RE: Debit Card ending in [REDACTED]

Dear Member:

The Credit Union has recently received notification from our Card Alert Service regarding a possible compromise of your Fall River Municipal Credit Union Visa® Debit card information. The reported incident involves unauthorized access to a non-FRMCU processing data center by an unknown person or entity. This data center may have had your card information from purchases or transactions you made through one of the retailers, POS or ATM terminals which it processes for.

In order to protect you against any fraudulent activity, we have ordered a new card number in your name. You should receive your new card in approximately 7-10 days.

After receiving your new debit card, please provide the new card number to any merchants or service providers who automatically charge your debit card on an arranged basis.

Your current card will be permanently disconnected on April 16, 2026.

Please activate your new card as soon as you receive it. While we do not believe that your personal information was used for fraudulent purposes, we recommend that you monitor your account closely. If you suspect fraudulent activity or have any further questions, please contact FRMCU Account Services Dept at 508-678-9028 ext. 8699. We apologize for any inconvenience this may cause.

Under Massachusetts law, you have the right to obtain any police report filed in regard to this incident. If you are the victim of identity theft, you also have the right to file a police report and obtain a copy of it.

Federal law allows you to place a security freeze on your credit reports, free of charge. A security freeze prohibits a credit reporting agency from releasing any information from your credit report without your authorization. Please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing or other services.

To place a security freeze on your credit report, contact **each** of the three major consumer reporting agencies:

Equifax
[Equifax.com/personal/credit-report-services](https://www.equifax.com/personal/credit-report-services)
800-685-1111

Experian
[Experian.com/help](https://www.experian.com/help)
888-EXPERIAN (888-397-3742)

TransUnion
[TransUnion.com/credit-help](https://www.transunion.com/credit-help)
888-909-8872

In order to request a security freeze, you will need to provide your name, address, date of birth, Social Security number and other personal information.

After receiving your freeze request, each credit bureau will provide you with a unique PIN (personal identification number) or password. Keep the PIN or password in a safe place. You will need it if you choose to lift the freeze.

A freeze remains in place until you ask the credit bureau to temporarily lift it or remove it altogether. If the request is made online or by phone, a credit bureau must lift a freeze within one hour. If the request is made by mail, then the bureau must lift the freeze no later than three business days after receiving your request.

You should also consider requesting a free credit report from each of the major credit reporting agencies once annually online at www.annualcreditreport.com, by calling (877) 322-8228, or by US mail to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281.
