Dear [REDACTED]:

Premier Select Sires, Inc. ("Premier") writes to inform you of a recent event that may have impacted the privacy of some of your information. Due to requirements imposed by Massachusetts law, we are unable to provide further details about the nature of this event. Nevertheless, we are providing you with information about additional measures you can take to help protect your information, should you feel it appropriate to do so. We also encourage you to contact the toll-free dedicated assistance line we have set up to provide information about the event at the number included below.

In order for you to receive the monitoring services described above, you must enroll within ninety (90) days from the date of this letter. Please note that when signing up for monitoring services, you may be asked to verify personal information for your own protection to confirm your identity.

Additionally, under U.S. law, a consumer is entitled to one (1) free credit report annually from each of the three (3) major credit reporting bureaus, Equifax, Experian, and TransUnion. To order your free credit report, visit <https://www.annualcreditreport.com> or call, toll-free, 1 (877) 322-8228. You may also directly contact the three (3) major credit reporting bureaus listed below to request a free copy of your credit report.

Consumers have the right to place an initial or extended "fraud alert" on a credit file at no cost. An initial fraud alert is a one (1) year alert that is placed on a consumer's credit file. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven (7) years. Should you wish to place a fraud alert, please contact any one (1) of the three (3) major credit reporting bureaus listed below.

As an alternative to a fraud alert, consumers have the right to place a "credit freeze" on a credit report, which will prohibit a credit bureau from releasing information in the credit report without the consumer's express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a security freeze, you may need to provide the following information, depending on whether you make the request online, by phone, or by mail:

1. Full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;

3. Date of birth;
4. Addresses for the prior two (2) to five (5) years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver's license or ID card, etc.);
7. Social Security Card, pay stub, or W2;
8. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

Should you wish to place a credit freeze, please contact the three (3) major credit reporting bureaus listed below:
