Subject: Notice of Data Incident

Dear Jane Sample:

We are writing to inform you of a recent data security incident that may have involved your personal information. R.L. Schreiber, Inc. takes the privacy and security of all information within its possession very seriously. This letter contains information regarding the incident, our response, and steps that you can take to help protect your personal information.

Under Massachusetts law, you have the right to obtain any police report filed in regard to this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it.

Massachusetts law also allows consumers to place a security freeze on their credit reports. A security freeze prohibits a consumer reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit, mortgages, employment, housing or other services.

You have the right to request a credit freeze from a consumer reporting agency, free of charge, so that no new credit can be opened in your name without your permission. A freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze.

Unlike a fraud alert, you must separately place a freeze on your credit file at each credit bureau. To place a freeze on your credit report, contact them online or by phone or mail and provide proper identification of your identity. The following information must be included when requesting a security freeze (note that if you are requesting a freeze for your spouse, this information must be provided for them as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; and (4) current address and any previous addresses for the past five years.

Below, please see relevant contact information for the three consumer reporting agencies:

In order to determine whether any unauthorized credit was obtained with your information, you may obtain a copy of your credit report at www.annualcreditreport.com or 1-877-322-8228. You may also request information on how to place a fraud alert by contacting any of the above consumer reporting agencies. A fraud alert is intended to alert you if someone

attempts to obtain credit in your name without your consent. It is recommended that you remain vigilant for any incidents of fraud or identity theft by reviewing credit card account statements and your credit report for unauthorized activity. You may also contact the Federal Trade Commission (FTC) to learn more about how to prevent identity theft:

FTC, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, D.C. 20580, www.ftc.gov/bcp/edu/microsites/idtheft/, 1-877-IDTHEFT (438-4338).
