- (4) Computation of Time. Computation of any period of time referred to in 207 CMR 1.00 shall begin with the first day following that on which the act which initiates such period of time occurs. The last day of the period so computed is to be included unless it is a day on which the office of the Department is closed, in which event the period shall run until the end of the next following business day. When such period of time, with the intervening Saturdays, Sundays, and legal holidays counted, is five days or less, the said Saturdays, Sundays, and legal holidays shall be excluded from the computation; otherwise, such days shall be included in the computation.
- (5) Extensions of Time. In the discretion of the Commissioner or the Presiding Officer, for good cause shown, any time limit prescribed or allowed by 207 CMR 1.00 may be extended. - (c) Filing. Except as may be otherwise required by the rules or regulations of the Department, or ordered or requested by the Department, all pleading, documents, or papers relating to matters requiring action by the Department shall be filed with the Secretary of the Department *via* personal delivery, first-class mail, or Electronic Medium.
- (9) Ex Parte Communications in Adjudicatory Proceedings.
- (a) From the initial filing in an adjudicatory proceeding until the rendering of a final decision, the Presiding Officer, may not communicate with a party or interested person about any substantive issue of fact, law, or policy except upon reasonable notice and opportunity for all parties to participate.
- (b) Communications not prohibited by 207 CMR 1.02(9)(a) include:
1. Communications concerning scheduling, administrative, and other procedural matters.
 2. Communications between a party and assigned settlement intervention staff for the purpose of producing a settlement, or communications between a party and staff assigned to conduct alternative dispute resolution or mediation proceedings.
- (c) If a person makes or attempts to make an *ex parte* communication prohibited by 207 CMR 1.02(9)(a), the Presiding Officer shall advise the person that the communication is prohibited and shall immediately terminate the prohibited communication.
- (d) If the Presiding Officer violates the *ex parte* rule, he or she shall, no later than two business days after determining that the communication was prohibited, serve on each party and place in the docket file the following:
1. A written statement including the substance and circumstances surrounding the communication; the identity of each person who participated in the communication; the time, date, and duration of the communication; and whether, in his or her opinion, the receipt of the *ex parte* communication disqualifies him or her from further participation in the adjudicatory proceeding; and
 2. Any written or electronic documentation of the communication.
- The above documents to be placed in the docket file shall not be made a part of the evidentiary record.

1.02: continued

(e) The Department may, upon the motion of any party or on its own motion, accept or require the submission of additional evidence of the substance of a communication prohibited by 207 CMR 1.02(9)(a).

(f) Upon receipt of a communication made or caused to be made by a party in violation of 207 CMR 1.02(9)(a), the Department may, to the extent consistent with the interests of justice, require the party to show cause why his or her claim or interest in the adjudicatory proceeding should not be dismissed, denied, disregarded, or otherwise adversely affected on account of such violation.

(g) Where a party has violated 207 CMR 1.02(9)(a), the Department or Presiding Officer may take such action as is deemed appropriate within the circumstances.

1.03: Appearances; Intervention and Participation: Parties

(1) Intervention.

(a) Any person who desires to participate in a proceeding shall file a written petition for leave to intervene or to participate in the proceeding.

(b) Form and Contents of Petition. The petition shall state the name and address of the petitioner. It shall describe the manner in which the petitioner is substantially and specifically affected by the proceeding. It shall state the contention of the petitioner, the relief sought and the statutory or other authority therefor, and the nature of the evidence the petitioner will present if the petition is granted.

(c) Filing and Service of Petition. Unless otherwise provided in the notice of hearing, the petition must be filed at least seven days prior to the date for hearing. No petition may be filed or will be acted upon during a hearing unless permitted by the Commissioner or the Presiding Officer after opportunity for all parties to object thereto. The petition must be served as required under 207 CMR 1.05(1).

(d) Answers to Petitions. A party may file an answer to a petition within five days after the petition is filed.

(e) Action on Petitions. The Commissioner or the Presiding Officer shall rule on all such petitions and may grant a person leave to intervene as a party in the whole or any portion of a proceeding or may allow a person who is not a party to make limited appearance by making an oral or written statement of his or her position on the issue, or by such other participation as the Commissioner or the Presiding Officer may determine. Such grant may be conditioned on such terms as the Commissioner or Presiding Officer may direct. No grant of such leave to intervene or participate shall be deemed to constitute an expression by the Department that the person allowed to participate is a party in interest, who may be aggrieved by any final decision, order, or ruling, unless the grant explicitly so states.

