

INITIATIVE PETITION FOR A LAW RELATIVE TO OUR NATION'S HISTORY

Be it enacted by the People, and by their authority:

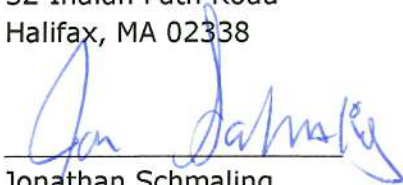

Chapter 71 of the General Laws is hereby amended by adding the following Section 69B.

No teacher shall present our country's history to his or her elementary school or high school students with the specific intent of making any such students feel personally responsible, at fault or liable, either individually or as a member of a racial or ethnic group, for the actions or omissions of others.

We have personally reviewed the above final text of this Initiative Petition, fully subscribe to its contents, and agree to be one of the original signers of the petition.
