

### Federal Changes

If your amended return includes changes you have reported on an amended federal return filed with the IRS for the same tax year, fill in the **Federal amendment** oval.

### Amended Return Due to IRS BBA Partnership Audit

The **Amended return due to IRS BBA Partnership Audit** oval is only to be used if you are an upper-tier member of a partnership that was impacted by an IRS adjustment to a lower-tier partnership resulting from a federal centralized BBA audit.

If you are a partnership that was directly impacted by an IRS adjustment from a federal centralized BBA audit do not file an amended Form 3 return to report such IRS adjustments. Instead, a partnership directly impacted by such IRS adjustment must file a Centralized Federal Partnership Audit Report on MassTaxConnect. For further details see TIR 22-1, Reporting Rules Related to Centralized Federal Partnership Audits.

### Federal BBA Audit Assessment in Current Tax Year

If there has been a federal BBA Audit Assessment in the current tax year of this return then fill in the **Federal BBA Audit Assessment in current tax year** oval.

If your amended return does not report changes that result from the filing of a federal amended return or from a federal audit (for example, if the amended Massachusetts return is reporting a rental deduction not claimed on the original return) fill in only the **Amended return** oval.

### Enclosing Schedule DRE. Disclosure of Disregarded Entity

A partnership that is doing business in Massachusetts (including through the means of activities conducted by a disregarded entity that such partnership owns) and that is also the owner of a disregarded entity for any portion of the taxable year for which a return is being filed must identify each such disregarded entity by filing Schedule DRE with its return. A separate Schedule DRE is required for each such disregarded entity. See Schedule DRE instructions for additional information.

### Enclosing Schedule FCI. Foreign Corporation Income

Fill in the oval and enclose Schedule FCI (Foreign Corporation Income) if the partnership is required to complete and file Schedule FCI with Form 3.

All taxpayers with foreign corporation income (including GILTI income) must complete Schedule FCI. See Schedule FCI and Instructions.

### Enclosing Schedule TDS. Inconsistent Filing Position Penalty

Fill in the oval and enclose Schedule TDS, Taxpayer Disclosure Statement, if you are disclosing any inconsistent filing positions. Schedule TDS is available on our website at [mass.gov/dor](http://mass.gov/dor). The inconsistent filing position penalty (see TIR 06-5, section IV) applies to taxpayers that take an inconsistent position in reporting income. These taxpayers must disclose the inconsistency when filing their Massachusetts return. If such inconsistency is not disclosed, the taxpayer will be subject to a penalty equal to the amount of tax attributable to the inconsistency. This penalty is in addition to any other penalties that may apply.

A taxpayer is deemed to have taken an inconsistent position when the taxpayer pays less tax in Massachusetts based upon an interpretation of Massachusetts law that differs from the position taken by the taxpayer in another state where the taxpayer files a return and the governing law in that other state is the same in all material respects as the Massachusetts law. The Commissioner may waive or abate the penalty if the inconsistency or failure to disclose was attributable to reasonable cause and not willful neglect.

### Common-trust Fund

Fill in Common-trust fund if the partnership is a common trust fund.

### Consent to Extend the Time to Act on an Amended Return treated as Abatement Application

In certain instances, an amended return showing a reduction of tax may be treated by DOR as an abatement application. Under such circumstances, by filing an amended return, you are giving your consent for the Commissioner of Revenue to act upon the abatement application after six months from the date of filing. See TIR 16-11. You may withdraw such consent at any time by contacting the DOR in writing. If consent is withdrawn, any requested reduction in tax will be deemed denied either at the expiration of six months from the date of filing or the date consent is withdrawn, whichever is later.

### Filing an Application for Abatement

File an Application for Abatement, Form ABT, only to dispute one of the following:

- Penalties
- Audit assessments
- Responsible person determinations

For the fastest response time, file your dispute online at [mass.gov/masstaxconnect](http://mass.gov/masstaxconnect). If you are not required to file electronically or you cannot file online, use Form ABT.

Visit [mass.gov/dor/amend](http://mass.gov/dor/amend) for additional information about filing an amended return, or filing an application for abatement.

### Member of a Lower-Tier Entity

A tiered structure is a pass-through entity that has a pass-through entity as a member. (The term “pass-through entity” refers to an entity whose income, loss, deductions and credits flow through to members for Massachusetts tax purposes, and includes all entities treated as partnerships under Massachusetts tax law. The term “member” includes a partner in a partnership and a member of a limited liability company treated as a partnership in Massachusetts.) As between two entities, the pass-through entity that is a member is the upper-tier entity, and the entity of which it is a member is the lower-tier entity. If the partnership is a member of another pass-through entity, it should fill in this oval.

### Investment Partnership as Defined in the Pass-Through Entity Withholding Regulation

An investment partnership, as defined in the Pass-Through Entity Withholding regulation, is a partnership that meets the following criteria:

- Substantially all of the partnership’s assets consist of investment securities, deposits at banks or other financial institutions, or office equipment and office space reasonably necessary to carry on the activities of an investment partnership;
- Substantially all of the partnership’s income is from interest, dividends, and capital gains; and
- The partnership is not engaged in a trade or business in Massachusetts.

