#### 4. Placing a Security Freeze on Your Credit File.

Following is general information about how to request a security freeze from the three credit reporting agencies at no charge. While we believe this information is accurate, you should contact each agency for the most accurate and up-to-date information. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit, mortgages, employment, housing, or other services. There might be additional information required, and as such, to find out more information, please contact the three nationwide credit reporting agencies (contact information provided below). You may place a security freeze on your credit report by contacting all three nationwide credit reporting companies at the numbers below and following the stated directions or by sending a request in writing, by mail, to all three credit reporting companies:

##### ***Equifax Security Freeze***

P.O. Box 105788  
Atlanta, GA 30348-5788  
<https://www.equifax.com/personal/credit-report-services/credit-freeze/>  
(888)-298-0045

##### ***Experian Security Freeze***

P.O. Box 9554  
Allen, TX 75013  
<http://experian.com/freeze>  
(888) 397-3742

##### ***TransUnion Security Freeze***

P.O. Box 160  
Woodlyn, PA 19094  
<https://www.transunion.com/credit-freeze>  
(888) 909-8872

In order to place the security freeze, you will need to supply your name, address, date of birth, Social Security number and other personal information. After receiving your freeze request, each credit reporting company will send you a confirmation letter containing a unique PIN (personal identification number) or password. Keep the PIN or password in a safe place. You will need it if you choose to lift the freeze.

If your personal information has been used to file a false tax return, to open an account or to attempt to open an account in your name or to commit fraud or other crimes against you, you may file a police report in the City in which you currently reside.

If you do place a security freeze *prior* to enrolling in the credit monitoring service as described above, you will need to remove the freeze in order to sign up for the credit monitoring service. After you sign up for the credit monitoring service, you may refreeze your credit file.

#### 5. Additional Helpful Resources.

Even if you do not find any suspicious activity on your initial credit reports, the Federal Trade Commission (FTC) recommends that you check your credit reports periodically. Checking your credit report periodically can help you spot problems and address them quickly.

If you find suspicious activity on your credit reports or have reason to believe your information is being misused, call your local law enforcement agency and file a police report. Be sure to obtain a copy of the police report, as many creditors will want the information it contains to absolve you of the fraudulent debts. You may also file a complaint with the FTC by contacting them on the web at [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft), by phone at 1-877-IDTHEFT (1-877-438-4338), or by mail at Federal Trade Commission, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, DC 20580. Your complaint will be added to the FTC's Identity Theft Data Clearinghouse, where it will be accessible to law enforcement for their investigations. In addition, you may obtain information from the FTC about fraud alerts and security freezes.
