Your vigilance is particularly important over the next 12 to 24 months. If you become aware of any incidents involving the suspected unauthorized use of your card or your identity, please notify us immediately at the Bank's phone number below.
- 2. You have the right to obtain a police report.** As of the date of this letter, Salem Five is unaware of any police report having been filed regarding this incident. If you discover suspicious activity on your credit report, your accounts or by any other means, you may wish to file a police report. You have a right to obtain a copy of any police report you file.
- 3. Learn more about identity theft.** The Federal Trade Commission's (FTC) web site provides information and guidance about steps you can take to protect against identity theft, including utilization of fraud alerts and security freezes, and where you can report suspected identity theft to the FTC. Salem Five encourages you to report any incidents of identity theft. Helpful websites are <http://www.ftc.gov> and <http://consumer.gov>. You may report suspected identity theft to the FTC at 877-438-4338, 866-653-4261 (TTY); <http://www.identitytheft.gov> and 600 Pennsylvania Avenue, NW, Washington, DC 20580.

You may obtain your credit report from the consumer reporting agencies; you may receive one free annual credit report at <http://www.annualcreditreport.com>. You have the right to place a free 90-day fraud alert on your credit file which will let creditors know to contact you before opening new accounts. Please be advised this alert may delay your ability to obtain credit. To place a fraud alert, contact the consumer reporting agencies below:

5. **You have the right to place a security freeze on your consumer credit report. Federal law mandates that a consumer reporting agency allow a consumer to place, lift, or remove a security freeze “free of charge”.** The security freeze prohibits a consumer reporting agency from releasing information in your consumer report without your express authorization. A security freeze may be requested via consumer reporting agency online website, telephone, or mail. The security freeze is designed to prevent credit, loans, or services from being approved in your name without your consent. A security freeze may delay, interfere with, or prevent the timely approval of any subsequent credit request or application you make regarding new loans, credit, mortgage, insurance, government services or payments, rental housing, employment, investment, license, cellular phone, utilities, digital signature, internet credit card transactions or other services, including an extension of credit at point of sale.

To request a security freeze, you will need to provide the following information to the consumer reporting agency:

- Your full name (including middle initial as well as Jr., Sr., II, III, etc.); social security number; and date of birth;
- If you have moved in the past five years, the addresses where you previously lived in those years;
- Proof of current address, such as a current utility bill or telephone bill;
- A legible photocopy of a government-issued identification card such as state driver’s license or I.D. card or a military I.D. card;
- Social security card, pay stub, or W2; and
- If you are a victim of identity theft, include a copy of the police report, investigative report, or complaint to a law enforcement agency concerning the identity theft.

The consumer reporting agencies have three business days after receiving your request to place a security freeze on your credit report, and they must send a written confirmation to you within five business days, providing you with a unique personal identification number or password, or both, that you can use to authorize the removal or lifting of the security freeze.
