### Additional Information

A fraud alert is a security notice on your credit report that warns creditors you may be a victim of identity theft. Please note that you can contact the Federal Trade Commission (“FTC”) and the national consumer reporting agencies for more information on fraud alerts, security freezes and other steps you can take to avoid identity theft:

**Equifax**, P.O. Box 105788, Atlanta, Georgia 30348, 1-877-478-7625, [www.equifax.com](http://www.equifax.com)

**Experian**, P.O. Box 2002, Allen, TX 75013, 1-888-397-3742, [www.experian.com](http://www.experian.com)

**TransUnion**, P.O. Box 2000, Chester, PA 19016, 1-800-680-7289, [www.transunion.com](http://www.transunion.com)

**Federal Trade Commission**, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, D.C. 20580, 1-877-FTC-HELP (382-4357), [www.usa.gov/identity-theft](http://www.usa.gov/identity-theft)

It is recommended that you periodically obtain credit reports from each nationwide credit reporting agency and have information related to fraudulent transactions deleted. You may obtain a free copy of your credit report online at [www.annualcreditreport.com](http://www.annualcreditreport.com), by calling toll-free 1-877-322-8228, or by mailing an Annual Credit Report Request Form (available at [www.annualcreditreport.com](http://www.annualcreditreport.com)) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281. You may also purchase a copy of your credit report by contacting one or more of the three national credit reporting agencies listed above.

Additional information about security freezes is included below. Please also note that you can report any suspected incidents of identity theft to law enforcement, your state’s attorney general and the FTC. In certain states, you may also obtain any police report filed about this issue.

**Additional Information About Security Freezes.** You also have a right to place a “security freeze” on your credit report at no charge, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization. The security freeze is designed to prevent credit, loans and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. In addition, a security freeze does not apply to a person or entity, or its affiliates, or collection agencies acting on behalf of the person or entity, with which you have an existing account that requests information in your credit report for the purposes of reviewing or collecting the account. Reviewing the account includes activities related to account maintenance, monitoring, credit line increases, and account upgrades and enhancements.

If you wish to place a security freeze on your credit file, you must separately place a security freeze on your credit file at each credit reporting agency. In order to place a security freeze, you may need to provide the following information: (1) Full name (including middle initial as well as Jr., Sr., II, III, etc.); (2) Social Security Number; (3) Date