(2) Parties. As used in 207 CMR 1.00, Party means;

(a) the specifically named persons whose legal rights, duties, or privileges are being determined in an adjudicatory proceeding before the Department;

(b) any other person who as a matter of constitutional right or by any provision of the Massachusetts General Laws is entitled to participate fully in such proceeding and who enters an appearance;

(c) any other person allowed by the Department to intervene as a party.

1.04: Pleadings

(1) Initial Pleading.

(a) Definition. An initial pleading, as used in 207 CMR 1.04, shall refer to any paper or document by which an adjudicatory proceeding may be commenced. Such papers or documents shall include but not be limited to applications, petitions, complaints, and protests.

(b) Content. Every initial pleading shall be on the form provided by the Department, and if no form is provided, the pleading, as far as possible, shall contain the following:

1. A title which indicates either the nature of the proceedings or the parties involved therein.
2. The complete name and address of the party filing the pleading.
3. If the party filing the pleading is represented by counsel, the name and address of the attorney.

1.04: continued

4. The name and address of all other petitioners.
5. A clear and concise statement of the facts upon which the pleading is maintained.
6. In the case of appellate proceedings, a clear and concise statement of the appellant's objections to the decision or action from which the appeal was taken.
7. A reference to the statute under which relief is sought.
8. A prayer setting forth the relief sought.
9. As part of the initial petition pursuant to M.G.L. c. 159, §§ 19 and 20, the company shall file a copy of the proposed notice as set forth in 207 CMR 12.06: *Notice of General Rate Increases to Customers*.

(c) Application for Permission to Establish Rates on less than Statutory Notice. Application for permission to establish rates on less than statutory notice shall have attached thereto, as an exhibit, a copy of the proposed tariff or rate schedule. When the tariff is to meet the existing rate of a competing common carrier, the petition shall state the name, address, and the particular rate or rates of the competing carrier to be met and shall be signed, under oath, by the carrier filing the application. A contract carrier shall not be deemed a competing carrier in the consideration of such applications.

(d) Protest of a Tariff. Petitions addressed to the Department complaining of and seeking suspension on a tariff or objecting to a contract carrier contract shall be filed with the Department at least ten days before the effective date of such tariff or contract and one copy of such petition shall simultaneously be served by the protestants upon the publishing company, freight forwarder, or agent and, in case of contracts, on the contracting parties. In default of such filing and service no such application for suspension of rates or objection to contract shall be entertained. The particular tariff or contract protested shall be identified by its proper number or contract identification and attention directed to the items specifically objected to, together with the grounds in support of the protest.

(2) Answer. Except where a different period is specified, an answer shall be filed within 14 days after service of the document to which the answer is directed.

(3) Amendments to Pleadings. Leave to file amendments to any pleading will be allowed or denied as a matter of discretion. If amendment is made to an initial pleading, an answer to said amended pleading, if permitted, shall be filed within such time as may be directed by the Commissioner or the Presiding Officer.

(4) Withdrawal of Pleadings.

(a) Prior to Commencement of Hearing. A party may withdraw an initial pleading filed with the Department at any time prior to the commencement of a hearing on such pleading. A notice of withdrawal of pleadings shall be served on the Department and each party in accordance with 207 CMR 1.05(1)

(b) After Commencement of Hearing. A party desiring to withdraw an initial pleading after the commencement of hearing on such pleading shall file a motion for withdrawal, in accordance with 207 CMR 1.04(5). If any person has an objection thereto, he or she shall within ten days after receipt of said motion, file a statement with the Department setting forth the reasons for his or her objection and serve a copy of same, in accordance with 207 CMR 1.05(1), on each person entitled thereto. Such an objecting person shall, if a party, have a hearing on the motion to withdraw if, at the time of filing, he or she so requests. In the absence of objections or a request for hearing, within 30 days after the filing thereof, the motion of withdrawal shall be deemed allowed, unless otherwise ordered.

(5) Motions.