A partnership that invests only in so-defined investment partnerships and has no other Massachusetts source income may also fill in the Yes oval. Partnerships that meet these criteria are not required to withhold on their partners. See 830 CMR 62B.2.2(3)(b).

### Election to opt out of Federal Centralized Partnership Audit Regime

Fill in this oval if the partnership elected out of the federal centralized partnership audit regime for this tax year.

An eligible partnership can elect to opt out of the federal centralized partnership audit regime for the tax year by reporting the election on Schedule B, line 30 of its timely filed U.S. Form 1065. See U.S. Form 1065, Schedule B, line 30 and Instructions for U.S. Form 1065 for further details.

### Number of Massachusetts and Worldwide Employees

Enter the number of Massachusetts employees on line L and the number of worldwide employees on line M.

### Reporting on Form 63D-ELT (Entity Level Tax)

For purposes of reporting PTE Excise on Form 63D-ELT, a partnership will still include in its PTE Excise tax base the share of income attributable to an entity that is disregarded for tax purposes (if such disregarded entity is owned by an individual or trust). A partnership as Eligible PTE must disclose the identity of the legal or beneficial owner of any disregarded entity in its entity-level tax return (Form 3) so the applicable share of income is included in the PTE Excise. For Form 3 purposes, the Eligible PTE filer must indicate on its Form 3 the legal or beneficial owner of each disregarded entity so that it can include it in calculating the PTE Excise on Form 63D-ELT.

### Annual Voluntary Election to pay PTE Excise

Fill in the oval if you are making the annual voluntary election to pay tax at the entity level pursuant to MGL ch 63D. MA Form 63D-ELT must be filed by the Eligible PTE if it has made the annual voluntary election to pay PTE Excise on its Form 3 return. Once the election is made for a tax year it is irrevocable for that year and is binding on all qualified members. See Form 63D-ELT instructions for further information relating to the PTE Excise.

**Note:** Members of an electing Eligible PTE must report their share of distributive income from the PTE on their own returns. The distributive income may not be reduced by the amount of income reported by the electing PTE or by the amount of PTE Excise paid by the electing PTE.

### At-Risk Limitations and Grouping Activities

Fill in the applicable oval(s) if the partnership's activities were aggregated for at-risk purposes or grouped for passive activity purposes. See Instructions for U.S. Form 1065 (At-Risk Limitations and Grouping Activities) for more information.

### Digital Assets

Fill in the ovals in line P if at any time during 2025 you received (as a reward, award, or payment for

property or services) a digital asset, or sold, exchanged, gifted, or otherwise disposed of a digital asset (or a financial interest in a digital asset). Digital assets include non-fungible tokens (NFTs) and virtual currencies, such as cryptocurrencies and stablecoins.

### Electing Large Partnerships

If a partnership is filing U.S. Form 1065-B, U.S. Return of Income for Electing Large Partnerships, enter amounts from the lines on Form 1065-B corresponding to the line references from U.S. Form 1065. If there is no equivalent U.S. Form 1065-B line reference, enter the requested amount as if it had been reported on U.S. Form 1065.

### C-Corporate Partnerships

If a partnership is made up entirely of C-corporate partners, the partnership need not complete Form 3, lines 13 through 40. The partnership, however, must complete Form 3, lines 1 through 12, lines 41 through 53 to the extent applicable, and Schedule 3K-1, lines 21 through 35 (see instructions for Income Apportionment).

### Tax Matters Partner (Massachusetts Unified Audit Procedures)

Unless a partnership designates a different Tax Matters Partner for Massachusetts tax purposes, the Tax Matters Partner for a Massachusetts unified audit will be the same as the federal Tax Matters Partner. If the partnership has not designated a federal or Massachusetts Tax Matters Partner, the Tax Matters Partner will be the general partner, managing member, or similar partner with primary management responsibility; or, if no member has primary management responsibility, the direct member having the largest profits interest in the partnership determined based on the year-end profits interests reported on the partnership return for the taxable year for which the determination is being made. If designation based on the largest profits interest is impracticable, the Commissioner will select an interim Tax Matters Partner, pending selection of a Tax Matters Partner by the entity, and shall notify Notice Members of the selection.

### Line instructions

Certain lines are addressed in detail. Those lines without specific instructions are considered to be self-explanatory.

DOR and the Internal Revenue Service (IRS) maintain an extensive exchange program and routinely share data and audit results. Discrepancies between income and deductions reported federally and on this return, except those allowed under state law, will be identified and may result in a state audit or further investigation.

Each partner should use this amount to complete the partner's return. Personal income taxpayer use Forms 1 or 1-NR/PY, Schedule E, line 57; or Form 2.

