Examination Information

Eligibility: To be eligible for this examination you must: (1) be an employee in the police department for which the examination is given with permanent civil service status in the specified eligible title(s) by the date of the examination; and (2) have served in the force at least one year since you were appointed and performed the job duties of the eligible title(s)*. A combination of temporary and permanent service from a certification can be applied towards meeting this one year requirement. Time spent working in the title of Deputy Police Chief will not interrupt the service period in your permanent position.

*If the eligible title has been lowered to the entry level rank, you must have served in the force at least one year or three years depending on the participating municipality since you were appointed and performed the job duties. Police Officers filing for this examination must have one year of permanent experience after completion of their police academy course. Service as a Student Officer, before successful completion of an approved academy, does not count towards meeting the eligibility requirement.

Note: Pursuant to the provisions of Massachusetts General Law (MGL) 31 § 59, if less than two applications are received from eligible candidates, this examination will be postponed. If the examination's eligible title has been lowered to the entry level rank, the examination will go forward with less than two eligible candidates submit applications.

Eligible List: Individuals placed on the resulting eligible list shall be eligible for certification from such list for such period as the administrator shall determine, but in any event not to exceed two years, unless otherwise outlined in Massachusetts General Law (MGL) Chapter 31, § 25 or the Human Resources Division (HRD) revocation policy.

Examination Weights: The Sole Assessment Center will be 80% and the Experience & Education (E&E) will be 20% of the final score.

Eligible Title(s): Police Sergeant

Application: All applications must be received by the application deadline and accompanied by an examination processing fee of \$150. You will receive two confirmation emails when you have completed the process: one email confirming your application has been received, and one email confirming your payment has been received. Your

application is not complete until you have received both confirmation emails. If you have not submitted payment of the examination processing fee by the application deadline, your application will not be accepted.

Makeup Examination: All military personnel who, in connection with current service, have military orders that indicate their unavailability due to military service on the examination date, must file an application and examination processing fee and request a makeup examination in writing to the delegation administrator or their designee. With the exception of current military personnel, as described above, no candidate has a right to a makeup examination due to personal or professional conflicts on the testing date. Candidates are advised to consider this before applying for the examination. If you file an examination application by the application deadline but are unable to appear for the examination on the examination date due to an emergency or unanticipated hardship, you may request a makeup examination by filing a written request with verifiable documentation to the delegation administrator or their designee. The delegation administrator reserves the right to approve or deny your request. Please reach out to them for further information.

Reasonable Accommodations: If you need reasonable accommodations due to a documented impairment, or medical condition, you must make a request with the delegation administrator or their designee. All requests will be reviewed and approved by the delegation administrator or their designee.

Delegation Administrator or Designee: Sydney Vivieros (SViveiros@acushnet.ma.us)
