

## Petition to Ban Smoking in Multi living Housing Units in The State of Massachusetts

Petition summary and background	This proposed law would ban smoking in multi living housing units in the State of Massachusetts. The effects of second hand smoke have been shown to cause detrimental effects on health. The category of smoking includes cigarettes, cigars, or pipes, electronic and/or battery operated cigarette or vaporize devices and cannabis/marijuana.
Action petitioned for	We, the undersigned, are concerned citizens who urge our leaders to act now to ban smoking in multi living housing units.
