Notice of Data Breach

Body:

November 20, 2026

Hi [First name],

We are writing to let you know that your personal information may have been involved in a data security incident.

Your right to obtain a police report

You have the right to obtain a police report. Contact your local police department for information about filing a report or requesting a copy.

How to request a free security freeze

You can place a security freeze on your credit report free of charge. A freeze limits access to your credit report and can make it harder for someone to open new credit in your name. Contact each of the three credit bureaus separately.

Equifax | 888-298-0045 | Request a security freeze: equifax.com/personal/credit-report-services/credit-freeze/

Experian | 888-397-3742 | Request a security freeze: experian.com/help/credit-freeze/

TransUnion | 888-909-8872 | Request a security freeze: transunion.com/credit-freeze

The bureau may ask for your full name, including any middle initial and suffix, date of birth, Social Security number, current address and addresses from the past five years. It may also ask for proof of identity and address, such as a copy of a government-issued ID and a recent utility bill or bank statement. If you are a victim of identity theft, it may request a copy of a police report, investigative report, or complaint. Provide these details directly to the bureau through its official channels.
