

2026 Hardwick-Quabbin Park Deer Hunt Permits Drawn

The Quabbin Deer Hunt is an annual event conducted on Quabbin Reservoir watershed lands, implemented as part of the management program to maintain a balance between deer herd densities and forest regeneration.

Hunters can apply individually or in groups up to four hunters on an application for the Hardwick and Quabbin Park hunt. A total of 211 applications were received from 518 hunters. The number of permits for Hardwick and Quabbin Park is capped so a special lottery was conducted to select hunters.

Winning numbers for the 2026 Hardwick and Quabbin Park Controlled Deer Hunts were drawn in an event open to the public on Wednesday, September 16, 2026, at the Les and Terry Campbell Quabbin Visitor Center in Belchertown.

The selection process issued permits based upon the last two digits of all Customer ID numbers listed on the application. If a Customer ID number was selected, all hunters on the application received permits for that segment. Once selected, hunters were then removed from the pool of applicants. A complete list of Customer ID numbers for selected individuals are available below.

All successful applicants will receive their hunting Access Permits from DCR via mail before the scouting on Saturday, November 21 and Sunday, November 22. Please note that because Quabbin Park is open to the public, scouting is permitted anytime during regular hours.

For further information, please contact the Quabbin Visitor Center at (413) 323-7221.