### **Ordinary and Necessary Business Expense Deductions Available for Licensed Massachusetts Marijuana Businesses**

Internal Revenue Code (IRC) § 280E prohibits marijuana businesses from deducting expenses and claiming tax credits for federal tax purposes. Effective for taxable years beginning on or after January 1, 2022, Massachusetts decoupled from the IRC § 280E deduction disallowance with respect to licensed marijuana businesses only. As a result, for Massachusetts tax purposes, a licensed Massachusetts marijuana business can deduct ordinary and necessary business expenses that would otherwise be disallowed under IRC § 280E. These ordinary and necessary trade or business expenses should be reported on line 19 along with any other line 19 adjustments. ### Income Apportionment Schedule New-Single Sales Factor Apportionment

Effective for tax years beginning on or after January 1, 2025, most partnership filers that apportion their income to Massachusetts must do so by using the sales factor only.

Complete the income apportionment schedule only if all of the following conditions are met:

- There is one or more corporate or nonresident individual partners;
- There is any income from business activity or ownership of any interest in real or tangible property in another state; and
- Such business activities provide the other state the jurisdiction to levy an income or franchise tax.

The partnership should provide each corporate partner with the applicable apportionment factors to be used in completing Schedule F of the applicable corporate form.

Complete all lines, regardless of apportionment method used. Make certain that complete information is entered for all apportionment factors. A return which is incomplete will be considered insufficient.

### Special Rule when Sales Factor is Inapplicable

A special rule will apply to partnership filers for tax years when the sales factor is inapplicable. For such years, a partnership filer will be required to base its apportionment on the percentage of property and payroll in Massachusetts. The sales factor of such partnership filer is inapplicable if: (i) both its numerator and denominator are zero; (ii) the denominator is less than 10 per cent of one third of the taxable net income; or (iii) it is otherwise determined by the Commissioner to be insignificant in producing income.

### Industry-Specific Apportionment Regulations

All taxpayers must fill in the oval entitled Industry-Specific Regulations if they are subject to any of the following regulations:

- 830 CMR 63.38.2: Apportionment of Income of Airlines;
- 830 CMR 63.38.3: Apportionment of Income of Motor Carriers;
- 830 CMR 63.38.4: Apportionment of Income of Courier and Package Delivery Services;
- 830 CMR 63.38.8: Apportionment of Income of Pipeline Companies;

- 830 CMR 63.38.10: Apportionment of Income of Electric Industry; and
- 830 CMR 63.38.11: Apportionment of Income of Telecommunications Industry.

DOR has issued these industry-specific apportionment regulations to address industries where the application of the general apportionment provisions was not reasonably adapted to approximate the net income derived from business carried on within Massachusetts. See MGL ch 63, § 38(k). These rules remain unchanged for tax year 2025. As in prior years, taxpayers required to use these regulations must apportion their income for 2025 tax years using the three-factor formula with double-weighted sales, calculating the individual factors as set out in the regulation that pertains to them. Taxpayers in these industries that wish to use a different apportionment method should request alternative apportionment under MGL ch 63, § 42.

### Line 42. Tangible Property

**Line 42a.** For tax purposes, average value is based on original cost and is determined by averaging the property values at the beginning and end of the taxable year. If substantial changes occur during the taxable year, the Commissioner may require monthly averaging to properly reflect the average value of the property.

**Line 42b.** Property rented is valued at eight times the annual rental rate less any sub-rentals received.

### Line 43. Payroll

Enter the total amount of wages, salaries, or any other compensation paid to employees. An employee's compensation is apportioned to Massachusetts if any of the following apply:

- The employee's service is performed within Massachusetts;
- The employee's service is performed both in Massachusetts and in other state(s), but the non-Massachusetts service is secondary to the Massachusetts service;
- Part of the employee's service is performed in Massachusetts, and the service is controlled from a base of operations/place of control in Massachusetts; or
- Part of the employee's service is performed in Massachusetts and the base of operations/place of control of the service is not in a state in which some part of the service is performed, but the employee lives in Massachusetts.

### Line 44. Sales

For the sales factor, enter all gross receipts of the partnership with the exception of those receipts from interest, dividends and the sale or other disposition of securities or the sale of "good will" or similar intangible value.

**Line 44a.** Sales of tangible personal property are assigned to Massachusetts if:

- The property is delivered or shipped to any buyer, including the U.S. government, in Massachusetts; or
- The selling partnership is not taxable in the state of the buyer and the property is not sold by an agent or agencies chiefly situated at, connected with, or sent out from premises for the transaction of business owned or rented by the partnership outside Massachusetts. A buyer for this item includes the U.S. government.

Sales of tangible personal property are not assigned to Massachusetts if:

- The property is shipped or delivered to a buyer in a foreign country; or
- The property is sold to any branch or instrumentality of the U.S. government for resale to a foreign government.

**Line 44b.** Sales of services are assigned to Massachusetts, if and to the extent the service is delivered to a location in Massachusetts. See MGL ch 63, § 38(f) and 830 CMR 63.38.1(9)(d).

