

Municipality	Grant Award	Region	Description of Projects Funded
Adams	\$33,573	West	to fund energy conservation measures, weatherization and administrative assistance, in municipal facilities including the Police Station
Agawam	\$82,981	West	to fund energy conservation measures, LED lighting, in municipal facilities including Sapelli School
Amherst	\$124,999	West	to fund energy conservation measures, door weather stripping, weatherization, and air sealing, in municipal facilities including North Fire Station
Andover	\$108,628	North	to fund energy conservation measures, roof top unit heat pump, in municipal facilities including Red Spring Road
Ashland	\$5,994	North	to fund energy conservation measures, attic insulation, in municipal facilities including Community Center
Ayer	\$93,096	Central	to fund energy conservation measures, weatherization, variable refrigerant flow (VRF) heat pump, and administrative assistance, in municipal facilities including Library
Billerica	\$75,000	North	to fund energy conservation measures, window replacements, in municipal facilities including Council on Aging
Brewster	\$222,098	South	to fund energy conservation measures, variable frequency drives (VFDs), variable refrigerant flow (VRF) heat pump, and administrative assistance, in municipal facilities including Police Station
Brookline	\$125,000	North	to fund energy conservation measures, heat pump, LED lighting, and pipe insulation, in municipal facilities including High School, DPW, Old Lincoln School, and Unified Arts Building
Carlisle	\$125,000	North	to fund energy conservation measures, weatherization, in municipal facilities including Carlisle School
Charlemont	\$10,302	West	to fund energy conservation measures, LED lighting, in municipal facilities including Highway Garage
Chatham	\$230,000	South	to fund energy conservation measures, hybrid roof top unit heat pump, pump refurbishment, variable frequency drives (VFDs), Building Automation System, and heat pump hot water heater, in municipal facilities including DPW and Sewer Dept.
Cohasset	\$500,000	South	to fund energy conservation measures, decarbonization with heat pump, in municipal facilities including Town Hall
Dalton	\$124,397	West	to fund energy conservation measures, heat pump and attic insulation, in municipal facilities including Senior Center
Deerfield	\$250,000	West	to fund energy conservation measures, building controls, in municipal facilities including Frontier Regional & Union 38 Schools
Douglas	\$236,569	Central	to fund energy conservation measures, heat pump, weather stripping, weatherization, LED lighting, and administrative assistance, in municipal facilities including Wastewater Treatment Plant, Glen St. Pump Station, West St. Pump Station, Highway Building, and Elementary School
Easthampton	\$30,000	West	to fund energy conservation measures, E-Transit van, in municipal facilities including City vehicle fleet
Goshen	\$173,486	West	to fund energy conservation measures, heat pump, window replacement, and administrative assistance, in municipal facilities including Town Offices, Town Hall, and Historic Museum
Grafton	\$119,912	Central	to fund energy conservation measures, Building Management System (BMS), in municipal facilities including High School
Hanson	\$77,290	South	to fund energy conservation measures, weatherization, in municipal facilities including Police Station
Holliston	\$80,104	Central	to fund energy conservation measures, window replacements, kitchen hood controls, and refrigeration controls, in municipal facilities including Central Fire Station and Pinecrest
Hopedale	\$250,000	Central	to fund energy conservation measures, Building Management System upgrade, phase 1 and LED lighting, in municipal facilities including Junior/High School and Memorial Elementary School
Lancaster	\$211,427	Central	to fund energy conservation measures, roof top unit heat pump, in municipal facilities including Library
Lawrence	\$204,993	North	to fund energy conservation measures, LED lighting and weatherization, in municipal facilities including High School
Leverett	\$186,115	West	to fund energy conservation measures, Building Management System and weatherization, in municipal facilities including Elementary School and Library
Littleton	\$12,500	Central	to fund energy conservation measures, electric and hybrid vehicles, in municipal facilities including town vehicle fleet
Lowell	\$118,915	North	to fund energy conservation measures, pipe insulation and weatherization, in municipal facilities including Adult Education, Career Academy (Molloy), City Hall, Leblanc Therapeutic Day School, McHugh School, Moody Elementary School, and O'Connell Early Learning Center
Medfield	\$212,537	Central	to fund energy conservation measures, hybrid roof top unit heat pump and roof insulation and sealing, in municipal facilities including High School
Medford	\$29,876	North	to fund energy conservation measures, LED lighting, in municipal facilities including Chevalier Auditorium
