

2025 Pelham/Petersham Deer Hunt Permits Drawn

The Quabbin Deer Hunt is an annual event conducted on Quabbin Reservoir watershed lands, implemented as part of the management program to maintain a balance between deer herd densities and forest regeneration.

Hunters can apply individually or in a group up to four hunters on an application for the Prescott/Petersham Hunts. A total of 746 applications were received. The number of permits is capped for each hunt zone, so a special lottery was conducted selecting hunters and place hunters into their preferred hunt zones.

Winning numbers for the 2025 Pelham/Petersham Controlled Deer Hunts were drawn in an event open to the public on Tuesday, September 16, 2025, at the Les and Terry Campbell Quabbin Visitor Center in Belchertown

The selection process issued permits based upon the last two digits of all customer ID numbers listed on the application. If a customer ID number was selected, all hunters on the application received permits for that segment. Once selected, hunters were then removed from the pool of applicants. A complete list of hunting license numbers for selected individuals are available below.

All successful applicants will receive their hunting Access Permits from DCR via mail before the scouting on November 22 and 23, 2025.

For further information, please contact the Quabbin Visitor Center at (413) 323-7221.

Figure 1: Eighteen (18) hunters were in attendance to select ping-pong balls for the winning numbers.
