**NOTICE OF MARCH 4TH PUBLIC INFORMATION MEETING ON  
RESTORATION OF RIVER HERRING TO GREAT POND IN BRAINTREE , MA**

---

The Massachusetts Division of Marine Fisheries is holding a public meeting on March 4th to discuss the findings of a study which evaluated the feasibility of restoring river herring to the Fore River Watershed, and specifically into Great Pond in Braintree, MA. Copies of the study are available for public viewing at the following locations: Thayer Public Library (Braintree), Turner Free Library (Randolph), and Holbrook Public Library. Electronic copies of the report are available at the following weblink:

<http://www.mass.gov/marinefisheries/publications/informational.htm>.

The meeting will begin at 7:00 pm and will be held in the Auditorium of the Braintree Town Hall (1 John F. Kennedy Memorial Drive). Questions regarding the meeting should be directed to Kristen Ferry at 978-282-0308 x119.