(a) General. An application to the Department to take any action or to enter any order after initial pleading or after commencement of an investigation by the Department shall be by motion which, unless made during a hearing, shall be made in writing, shall state specifically the grounds therefor, and shall set forth the action or order sought. A copy of all motions made in writing, or reduced to writing at the request of the Commissioner or Presiding Officer, shall be served upon all persons entitled thereto in accordance with 207 CMR 1.05(1).

1.04: continued

(b) Delay of Adjudicatory Proceeding. Except as otherwise directed by the Presiding Officer or the Commissioner, the filing of a motion, either prior to or during any adjudicatory proceeding, and any action thereon shall not delay the conduct of such proceeding.

(c) Motion Prior to Hearing. A motion shall be in writing and may be filed prior to hearing by any party or by a person whose petition filed pursuant to 207 CMR 1.03(1) is pending. Any party may file a written answer to such motion within five days of such filing.

(d) Motions During Hearing. With the exception of motions to withdraw pleadings filed pursuant to 207 CMR 1.04(4) and petitions filed pursuant to 207 CMR 1.03(1), upon the making of a motion in the course of a hearing, replies thereto and argument thereon shall be permitted within the time and in the manner directed by the Presiding Officer.

(e) Motion for Protection from Public Disclosure. Documents in the possession of the Department are presumed to be public records. To overcome this presumption and protect information from public disclosure, a party must file with the Department a written motion for a protective order. If no such motion is made at the time the record is filed with the Department, the Department may make the information available to the public without further notice.

The party moving for a protective order shall substantiate its motion, which shall be treated as a public record, with the following information:

1. the time period for which confidential treatment is desired;
2. the reason the record was provided to the Department, and the date of submittal;
3. a precise description of the information to be protected;
4. the reasons for the claim of confidentiality, including proof that an exemption to public disclosure applies;
5. a description of the harm of public disclosure;
6. the extent to which the record or its contents has been disclosed to other persons or to federal, state, and local agencies, including the status of any requests for confidentiality; and
7. a certification to the best of the moving party's knowledge, information, and belief, that the information is not customarily available in the public domain.

In conjunction with a motion for protection from public disclosure, one unredacted copy of the materials for which protection is sought must be filed directly with the Presiding Officer. The unredacted copy should be clearly marked with the words "CONFIDENTIAL" on each page of the materials. A redacted copy of the materials, marked "REDACTED", must also be filed for the public docket.

1.05: Service

(1) Service.

(a) General Rule. Service of all documents or other papers relating to any proceeding, including complaints, orders, decisions, pleadings, motions, processes, notices, briefs, claims of appeal, and exhibits, shall be by personal delivery, by first-class mail, or by Electronic Medium.

(b) On Whom Served. All such documents or other papers shall be served by the person filing the same on every person who has theretofore entered an appearance in the proceeding. If a person appears after the document or other paper has been filed, a copy of all filings previously made shall be furnished to such person, if he or she so requests. Proof of service shall accompany all filings when made. If service in accordance with 207 CMR 1.05(1) is deemed by any person to be too burdensome, application may be made to the Department or to the Presiding Officer for relief.

(c) Service by the Department. A copy of any document or other paper served by the Department, showing the addressees to whom the document or other paper was delivered, shall be placed in the Department's files and shall be prima facie evidence of service and the date thereof.

1.06: Hearings

(1) Grant of Hearing. Public hearing will be granted whenever required by statute, and otherwise as the Department may determine in specific cases.