Medway	\$125,000	Central	to fund energy conservation measures, weatherization, in municipal facilities including High School
Melrose	\$122,081	North	to fund energy conservation measures, Building Management System, phase 2 and community outreach, in municipal facilities including Middle School
Merrimac	\$10,000	North	to fund energy conservation measures, hybrid electric vehicle, in municipal facilities including town vehicle fleet
Milton	\$114,850	North	to fund energy conservation measures, variable refrigerant flow (VRF) heat pump and electric vehicle, in municipal facilities including Council on Aging and town vehicle fleet
Natick	\$125,000	North	to fund energy conservation measures, roof top unit heat pump, in municipal facilities including Wilson Middle School
Needham	\$108,779	North	to fund energy conservation measures, LED lighting and retro-commissioning, in municipal facilities including High Rock School and Public Safety Building

Newburyport	\$77,522	North	to fund energy conservation measures, smart thermostats, variable frequency drives, and education and outreach program, in municipal facilities including Senior Center and High School
Northbridge	\$91,952	Central	to fund energy conservation measures, weatherization and administrative assistance, in municipal facilities including High School
Oxford	\$141,104	Central	to fund energy conservation measures, LED lighting, phase 1 and administrative assistance, in municipal facilities including High School
Peabody	\$244,032	North	to fund energy conservation measures, Building Management Systems and administrative assistance, in municipal facilities including Carroll School and Brown School
Petersham	\$219,350	West	to fund energy conservation measures, heat pump, weatherization, and administrative assistance, in municipal facilities including Town Offices and Fire Station
Plainfield	\$96,368	West	to fund energy conservation measures, ground source heat pump, window replacements, and administrative assistance, in municipal facilities including Town Hall, Hallock Building, and Police Station
Quincy	\$500,000	North	to fund energy conservation measures, heat pump, phase 1 decarbonization, in municipal facilities including Snug Harbor School
Revere	\$247,876	North	to fund energy conservation measures, heat pump, phase 2 and weatherization, in municipal facilities including City Hall
Salisbury	\$158,732	North	to fund energy conservation measures, heat pump and weatherization, in municipal facilities including Senior Center and Library
Sandisfield	\$54,150	West	to fund energy conservation measures, heat pump and LED lighting, in municipal facilities including Fire Station #2
Southborough	\$71,026	Central	to fund energy conservation measures, LED lighting, in municipal facilities including Town House, Library, Cordaville Hall, DPW, Transfer Station, DPW Station 2, and South Union
Southbridge	\$250,000	Central	to fund energy conservation measures, heat pump, roof top unit heat pump, LED lighting, weatherization, and administrative assistance, in municipal facilities including Eastford Road Elementary School, Library, and Middle/High School
Sunderland	\$172,997	West	to fund energy conservation measures, Building Management System, in municipal facilities including Elementary School
Swampscott	\$125,000	North	to fund energy conservation measures, heat pump, weatherization, and administrative assistance, in municipal facilities including Cemetery Building, High School, and Library
Wakefield	\$77,197	North	to fund energy conservation measures, hybrid heat pump water heater and weatherization, in municipal facilities including Fire #3, Civic Center, Town Hall, Garage, Senior Center, and Public Safety
Waltham	\$173,714	North	to fund energy conservation measures, pipe insulation, weatherization, window replacement, and administrative assistance, in municipal facilities including 510 Moody Street, IT Dept., 21-25 Lexington, Valor School, and City Hall
Wayland	\$100,475	North	to fund energy conservation measures, LED lighting and electric vehicles (2), in municipal facilities including Town Building and Library
West Brookfield	\$105,589	Central	to fund energy conservation measures, heat pump, building controls, roof top unit heat pump, and administrative assistance, in municipal facilities including Town Hall/Police
Westford	\$125,000	North	to fund energy conservation measures, variable refrigerant flow (VRF) heat pump and Building Management System upgrade, in municipal facilities including Senior Center
Wilbraham	\$60,557	West	to fund energy conservation measures, heat pumps and hybrid police vehicle, in municipal facilities including Library, Dog Pound, and Recycling
Winchendon	\$250,000	Central	to fund energy conservation measures, air handling unit heat pump and Building Management System upgrade, in municipal facilities including Police Station and Murdock High School
Woburn	\$115,620	North	to fund energy conservation measures, variable frequency drives (VFDs)/motors, motor replacement, and window replacements, in municipal facilities including Joyce Middle School and JFK Middle School
