Dear Chairpersons Velis and Domb:

As Chair of the Legislative Subcommittee of the Hate Crimes Task Force, I hereby submit this letter on behalf of the Hate Crimes Task Force in support of the below listed legislation.

Pursuant to M.G.L. Chapter 6, Section 221(c)(vi) the Hate Crimes Task Force shall “recommend any appropriate legislation, regulations, policies or procedures to better combat hate crimes.” During the early months of 2025, the Hate Crimes Task Force received presentations on pending hate crimes legislation in the Commonwealth. The Legislative Subcommittee received further presentations from some of the bill sponsors. Based off of these presentations, the Legislative Subcommittee held meetings to discuss the legislation and ultimately made recommendations to the Hate Crimes Task Force on bills it recommended that the Task Force should support.

At its June 16th, 2025, meeting, the Hate Crimes Task Force voted to support the following legislation:

- HB2207/ SB1388 – An Act building resilience and increasing access to mental health services

If you have any questions or concerns, please do not hesitate to reach out to me.

Sincerely,

Robert Trestan, Chair
Legislative Subcommittee of the Hate Crimes Task Force
