Notice Regarding Your Personal Information

POMCAR LLC ("POMCAR") is writing because it has reason to believe that your personal information may have been acquired or used by an unauthorized person. The information potentially involved includes your name in combination with payment-card information and the security code associated with that card.

Notification was not delayed at the request of law enforcement.

POMCAR has taken steps to secure its systems, reported the matter to its payment processor, and is continuing to preserve and review relevant records. POMCAR has not identified an illegitimate charge through its Stripe account, but recommends that you contact the issuer of the card used for your POMCAR order, request a replacement card, review your statements, and report unfamiliar activity promptly.

Your Rights

You have the right to obtain a police report and to request a security freeze on your credit report. A security freeze prohibits a consumer reporting agency from releasing information from your credit report without your express authorization. There is no charge to place, lift, or remove a security freeze. A freeze may delay, interfere with, or prevent timely approval of a request for new credit, loans, employment, housing, or other services.

To request a security freeze, contact each nationwide consumer reporting agency online, by telephone, or in writing. A written request should include your full name, Social Security number, date of birth, current address, prior addresses if requested, and copies of government identification and proof of address. Each agency may require additional information to verify your identity. Use the agency-specific website or telephone number below for current instructions. You may obtain free credit reports at www.AnnualCreditReport.com and identity-theft guidance at www.IdentityTheft.gov.
