

THE COMMONWEALTH OF MASSACHUSETTS
DIVISION OF BANKS

LIST OF LEGAL INVESTMENTS

Pursuant to

GENERAL LAWS

CHAPTER 167

SECTION 15A

As of July 1, 2026

**Mary L. Gallagher
Commissioner of Banks**

LIST OF LEGAL INVESTMENTS

July 2026

This Legal List of Investments (List) is prepared as of July 1, 2026. Investors are advised to take note of changes to individual investments on this List that occur after this date.

The following is a list of and related provisions regarding stocks, bonds, notes, railroad equipment trust certificates, and other interest-bearing obligations which, in the opinion of the Division of Banks (Division), are now legal investments under the provisions of Massachusetts General Laws chapter 167, sections 15A-15K, inclusive.

As used throughout this document and in G.L. c. 167, sections 15A-15K, inclusive, the terms “legal list” and “legal investments” shall mean the list of securities approved for investment by the Commissioner of Banks (Commissioner).

An entity issuing stocks, bonds, notes, or other interest-bearing obligations shall apply directly to the Commissioner and identify itself as being eligible for possible inclusion on the List under sections 15E to 15K of G.L. c. 167, provided, however, that investments governed by said section 15B must follow the process for inclusion on the List set out in that statute.

Approval of any security by the Commissioner for addition to or inclusion in the List should not in any way be construed as a recommendation by the Division for investment. Each investor has the responsibility of evaluating the merits of a particular investment for the individual institution as well as determining whether that investment meets the investor's financial objectives.