1.06: continued

- (2) Calendar. The Secretary of the Department shall maintain a docket and a hearing calendar of all proceedings set for hearing. So far as practicable, hearings shall be heard in the order in which they have been listed on the Department's docket.
- (3) Place. All hearings shall be held at the offices of the Department, unless by statute or determination of the Department a different place is designated.
- (4) Hearing List. When more than one hearing is scheduled for the same time and place, uncontested matters shall be heard before contested matters.
- (5) Notice.
- (a) Persons Notified. Except where the Department has issued an order of notice pursuant to 207 CMR 1.06(5)(d), the Department shall give written notice of a scheduled hearing in any pending matter to all parties, to persons required by statute to be notified, to others who have made written request for notice of hearing in a particular matter and to such other persons as deemed necessary or appropriate by the Department. In addition, the Department may give notice by newspaper publication or by such other means as it may deem advisable.
- (b) Contents of Notice. Such notice shall include, but need not be limited to, the time, date, place, and nature of the hearing. Notice of hearings relating to the issuance or amendment of certificates, permits, or licenses shall include the name of the municipality in which the applicant maintains his or her principal place of business, a brief description of the type of commodity involved (if applicable) and of the area of authority sought and the name and address of applicant's attorney, if his or her appearance has been filed.
- (c) Length of Notice. Unless otherwise provided by statute, or unless the Department finds that a shorter period of notice is reasonable and consistent with the public interest, notice of a hearing shall be given at least 14 days prior thereto.
- (d) Order of Notice. The Department may require any person filing an initial pleading to give notice of the hearing on such pleading by publication or other means or both, in which case such person shall receive an order of notice from the Department which shall be returned, with proof of compliance with said order, not later than the commencement of hearing on the petition.
- (e) Continuances. For good cause shown, the Department or the Presiding Officer may grant a continuance. All requests for continuances shall be made by a motion in accordance with 207 CMR 1.04(5).
- (f) Address. Unless notice to the contrary has been received by the Department, notices of hearing shall be sufficient if mailed or delivered to the following:
1. If the addressee is a holder of a certificate, permit, or license, the address shown on the last application for the issuance or amendment thereof.
 2. If the addressee has a tariff on file, to the address shown on any tariff in effect at the time of notice.
- (g) Notice of Public Hearings on Cable Licensing and Transfers. The foregoing notice requirements notwithstanding, any public hearing held pursuant to 207 CMR 3.00 or 207 CMR 4.00 shall require prior public notice identifying the time, place, and purpose of the hearing. The notice shall be published in a newspaper of general circulation in the affected city or town once in each of two successive weeks, the first publication being not less than fourteen days before the day of any such hearing, or shall be published by such other means as the Department may deem advisable. If there is no newspaper in the city or town, the notice shall be posted in a conspicuous place in the city or town hall not less than fourteen days before the day of such hearing. The notice shall also state that any applications, reports, statements, and amendments to be considered at the hearing that constitute public records under state law are available for public inspection during regular business hours and for reproduction at a reasonable fee. Evidence of such notice shall be incorporated in the record of any hearing. The issuing authority shall provide prior public notice for all public hearings held pursuant to 207 CMR 3.00 and 207 CMR 4.00.

1.06: continued

(6) Conduct of Hearings.

(a) Presiding Officer. The hearing shall be conducted by a Presiding Officer who shall be the Commissioner or an employee designated by the Commissioner. The Presiding Officer shall administer oaths and affirmations, issue subpoenas, and make all decisions regarding the admission or exclusion of evidence or any other procedural matters which may arise in the course of the hearing.

(b) Procedural Conference.

1. The Presiding Officer may direct the parties to attend a preliminary conference to discuss procedural matters relating to the proceeding at any time before the commencement of the evidentiary hearing. The preliminary conference may be a public hearing on the record if requested by a party or ordered by the Presiding Officer.

To the extent that it is deemed necessary and practicable, the Presiding Officer shall establish a detailed schedule for the proceeding, including, but not limited to, the dates for the filing of information requests and responses, objections to discovery questions and responses to those objections, evidentiary hearings, and filing testimony, stipulations, settlement proposals, and briefs. The Presiding Officer shall also address any other procedural matters that will aid in the orderly disposition of the case.

2. The Presiding Officer shall, through written memorandum to the parties or announcement on the record, announce any action taken at the procedural conference. Any schedule established by the Presiding Officer shall be binding on the parties unless later modified by the Presiding Officer after notice to all parties.

(c) Discovery.

1. Purpose. The purpose for discovery is to facilitate the hearing process by permitting the parties and the Department to gain access to all relevant information in an efficient and timely manner. Discovery is intended to reduce hearing time, narrow the scope of issues, protect the rights of the parties, and ensure that a complete and accurate record is compiled.

2. Rules Governing Discovery. Because the Department's investigations involve matters with a wide range of issues, levels of complexity, and statutory deadlines, the Presiding Officer shall establish discovery procedures in each case which take into account the legitimate rights of the parties in the context of the case at issue. In establishing discovery procedures, the Presiding Officer must exercise his or her discretion to balance the interests of the parties and ensure that the information necessary to complete the record is produced without unproductive delays. In exercising this discretion, the Presiding Officer shall be guided by the principles and procedures underlying Rules 26 through 37 of the Massachusetts Rules of Civil Procedure. These Rules, however, shall be instructive, rather than controlling.

