

Mass. Department of Energy Resources
2025 Spring Competitive Grant Awards, Green Communities

Municipality	Grant Award	Region	Description of Projects Funded
Acton	\$500,000	Central	to fund energy conservation measures, Heat Pump Roof Top Unit (RTU) (Decarbonization Project), in municipal facilities including High School
Agawam	\$88,807	West	to fund energy conservation measures, LED lighting, in municipal facilities including Benjamin Phelps School
Amesbury	\$225,000	North	to fund energy conservation measures, Building Management System (BMS) Controls Update and administrative assistance, in municipal facilities including Middle School
Attleboro	\$250,000	South	to fund energy conservation measures, Heat Pump RTU #1, #2 and #3 and weatherization, in municipal facilities including Council on Aging
Barre	\$218,968	Central	to fund energy conservation measures, VRF Heat Pump (Phase 1) and administrative assistance, in municipal facilities including Henry Woods Building
Belmont	\$225,000	North	to fund energy conservation measures, Heat Pump RTU (Decarbonization), in municipal facilities including Winthrop L. Chenery Middle School
Bernardston	\$164,550	West	to fund energy conservation measures, VRF Heat Pump system, in municipal facilities including Powers Institute
Bridgewater	\$7,500	South	to fund energy conservation measures, Electric Vehicle purchase, in municipal facilities including town vehicle fleet
Canton	\$250,000	South	to fund energy conservation measures, VRF Heat Pump system (Decarbonization) and Building Management System tie-in to VRF system, in municipal facilities including Senior Center
Carlisle	\$15,425	North	to fund energy conservation measures, insulation, in municipal facilities including Brick Building
Charlton	\$219,730	Central	to fund energy conservation measures, weatherization and administrative assistance, in municipal facilities including Elementary School, Public Library, and Sewer Dept.
Everett	\$126,675	North	to fund energy conservation measures, Heat Pump system, in municipal facilities including Ferry St. Fire Station
Falmouth	\$250,000	South	to fund energy conservation measures, BMS controls upgrade, Heat Pump system (Decarbonization), Heat Pump RTU (Decarbonization) and weatherization, in municipal facilities including Fire Dept. HQ, Chamber of Commerce, and Morse Pond Jr. High School
Georgetown	\$105,000	North	to fund energy conservation measures, LED lighting and administrative assistance, in municipal facilities including Penn Brook School
Gloucester	\$53,659	North	to fund energy conservation measures, Insulation and Air Sealing, in municipal facilities including City Hall
Greenfield	\$54,670	West	to fund energy conservation measures, winserts, Electric Vehicle purchase, EV charging station, and heat pump water heater, in municipal facilities including WWTP, Vet's Field House, and town vehicle fleet
Hingham	\$205,000	South	to fund energy conservation measures, weatherization and heat pump water heater, in municipal facilities including Central Fire Station
Hudson	\$500,000	Central	to fund energy conservation measures, Heat Pump, Chiller, VAVs, and BMS (Decarbonization), in municipal facilities including Town Hall
Ipswich	\$500,000	North	to fund energy conservation measures, VRF Heat Pump system (Decarbonization), Building Management System (BMS), and weatherization, in municipal facilities including Town Hall
Kingston	\$105,068	South	to fund energy conservation measures, weatherization and administrative assistance, in municipal facilities including Intermediate and Elementary Schools
Lynn	\$249,434	North	to fund energy conservation measures, transformers and LED lighting, in municipal facilities including Harrington Elementary School, Lynn Voc Tech School, and Lynn Classical High School
Malden	\$181,311	North	to fund energy conservation measures, Heat Pump RTUs and new BMS, weather strip windows, and insulation, in municipal facilities including School Administration Office and Cemetery Garage
Mansfield	\$229,911	South	to fund energy conservation measures, new Building Management System and administrative assistance, in municipal facilities including Robinson Elementary School
Mendon	\$144,715	Central	to fund energy conservation measures, EMS controls, Electric Vehicle purchase for Police, and administrative assistance, in municipal facilities including Henry P. Clough Elementary School and town vehicle fleet
Montague	\$52,401	West	to fund energy conservation measures, weatherization, in municipal facilities including Fieldhouse Buildings
Needham	\$180,702	North	to fund energy conservation measures, LED lighting and attic insulation, in municipal facilities including Broadmeadow and Mitchell Elementary Schools
North Andover	\$225,000	North	to fund energy conservation measures, VRF Heat Pump system (Decarbonization), in municipal facilities including 120R Main Street

Mass. Department of Energy Resources
2025 Spring Competitive Grant Awards, Green Communities

Pembroke	\$223,400	South	to fund energy conservation measures, weatherization and administrative assistance, in municipal facilities including Council on Aging, Community Middle School, Police Station, and Bryantville Fire Station
Plainville	\$52,804	South	to fund energy conservation measures, weatherization and LED lighting, in municipal facilities including Council on Aging and Beatrice H. Wood Elementary School
Quincy	\$250,000	North	to fund energy conservation measures, Air to Water Pool Heat Pump, BMS controls upgrades, and LED lighting, in municipal facilities including Lincoln Hancock Community, Francis W. Parker, and Montclair Elementary Schools
Rowe	\$218,892	West	to fund energy conservation measures, VRF Heat Pump System, in municipal facilities including Town Hall
Royalston	\$185,000	West	to fund energy conservation measures, Heat Pump system with ERV and backup electric heaters (Decarbonization) and administrative assistance, in municipal facilities including Raymond School Building
Salisbury	\$221,005	North	to fund energy conservation measures, weatherization and heat pump system, in municipal facilities including Senior Center and Town Hall
Sandisfield	\$18,717	West	to fund energy conservation measures, heat pump system, in municipal facilities including Library
Shrewsbury	\$189,304	Central	to fund energy conservation measures, heat pump system, weatherization, and LED lighting, in municipal facilities including Legion Hall and Senior High School
Southborough	\$26,395	Central	to fund energy conservation measures, LED lighting and weatherization, in municipal facilities including P. Brent Trottier and Flagg Schools
Stoughton	\$173,372	South	to fund energy conservation measures, Energy Management System and administrative assistance, in municipal facilities including Joseph Dawe Elementary School
Townsend	\$122,000	Central	to fund energy conservation measures, HVAC Retro-commissioning, LED lighting, and administrative assistance, in municipal facilities including Town Hall and Hawthorne Brook Middle School
Truro	\$250,000	South	to fund energy conservation measures, Heat Pump system (Decarbonization) and BMS upgrade, in municipal facilities including Central Elementary School
Ware	\$220,000	West	to fund energy conservation measures, VRF Heat Pump system (Decarbonization), in municipal facilities including Senior Center
Westford	\$125,000	North	to fund energy conservation measures, transformers, in municipal facilities including Stony Brook Middle School, Westford Academy, DPW Building, and Crisafulli and Rita Miller Elementary Schools
Whitman	\$101,934	South	to fund energy conservation measures, weatherization and administrative assistance, in municipal facilities including Police Station
Williamstown	\$50,000	West	to fund energy conservation measures, Electric Vehicle purchases and Energize Williamstown community campaign, in municipal facilities including town vehicle fleet
Worcester	\$3,500	Central	to fund energy conservation measures, EV lawn mower, in municipal facilities including city equipment