**Line 44c.** Rents from real or tangible property located or used in Massachusetts are assigned to Massachusetts. Royalties are assigned to Massachusetts if and to the extent the intangible property is used in Massachusetts. See MGL ch 63, § 38(f) and 830 CMR 63.38.1(9)(d).

**Line 44f.** Divide Massachusetts total sales by worldwide total sales (from line 44e) to calculate the sales apportionment percentage amount and enter it here.

**Line 45. Single Sales Factor-When Sales Factor Inapplicable** A special rule will apply to partnership filers for tax years when the sales factor is inapplicable. For such years, a partnership filer will be required to base its apportionment on the percentage of property and payroll in Massachusetts.

The sales factor of such partnership filer is inapplicable if: (i) both its numerator and denominator are zero; (ii) the denominator is less than 10 per cent of one third of the taxable net income; or (iii) it is otherwise determined by the Commissioner to be insignificant in producing income. See MGL ch 63, § 38(g) (as revised).

Complete line 45 **only** when sales factor is inapplicable (do **not** complete line 45 if the sales factor applies). Divide the sum of the remaining apportionment percentages (property and/or payroll) by 2 if both the property and payroll factors are applicable (or by 1 if only one such factor is applicable) and enter the amount here.

**Note:** If you are required to complete line 45 you must also fill in the "Sales factor is inapplicable" oval at the beginning of the Apportionment Factors section of the Income Apportionment Schedule.

#### Line 46. Massachusetts Apportionment Percentage

Enter the sales apportionment percentage amount from line 44f. **Note:** If the sales factor is inapplicable enter the amount from line 45

#### Line 47b. Other Credits (from Schedule CMS)

Enter the combined total from Section 1 and 3 of the Credit Manager Schedule (Schedule CMS).

Be sure to enclose Schedule CMS with your return. Failure to do so will delay the processing of your return.

The partnership must use Schedule CMS to calculate the partnership's credits, with the exception of the other jurisdiction credit. The partnership must report all credits, whether the credit is a non-refundable credit or a refundable credit, in Section 1 or 3 of Schedule CMS. Section 2 and 4 of Schedule CMS should be left blank.

#### Schedule 3K-1. Partner's Massachusetts Information

Schedule 3K-1 is designed to allow the partnership to report each partner's distributive share of partnership income. A separate Schedule 3K-1 is required for each partner.

##### Credit Section

A separate Credit Section has been created on Schedule 3K-1 (and on all other Massachusetts K-1 schedules). The Credit Section must be used by the taxpayer to report specific amounts for the listed credits. The total amount reported in the Credit Section should be entered on **Line 5b. Total Other Credits**.

##### A. Type of Partner (fill in one only)

The entity type should be indicated on a separate Schedule 3K-1 for each partner. The **Partnership or other PTE** oval should be filled in if the partner is a partnership or another type of pass-through entity, such as a limited liability corporation treated as a partnership for Massachusetts tax purposes. The **IRA** oval should be filled in if the partner is a trustee of retirement funds such as Individual Retirement Accounts or other retirement funds.

#### When Partner is a Disregarded Entity

When a partner is a disregarded entity (DE), enter the name, address and taxpayer identification number of the beneficial owner of the DE partner in the block reserved for the partner's information on Schedule 3K-1. Complete the rest of Schedule 3K-1 using the beneficial owner's status for "type of partner" and all subsequent lines. Also complete section **A2**, using the DE partner's information.

#### When Partner is a Grantor Trust

When a partner is a grantor trust, enter the name, address and taxpayer identification number of the grantor of the grantor trust in the block reserved for the partner's information on Schedule 3K-1. Complete the rest of the partner's Schedule 3K-1 using the grantor's status for "type of partner" and all subsequent lines.

#### Exempt Organizations (Ch 62 or Ch 63)

The **Ch 62 exempt organization** oval should be filled in if the partner is exempt from federal income tax under IRC § 501 and is treated as a ch 62 taxpayer in Massachusetts. The **Ch 63 exempt organization** oval should be filled in if the partner is exempt from federal income tax under IRC § 501 and is treated as a ch 63 taxpayer in Massachusetts.

##### A1. Massachusetts Nonresident Partner

Each nonresident partner must report its distributive share of Massachusetts source income of the partnership. Fill in the oval if the partner is a nonresident of Massachusetts.

##### A2. Partner is a Disregarded Entity

If a partner is a disregarded entity (DE), enter the DE partner's name, taxpayer identification number (TIN) and DE partner entity type. Fill in the appropriate DE partner status oval (Domestic (U.S.) or Foreign (Non-U.S.)) of DE partner. Leave section A2, blank if the partner receiving the Schedule 3K-1 is not a DE partner.

##### B2. Status of Partner (Domestic or Foreign)

Fill in to indicate whether the partner is a domestic (U.S.) or foreign (non-U.S.) partner as reported on U.S. Form 1065, Schedule K-1, Item H1.

