RETAIL RENEWALS

SEASONAL RETAIL LIQUOR LICENSE RENEWAL APPLICATION GUIDELINES

Without exception, all seasonal alcoholic beverages **licensees** are required to renew their alcoholic beverages license by **March 31st** of each year.

All retail license renewal applications must be signed by an authorized corporate officer, individual, partner, or license manager and filed with the Local Licensing Authority by March 31st. Licensees who are in the process of transferring their licenses are required to file the renewal application until the transfer has occurred and they are no longer the licensee of record.

Licensees are responsible for correcting any differences between their files and the ABCC license file on the renewal application in red ink. A Licensing Authority Certification Form verifying these changes which have been ABCC approved must be attached to the license renewal application in order to change the official ABCC license file (zip codes and spelling errors do not require a Licensing Authority Certification).

All on-premises M.G.L. c. 138, §12 licensees must provide proof of the required liquor liability insurance to the Local Licensing Authorities.

All on-premises M.G.L. c. 138, §12 licensees must provide a copy of the required Fire Safety Inspection Certificate to the Local Licensing Authorities. Please **do not** forward a copy of the Fire Safety Certificate or the insurance certificate to the ABCC. You should keep these forms for your records.

- Licensees are reminded that permitting an unauthorized signatory to sign its renewal application will result in mandatory revocation of its license, pursuant to M.G.L. c. 138, §§ 16A & 64.

Late Renewal Process

- If a licensee submits their 2025 renewal late, then a new license application will need to be filed.
- This will include the requirement for both DOR and DUA releases.
- Also required is the advertisement and abutters notification, and a letter from the licensee confirming no changes have been made since their last ABCC approval.