3. Discovery Schedules. Discovery requests may be made at any time after the commencement of an investigation, and parties are encouraged to comply voluntarily with any such requests for information before the formal hearing process begins. Where appropriate, the Presiding Officer shall establish a formal schedule, either at the procedural conference or at some time before the commencement of evidentiary hearings. The schedule may be expedited for good cause shown.

4. Motions to Compel Discovery. A party may move for an Order to compel compliance with its discovery request. Unless otherwise permitted by the Presiding Officer for good cause shown, such motion shall be made no later than seven days after the passing of the deadline for responding to the request. If the Presiding Officer finds that a party has failed to comply in a reasonable manner with a legitimate discovery request without good cause, he or she may, after issuance of an Order compelling discovery, order whatever sanctions are deemed to be appropriate, including, but not limited to, those listed in Rule 37 of the Massachusetts Rules of Civil Procedure. A party's failure to file a motion to compel discovery in a timely manner, absent a showing of good cause, may result in a waiver of its right to compel the response.

5. Amending Responses. A party is under a continuing duty to amend seasonably an early response if it obtains information that the response was incorrect or incomplete when made, or that the response, though correct when made, is no longer true or complete.

1.06: continued

6. Depositions.

a. Depositions may be taken if agreed to by all parties or by Order of the Presiding Officer in the event of a dispute following a motion by the requesting party. The Presiding Officer may, in his or her discretion, impose reasonable conditions on the deposition process, including, but not limited to, placing restrictions on the scope of the depositions or on the use of the depositions in the proceeding. All depositions shall be transcribed at the expense of the deposing party or parties.

b. All motions for deposition should include the name and title of the person to be deposed, the issues which will be the subject of the deposition, and a statement of the manner in which the deposition will expedite the hearing process. The party to be deposed and parties in the proceeding shall be served with the motion for deposition and may file objections to or comments on the motion within seven days after service. The Presiding Officer shall grant a motion for deposition if it is determined that the taking of a deposition will be more efficient than other available discovery methods, and will not unduly burden the affected parties.

7. Entry upon Land for Inspection and Other Purposes.

a. Scope. Any party may serve on any entity subject to the Department's jurisdiction a request to permit entry upon or within designated land, buildings, or other property in the possession or control of such entity (or upon land and property wherever situated, belonging to some other entity in which any entity subject to the Department's jurisdiction owns an interest) upon whom the request is served for the purpose of inspection, observation, measurement, surveying, photographing, testing or sampling the property or any designated room, object, machine, storage facility, practice, or operation therein or thereon.

b. Procedure. The request may be served without leave of the Presiding Officer but shall be filed with the Department. The request shall describe the property to be inspected and shall specify a reasonable time at which to make the inspection and perform the related acts. Such request shall be served no later than ten days before the date of the proposed inspection. If the entity served objects to such inspection it shall file a written objection with the Presiding Officer stating therein its basis for objecting, within five days of the service of the request. Upon notice of such objection, the Presiding Officer shall at his or her first opportunity convene a hearing and shall order such inspection to proceed absent a showing of good cause by the entity.

(d) Rulings.

1. Presiding Officer. The Presiding Officer shall make all rulings during the course of the hearings when requested to do so by a party. The Presiding Officer may require, at his or her discretion, written memoranda on any issue or permit oral argument. The Presiding Officer may rule at the time of the request or take any matter under advisement. The Presiding Officer shall make all rulings promptly after submission, generally no later than the next hearing date.

2. Effect of Rulings and Decision by Presiding Officer. Rulings and decisions of the Presiding Officer shall remain in full force and effect unless and until set aside or modified by the Commissioner. Any ruling or other decision of the Presiding Officer who is not the Commissioner may be appealed to the Commissioner.

3. Appeals to the Commissioner. If a party wishes to appeal a ruling or decision of an employee designated as the Presiding Officer, the party should immediately notify the Presiding Officer, on the record if possible. The Presiding Officer shall prescribe a reasonable time period for the submittal of the appeal and any response to be filed by other parties. The appeal must be filed in writing with supporting documentation, and served on all parties to the proceeding.