##### E. Installment Sales Transactions

An addition to tax applies for taxpayers who have deferred the gain, and the tax associated with that gain, on certain installment sales. This addition to tax is measured by an interest charge on the tax that has been deferred. The addition to tax is determined by each partner based on the partner's own situation. The partnership should fill in the Yes oval if the partnership participated in one or more installment sales transactions that might subject the partner to this addition to tax.

Partnerships that have indicated on Schedule 3K-1 that they are reporting transactions under MGL ch 62C, § 32A, identified as IRC § 453A or 453(l)(2) (B) transactions, must separately communicate information to the partner that will enable the partner to calculate the addition to tax.

For IRC § 453A transactions, the partnership must inform the partner of the partner's share of the aggregate face amount of installment sales transactions arising in and outstanding as of the close of the taxable year, and any other information the partner may need to calculate the addition to tax. The \$150,000 and \$5,000,000 thresholds apply at the level of the individual partner. The partnership must therefore communicate to the partner all IRC § 453A installment sale transactions exceeding \$150,000. The applicable percentage is the ratio of the aggregate face amount of installment sale obligations arising in and outstanding as of the close of the taxable year in excess of \$5,000,000 to the aggregate face amount of such obligations arising in and outstanding at the close of the taxable year. The applicable percentage will be determined by each partner.

For IRC § 453(l)(2)(B) transactions, the partnership must inform the partner of the partner's share of gain on installment transactions, the date of the transactions, and any other information the partner may need to calculate the addition to tax.

#### Partner's Distributive Share

A partner's distributive share of any item of income, loss, deduction or credit shall be determined by the partnership agreement. If the partnership agreement contains no special provisions with respect to the partner's distributive share of any item of income, loss, deduction or credit, such item shall be prorated in accordance with each partner's ratio of sharing income or losses of the partnership.

**Note:** Although the following instructions focus on individual partners, partnerships should also complete lines 1 through 20 for corporate partners. These lines should reflect the corporate partner's share of each applicable distributive share item on an unapportioned basis. Corporate partners subject to apportionment under MGL ch. 63, § 38 should continue to calculate their own Massachusetts source income and loss accordingly, on their own returns as appropriate.

**Nonresident partner eligible to apportion.** Enter in lines 1 through 8 and 10 through 20, the amount of the partner's share of each applicable distributive share item multiplied by the apportionment percentage in Form 3, Income Apportionment Schedule, line 46.

Income should be apportioned if:

- There is one or more nonresident individual partners and;
- There is any income from business activity or ownership of any interest in real or tangible property in another state; and
- Such business activities provide the other state the jurisdiction to levy an income or franchise tax.

**All other partners.** Enter in lines 1 through 20 the amount of the partner's share of each applicable distributive share item.

### Line 1. Massachusetts Ordinary Income or Loss

Enter the amount of the partner's share of the partnership's Massachusetts ordinary income or loss from Form 3, page 2, line 20. For a nonresident partner eligible to apportion, enter the amount of the partner's share of the partnership's Massachusetts ordinary income or loss multiplied by the apportionment percentage in Form 3, Income Apportionment Schedule, line 46.

### Line 2. Guaranteed Payments to Partners

Enter the guaranteed payments to each partner from U.S. Form 1065, Schedule K, line 4. Guaranteed payments made to non-resident partners are apportioned as ordinary income of the partnership.

### Line 3. Separately Stated Deductions and Exclusions

Report and describe in line 3 any other expenses that are required to be separately stated, which are not required to be reported elsewhere on Schedule K-1. Examples of such items include the partner's share of the partnership's charitable contributions, oil and gas depletion and the expense deduction for recovery property, IRC § 179. An estate or trust may not elect to expense recovery property. Each partner should take these items into account on their Form 1 or Form 1-NR/PY. In particular, charitable contributions are not deductible from the partnership's distributive income. Rather, partners' shares of charitable contributions flow through the partnership to the partners, who may use that amount in determining their charitable deductions claimed on Form 1, Schedule Y, line 9c, or Form 1-NR/PY, Schedule Y, line 9c. Report and describe in line 3 the partner's elective contribution to a qualified CODA retirement plan.

### Line 4. Total of Lines 1 through 3

Combine the amounts in lines 1 through 3. The line 4 result includes each partner's share of the partnership's Massachusetts ordinary income and any guaranteed payments to the partner (deductible and capitalized).

The correct Massachusetts amount of the partner's share of ordinary income and guaranteed payments may differ from the comparable U.S. total reported on the partner's return. Personal income taxpayer use Forms 1 or 1-NR/PY, Schedule E-2, line 11; or Form 2. Each partner should make adjustments in Forms 1 or 1-NR/PY, Schedule E, lines 55 and 56, if applicable; or Form 2, to reflect the correct Massachusetts amount. Each partner should enclose a statement with the partner's Massachusetts tax return and explain.

