

2026 Prescott/Petersham Deer Hunt Permits Drawn

The Quabbin Deer Hunt is an annual event conducted on Quabbin Reservoir watershed lands, implemented as part of the management program to maintain a balance between deer herd densities and forest regeneration.

Hunters can apply individually or in a group up to four hunters on an application for the Prescott/Petersham Hunts. A total of 313 applications were received for a total of 811 hunters. The number of permits is capped for each hunt zone, so a special lottery was conducted selecting hunters and placed hunters into their preferred hunt zones.

Winning numbers for the 2026 Prescott/Petersham Controlled Deer Hunts were drawn in an event open to the public on Wednesday, September 16, 2026, at the Les and Terry Campbell Quabbin Visitor Center in Belchertown.

The selection process issued permits based upon the last two digits of all Customer ID numbers listed on the application. If a Customer ID number was selected, all hunters on the application received permits for that segment. Once selected, hunters were then removed from the pool of applicants. A complete list of Customer ID numbers for selected individuals are available below.

All successful applicants will receive their hunting Access Permits from DCR via mail before the scouting on Saturday, November 21 and Sunday, November 22.

For further information, please contact the Quabbin Visitor Center at (413) 323-7221.