4. Offers of Proof. Any offer of proof made in connection with an objection taken to a ruling of the Presiding Officer rejecting or excluding proffered oral testimony shall consist of a statement of the substance of the evidence which the party contends would be adduced by such testimony; and if the excluded evidence is in documentary or written form, or refers to documents or records, a copy of such evidence shall be marked for identification and shall constitute an offer of proof.

1.06: continued

(e) Motions to Dismiss and for Summary Judgment. A party may move at any time after the submission of an initial filing for dismissal or summary judgment as to all issues or any issue in the case. The motion shall be filed in writing and served on all parties. A motion for summary judgment shall set forth in detail such supporting facts as would be admissible in evidence. The Presiding Officer shall afford other parties a reasonable time to respond in writing, and may, in his or her discretion, permit oral argument on the motion.

(f) Order of Presentation. In any hearing held upon the Department's own motion or upon petition, the person being investigated or the petitioner, as the case may be, shall open and close. In hearings on complaints, the complainant shall open and close. Where there is more than one person being investigated or more than one petitioner or complainant or where a hearing is being held on the Department's own motion and on complaint or petition, the order of presentation shall be in the discretion of the Presiding Officer. After all the evidence and testimony of the person opening has been received, the evidence and testimony of all other parties or others who have been allowed to participate in the hearing shall be received in the order determined by the Presiding Officer. All witnesses shall be subject to cross-examination by the Commissioner, the Presiding Officer, counsel for the Department, counsel for other parties, and counsel for any other person as permitted by the Presiding Officer. A reasonable amount of time for the preparation of cross-examination may be afforded.

(g) Conduct of Persons Present. All parties, counsel, witnesses, and other persons present at a hearing shall conduct themselves in a manner consistent with the standards of decorum commonly observed in the courts of this Commonwealth. Where such decorum is not observed, the Presiding Officer may take such action as he or she deems appropriate.

(h) Additional Evidence. At any stage of the hearing the Presiding Officer may call for further evidence upon any issue, and require such evidence to be presented by the party or parties concerned or by the staff counsel, either at that hearing or adjournments thereof. At the hearing, the Presiding Officer may authorize any party to file specific documentary evidence as a part of the record within a specified time.

(7) Transcripts.

(a) At the request of any party, made in writing at least seven days before the hearing date, or of its own accord, the Department shall provide that all proceedings in a pending case be officially recorded by a reporter appointed for that purpose. The Department shall require any party requesting a copy of the transcript to pay the reasonable cost of preparing said copy before the Department makes said copy available to the party.

(b) Corrections in the official transcript may be made only to make in conform to the evidence presented at the hearing. Transcript corrections agreed to by opposing attorneys may be incorporated into the record, if and when approved by the Presiding Officer, at any time during the hearing, or after the close of evidence, but not more than ten days from the date of receipt of the transcript. The Presiding Officer may call for the submission of proposed corrections and may make dispositions thereof at appropriate times during the course of the proceedings.

1.07: Recessing Hearing for Conference

(1) Recessing Hearing for Conference. In any proceeding the Presiding Officer may in his or her discretion call all parties together for a conference prior to the taking of testimony, or may recess the hearing for such conference. The Presiding Officer shall state on the record the results of such conference.

1.08: Consolidation

(1) Consolidation. The Department upon its own motion, or upon motion by a party or other person joined in the proceeding, may order proceedings involving a common question of law or fact to be consolidated for hearing on any or all of the matters in issue in such proceedings.

1.09: Evidence; Subpoenas

- (1) Evidence. The Department shall follow the rules of evidence observed by courts of the United States or of the Commonwealth of Massachusetts when practicable and shall observe the rules of privilege recognized by law, except as otherwise provided by any other law. There shall be excluded such evidence as is unduly repetitious or cumulative or such evidence as is not of the kind on which reasonable persons are accustomed to rely in the conduct of serious affairs. All unsworn statements appearing in the record shall not be considered as evidence on which a decision may be based.
- (2) Official Notice. Official notice may be taken of such matters as might be judicially noticed by the courts of the United States or of the Commonwealth of Massachusetts and in addition, the Department may take notice of general, technical, or scientific facts within its specialized knowledge; provided, that the Presiding Officer shall notify all parties of the material so noticed, and provided further, that any party on timely request be afforded an opportunity to contest the matters so noticed.
- (3) Documentary Evidence; Incorporation by Reference.