The partnership should provide each partner with the amount of the partner's share of any interest (other than interest from Massachusetts banks) and dividend income and 5.0% interest from Massachusetts banks included in line 4. Each partner should use these amounts to complete the partner's return. Personal income taxpayer use Forms 1 or 1-NR/PY, Schedule E-2, lines 9 and 10; or Form 2.

### Line 5a. Income Tax Paid to Other Jurisdictions

Enter the partner's share of any tax due from the partnership to any other state, territory or possession of the United States, or the Dominion of Canada or any of its provinces on income taxable to the partner in Massachusetts and otherwise allowable as a credit to the individual. The partnership should also provide each such partner with the names of each taxing jurisdiction, the amount of income and the amount taxed.

This credit is available only to resident partners and may be taken on Form 1, line 30, Form 1-NY/PY, line 34 or where applicable, on Form 2, line 42. For part-year residents the income that is subject to taxation in another state or jurisdiction must have been earned during the period of Massachusetts residency. The credit is not available for taxes paid on Massachusetts source income earned while a nonresident.

**Note:** The amount in line 5a is not simply the partner's share of the amount reported on Form 3, page 2, line 15, because the credit for taxes paid to other jurisdictions does not include local income taxes paid or taxes paid to nations other than Canada.

### Line 5b. Total Other Credits (from "Credit Section")

The partnership must use Schedule CMS to calculate the partnership's credits, with the exception of the other jurisdiction credit which should be entered on line 5a. Based on those calculations, the partnership should use line 5b of Schedule 3K-1 to provide each partner with the amount of each partner's share of the partnership's credits according to the partner's ownership share. The partner will then include these credits on the partner's Schedule CMS.

### Credit Section

Each partner's share of credits according to such partner's ownership share must be separately listed on the Schedule 3K-1 Credit Section.

The partnership must also provide each partner with any required schedules, certificate numbers and/or other supporting documents related to each credit.

Report only those credits that are related to the partner's ownership share. Refer to the Credit Table at the end of these instructions to report each credit and its respective attributes in the Credit Section.

### Credit Table

The Credit Table located at the end of these instructions lists all of the Massachusetts credit types with their respective attributes. Credits that may be available to a taxpayer subject to tax under MGL ch 62 must be claimed on Schedule CMS. The taxpayer should refer to this table for guidance when completing Schedule CMS.

**Note:** Some credits may only be claimed by individual partners and/or certain corporate partners. See instructions to Schedule CMS, Form 1 and Form 355 for more information.

### Line 6. Credit Recapture

If the partnership is required to recapture any Economic Opportunity Area Credit, Brownfields Credit, Low-Income Housing Credit, Historic Rehabilitation Credit, or any other credit that requires recapture, enter the partner's share of any recapture as computed on Schedule CRS, Credit Recapture Schedule. This amount should then be used by each partner to complete their return.

### Line 7. Net Income or Loss from Rental Real Estate Activity

Enter the partner's share of the partnership's net rental income or loss from real estate activity from Form 3, line 23.

The correct Massachusetts amount of the partner's share of net income or loss from rental real estate activity may differ from the comparable U.S. total reported on the partner's return. Personal income taxpayer use Forms 1 or 1-NR/PY, Schedule E-1, line 24; or Form 2. Each partner should make adjustments in Forms 1 or 1-NR/PY, Schedule E, line 55; or Form 2, to reflect the correct Massachusetts amount. Each partner should enclose a statement with the partner's Massachusetts tax return and explain.

### Line 8. Net Income or Loss from Other Rental Activity

Enter the partner's share of the partnership's net rental income or loss from other activity from Form 3, line 26.

Each partner should enclose a statement with the partner's Massachusetts tax return and explain.

### Line 9. Interest on U.S. Debt Obligations

Enter the partner's share of the partnership's interest on U.S. debt obligations from Form 3, line 28. For a nonresident partner eligible to apportion enter the partner's share without apportionment. This income is taxable by the federal government, but tax-exempt in Massachusetts.

### Line 10. 5.0% Interest from Massachusetts Banks

Enter the partner's share of the partnership's 5.0% interest from Massachusetts banks from Form 3, line 29. For a nonresident partner eligible to apportion, enter the partner's share of the partnership's 5.0% interest from Massachusetts banks multiplied by the apportionment percentage in Form 3, Income Apportionment Schedule, line 46.

Each partner should include the line 9 total in Form 1, line 5; Form 1-NR/PY, line 7; or Form 2.

Each nonresident partner whose income is apportioned should receive from the partnership the amount of the partner's pre-apportionment share of 5.0% interest from Massachusetts banks. Each nonresident individual whose income is apportioned should include this amount in Form 1-NR/PY, Schedule B, line 5. This amount should be used instead of any amount from Form 1-NR/PY, line 7 because the partner's full distributive share of such income is included in the U.S. amount reported in Schedule B, line 1. Each nonresident trust or estate whose income is apportioned should include its pre-apportionment share of 5.0% interest from Massachusetts banks in Form 2, Schedule B, line 6, instead of any amount from Form 2, line 16.

