Once you receive your credit reports, review them for discrepancies. Identify any accounts you did not open or inquiries from creditors that you did not authorize. Verify all information is correct. If you have questions or notice incorrect information, contact the credit reporting company.

3. Placing a Fraud Alert on Your Credit File.

Whether or not you choose to use the complimentary credit monitoring services, we recommend that you place an initial 1-year “fraud alert” on your credit files, at no charge. An initial fraud alert is free and will stay on your credit file for at least twelve months. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you before establishing any accounts in your name. To place a fraud alert, call any one of the three major credit bureaus at the numbers listed below. As soon as one credit bureau confirms your fraud alert, they will notify the others. Additional information is available at <https://www.equifax.com/personal/credit-report-services/credit-fraud-alerts/>.

4. **Placing a Security Freeze on Your Credit File.**

Following is general information about how to request a security freeze from the three credit reporting agencies at no charge. While we believe this information is accurate, you should contact each agency for the most accurate and up-to-date information. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit, mortgages, employment, housing, or other services. There might be additional information required, and as such, to find out more information, please contact the three nationwide credit reporting agencies (contact information provided below). You may place a security freeze on your credit report by contacting all three nationwide credit reporting companies at the numbers below and following the stated directions or by sending a request in writing, by mail, to all three credit reporting companies:

Equifax Security Freeze

P.O. Box 105788

Atlanta, GA 30348-5788

<https://www.equifax.com/personal/credit-report-services/credit-freeze/>

(888)-298-0045

Experian Security Freeze

P.O. Box 9554

Allen, TX 75013

<http://experian.com/freeze>

(888) 397-3742

TransUnion Security Freeze

P.O. Box 160

Woodlyn, PA 19094

<https://www.transunion.com/credit-freeze>

(888) 909-8872

In order to place the security freeze, you will need to supply your name, address, date of birth, Social Security number and other personal information. After receiving your freeze request, each credit reporting company will send you a confirmation letter containing a unique PIN (personal identification number) or password. Keep the PIN or password in a safe place. You will need it if you choose to lift the freeze.

If your personal information has been used to file a false tax return, to open an account or to attempt to open an account in your name or to commit fraud or other crimes against you, you may file a police report in the city in which you currently reside.

If you do place a security freeze *prior* to enrolling in the credit monitoring service as described above, you will need to remove the freeze in order to sign up for the credit monitoring service. After you sign up for the credit monitoring service, you may refreeze your credit file.

5. **Additional Helpful Resources.**

Even if you do not find any suspicious activity on your initial credit reports, the Federal Trade Commission (FTC) recommends that you check your credit reports periodically. Checking your credit report periodically can help you spot problems and address them quickly.

If you find suspicious activity on your credit reports or have reason to believe your information is being misused, call your local law enforcement agency and file a police report. Be sure to obtain a copy of the police report, as many creditors will want the information it contains to absolve you of the fraudulent debts. You may also file a complaint with the FTC by contacting them on the web at www.ftc.gov/idtheft, by phone at 1-877-IDTHEFT (1-877-438-4338), or by mail at Federal Trade Commission, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, DC 20580. Your complaint will be added to the FTC's Identity Theft Data Clearinghouse, where it will be accessible to law enforcement for their investigations. In addition, you may obtain information from the FTC about fraud alerts and security freezes.

Massachusetts Residents: Under Massachusetts law, you have the right to obtain a police report in regard to this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it.
