The top corners of the page are decorated with delicate botanical illustrations. In the top-left corner, there is a sprig of a plant with small, light-colored flowers and a single green, elongated seed pod hanging down. In the top-right corner, there are green, rounded leaves and a small, yellow, dried flower head.

AS WE CONTINUE TO HONOR AND REMEMBER, WE THANK YOU

The Garden of Peace became a reality because of the vision, dedication, and generosity of a coalition of homicide survivors, violence prevention and victim service providers, the business community, and elected officials.