### Line 11. Interest and Dividend Income

Enter the partner's share of the partnership's interest (other than interest from Massachusetts banks) and dividend income from Form 3, line 30. For a nonresident partner eligible to apportion, enter the partner's distributive share of the partnership's interest (other than interest from Massachusetts banks) and dividend income multiplied by the apportionment percentage in Form 3, Income Apportionment Schedule, line 46.

The correct Massachusetts amount of the partner's share of interest (other than interest from Massachusetts banks) and dividend income may differ from the comparable U.S. total reported on the partner's Forms 1, 1-NR/PY or 2, Schedule B, lines 1 and 2. Each partner should make adjustments in Form 1 and 1-NR/PY, Schedule B, line 6; or Form 2, Schedule B, line 7 to reflect the correct Massachusetts amount. Each partner should enclose a statement with the partner's Massachusetts tax return and explain.

### Line 12. Non-Massachusetts State and Municipal Bond Interest

### Line 42. Partner's Share of Chapter 63D Refundable Credit (PTE Excise Credit)

A partnership making the annual voluntary election in its Form 3 return to pay entity-level taxes under MGL ch 63D must determine and report the separate amount of PTE Excise Credit available to each partner that is a resident or nonresident partner having qualified taxable income subject to the MGL ch 63D entity-level tax (a qualified member).

### How is the Partnership's PTE Excise tax calculated?

When an Eligible PTE makes a ch 63D election, the total ch 63D Qualified Taxable Income and ch 63D tax due is calculated and reported by the electing Eligible PTE on Form 63D-ELT. See Form 63D-ELT instructions for further information relating to eligibility for and reporting of the PTE Excise.

### How is each Partner's PTE Excise Credit calculated?

The PTE Excise Credit is separately calculated and reported on the MA Schedule 3K-1 of each eligible qualified member. An eligible qualified member is:

- An individual resident
- An individual non-resident
- A resident trust or estate
- A non-resident trust or estate; or
- A ch 62 exempt organization with unrelated taxable business income

### Total qualified income subject to 5.0% entity-level tax

**Separate tax calculation for each partner that is a qualified member (Schedule 3K-1, lines 42a through 42d).**

**Line 42a:** Total of ordinary income or loss, interest, and dividend income: is the sum of the following lines on Schedule 3K1: (Schedule 3K-1 line 4, lines 7 and 8, lines 10 through 13 and line 21). Do not enter less than 0. Guaranteed payments are included in the tax base.

**Line 42b:** Net gain or loss from the sale of capital assets is the sum of the amounts on Schedule 3K-1, lines 14 through 19). Do not enter less than zero.

**Line 42c:** Total Partner's income subject to 5% entity-level tax is the sum of 42a and 42b.

### Partner's 90% PTE Excise Credit amount (Schedule 3K-1, line 42e).

The partner's 90% refundable PTE Excise Credit is reported on Schedule 3K-1 line 42e:

**Line 42e:** Partner's refundable credit is 90% of the amount reported on line 42d.

**Note:** Amounts reported on lines 42a through 42e should be 0 if the partner is not a qualified member.

## Overview of Schedule CMS

The following is a brief overview of the Schedule CMS sections and where certain credits should be reported. If a taxpayer is using a credit to reduce a taxpayer's current year tax liability, whether it is a non-refundable credit or a refundable credit, the credit should be reported in Section 1 or 3 of the Schedule CMS. Only a refundable credit that the taxpayer is seeking a refund for should be reported in either Section 2 or 4 of the Schedule CMS. Generally, a credit should only be reported in one section on the Schedule CMS unless a portion of it is being used to offset a tax and a portion is being refunded.

For Sections 1 or 3, a credit identified by period end date eligible for indefinite or unlimited carry-over under MGL ch 63 § 32C (or other provision of law)

should be reported as “non-expiring” and the period end date or certificate number should be left blank.

**Note:** Taxpayers reporting “non-expiring” credits must enclose a statement with their return indicating credits converted to non-expiring in a manner consistent with their Schedule CMS “non-expiring” credit reporting.

### Section 1. Non-Refundable Credits

Section 1 is for reporting credits the taxpayer is using (i) to offset or reduce the taxpayer’s total tax due (ii) to pass to any partner, shareholder or beneficiary of the taxpayer or (iii) to share with taxpayer affiliates. The Brownfields Credit, Film Incentive Credit, or Medical Device Credit should always be included in Section 1, unless the taxpayer is requesting a refund of the Film Incentive Credit. However, a taxpayer that received a credit on a Massachusetts K-1 schedule from a pass-through entity or a credit transfer should report such credit in Section 3 or 4, as applicable.

### Section 2. Refundable Credits

Section 2 is for reporting refundable credits the taxpayer is using to request a refund. The Film Incentive Credit should always be included in Section 2 to the extent that the taxpayer is requesting a refund. However, a taxpayer that received a refundable credit on a Massachusetts K-1 from a pass-through entity or a credit transfer should report such credit in Section 4, to the extent that the taxpayer is requesting a refund. For each refundable credit, report the amount of the credit available after taking into consideration any amount of the credits that may have been taken to offset a tax or shared as reported in Section 1 of this schedule. Enter the amount by which the available credit balance is being reduced and the amount to be treated as a refundable credit, which may be either 90% or 100% of the reduction. See TIR 13-6, Example 3, for an illustration.

