VICTIM COMPENSATION APPLICATION

When you are a family member who has experienced the death of a loved one to homicide, you have the right to apply for certain financial assistance through Victim of Violent Compensation, a program administered by MOVA.

Navigating the process, including understanding the timeframe for applying, eligible expenses, and how the claims process works, can be overwhelming.

You are not alone. Reach out to speak to a Victim Compensation advocate by calling 617-586-1340 or emailing VCCorrespondence@mass.gov

YOUR VOICE MATTERS, PLEASE SHARE FEEDBACK BELOW

The Honor Program provides a time and place to collectively remember and honor the victims of homicide whose names are added to the Garden that year, and all those memorialized in prior years. The Honor Program and the Garden itself are intended to provide a community for and of survivors, to provide support and hope, and to help de-stigmatize the experience of surviving homicide. Hearing from family members, and friends whose loved one(s') name is/are engraved in the Garden of Peace will help us to ensure the Annual Honor Program continues to be a meaningful event for all attendees.
