Statewide Police Lieutenant

Experience, Training and Education (E&E) Scoring Guide

This guide will serve as a reference for you to understand the point allocation for answers to each question on the E&E component of Statewide Police Promotional Examinations and Sole Assessment Centers with E&E for the title: Police Lieutenant.

Please note that the information contained in this E&E scoring guide is applicable only to Statewide Police Promotional Examinations and Sole Assessment Centers with E&E for the title: Police Lieutenant administered September 1, 2025-August 31, 2026. HRD reserves the right to change the point allocation or E&E categories for any future exam. All questions were scored based upon experience, education, and specialized trainings as of the scheduled written exam/sole assessment center date.

Category and Maximum Allowable Points

The following chart displays the E&E categories and the maximum points available for each category. The available points for each category are capped at that amount. As you review the point allocation for answers to each question, you may notice that the sum of the points you can earn for a category may exceed the maximum points available for that category. Please note that you may not be given more than the maximum available points for a category, even if your total points exceed that capped amount.

Police Lieutenant	Category	Maximum Points Available
Police Time		
Outside Experience	Job Experience	54
Supervisory Time		
Specialized Trainings	Certifications and Training	22
Academic Schooling	Education	24

As you review the points allocated to each potential response, you will see that they are not distributed equally across the years of experience. This is because similar to the previous E&E, the new E&E gives a greater weight to more recent experience. Experience or education that is more relevant or important to the position is given a higher point value. Point values for experience are displayed to 2 decimal places.

Scoring methodology:

You will receive an E&E score notice that will indicate the maximum points you earned in each category. In addition, the score notice will list any categories that you claimed but were not credited due to a lack of supporting documentation or errors in calculation. The final E&E score that will appear on your score notice will be derived through a standardization and weighting process. In addition, the E&E exam component as a whole is weighted relative to the Written (Technical Knowledge, Situational Judgement) component (for Statewide Promotional Examinations) or Assessment Center component (for Sole Assessment Centers). You cannot add up the points based on the information in this guide to obtain the score that will represent 20% of your total overall score on your Statewide Promotional Examination or Sole Assessment Center.

A candidate who fails to submit an E&E application within 7 days after the written exam/sole assessment center date, will receive a score of "Incomplete". A candidate who fails to submit any supporting documentation to their E&E application will receive a score of "Incomplete".