### Section 3. Non-Refundable Credits Received from Massachusetts K-1 Schedules

Section 3 is for reporting credits the taxpayer received on a Massachusetts K-1 schedule (SK-1, 2K-1 or 3K-1) that the taxpayer is using (i) to offset or reduce the taxpayer’s total tax due (ii) to pass to any shareholder or beneficiary of the taxpayer or (iii) to share with taxpayer affiliates. The Brownfields Credit, Film Incentive Credit, or Medical Device Credit should never be included in Section 3.

**Note:** Do not report the Brownfields Credit, Film Incentive Credit, and Medical Device Credit in this section because these credits are issued new certificate numbers from the DOR when they are received from a pass-through entity or a credit transfer. These credits should always be reported in Section 1, unless the taxpayer is requesting a refund of the Film Incentive Credit.

### Section 4. Refundable Credits Received from Massachusetts K-1 Schedules

Section 4 is for reporting credits the taxpayer received on a Massachusetts K-1 schedule (SK-1, 2K-1 or 3K-1) and that the taxpayer is using to request a refund. The Film Incentive Credit should never be included in Section 4. For each refundable credit, report the amount of the credit available after taking into consideration any amount of the credits that may have been used to offset a tax or shared as reported in Section 3 of this schedule. Enter the amount by which the available credit balance is being reduced and the amount to be treated as a refundable credit, which may be either 90% or 100% of the reduction. See TIR 13-6, Example 3, for an illustration.

**Note:** Do not report the refundable Film Incentive Credit in this section because these credits are issued new certificate numbers from the DOR when they are received from a pass-through entity or a credit transfer. If the taxpayer is requesting a refund of the Film Incentive Credit, it should be reported in Section 2.

### Credit Recapture Schedule

The Credit Recapture Schedule (CRS), which eliminates Schedule RF, lists each credit for which a recapture calculation must be made.

Certain Massachusetts tax credits are subject to recapture as specified in the statute authorizing the credit (e.g. investment tax is subject to recapture under MGL ch 63, § 31A(e) if an asset for which the credit was taken is disposed of before the end of its useful life). Recapture may also be triggered if the corporation no longer qualifies for the credit (as when a manufacturing corporation ceases to qualify as such or a corporation’s status as a Life Sciences Company is terminated as discussed in TIR 13-6).

If a recapture calculation is required, the amount of the credit allowed is redetermined and the reduction in the amount of credit allowable is recaptured to the extent the credit was taken or used in a prior year. See DD 89-7. Taxpayers who have a recapture calculation must complete this schedule whether or not a recapture tax is determined to be due.

Schedule CRS, Credit Recapture Schedule (which replaces Schedule RF), lists each credit for which a recapture calculation must be made. For credits tracked by certificate numbers that must be reported on the return to claim the credit, enter each certificate number and the associated credits separately. For credits not tracked by certificate number, enter credits separately by type and the year to which they relate. List only those credits and certificate numbers or tax years for which a reduction in the credit is being calculated.

For more information and examples, see the Schedule CRS instructions.

### Declaration

When Form 3 is complete, it must be signed by an authorized general partner of the partnership. If you are signing as an authorized delegate of the appropriate general partner, check the box below the signature line on Form 3 and attach Form M-2848, Power of Attorney, with the return. Form M-2848 should be uploaded through MassTaxConnect or electronically filed using other authorized software.

### Paid Preparer Authorization

If you want to allow the DOR to discuss your 2025 business tax return with the paid preparer who signed it, fill in the Yes oval in the signature area of the form at the bottom of page 1. This authorization applies only to the individual whose signature appears in the paid preparer section of your return. It does not apply to the firm (if any) shown in that section. If you fill in the Yes oval you are authorizing DOR to call the paid preparer to answer any questions that may arise during the processing of your return. You are also authorizing the paid preparer to:

- Give DOR any information that is missing from your return;
- Call DOR for information about the processing of your return or the status of your refund or payment(s); and
- Respond to certain DOR notices that you have shared with the preparer about math errors, off-sets and return preparation. The notices will not be sent to the preparer.

You are not authorizing the paid preparer to receive any refund check, to bind you to anything (including any additional tax liability) or otherwise represent you before DOR. If you want to expand the paid preparer’s authorization, see Form M-2848, Power of Attorney and Declaration of Representative. Form M-2848 is available at [mass.gov/dor](http://mass.gov/dor).

This authorization will automatically end no later than the due date (without regard to extensions) for filing your 2026 tax return. If you wish to revoke this authorization, you can do so by submitting a signed statement to the DOR listing the name and address of each representative whose authority is being revoked.
