

AT&T Communications of New England, Inc.'s  
First Set Of Information Requests To Competitive Local Exchange Carriers  
Massachusetts DTE 03-60  
Allegiance Telecom Response, Jan. 22, 2004

ATT-CLEC-1 Please confirm whether the CLEC is a competitive local exchange carrier ("CLEC") providing telecommunications service in Massachusetts, and state whether the CLEC is an affiliate of such a CLEC or of an incumbent local exchange carrier ("ILEC") within Massachusetts. If the is an affiliate of another CLEC or an ILEC, please identify the affiliate and describe the affiliation. For purposes of these Requests, "affiliate" shall be as defined in the Communications Act of 1934. Section 3 of the Act defines the term "affiliate" as "a person that (directly or indirectly) owns or controls, is owned or controlled by, or is under common ownership or control with, another person. For the purposes of this paragraph, the term 'own' means to own an equity interest (or the equivalent thereof) of more than 10 percent." 47 U.S.C. § 153(1)

ANSWER: Allegiance Telecom of Massachusetts, Inc. is a competitive local exchange carrier providing telecommunications service in Massachusetts. Allegiance Telecom is not an affiliate of an incumbent local exchange carrier within Massachusetts

AT&T Communications of New England, Inc.'s  
First Set Of Information Requests To Competitive Local Exchange Carriers  
Massachusetts DTE 03-60  
Allegiance Telecom Response, Jan. 22, 2004

ATT-CLEC-2 Please state whether the CLEC currently uses non-ILEC switches to provide local exchange service to Massachusetts's customers via analog voice-grade loops. (For purposes of this question, please do not include any DS-0 or voice grade switched circuits that are part of a T1 circuit or a DS-1 or above circuit.) If so, for each such switch please provide the following information:

**PROPRIETARY AND CONFIDENTIAL – NOT FOR RELEASE**

- a. The switch type, including manufacturer and model;

ANSWER: **PROPRIETARY AND CONFIDENTIAL – NOT FOR RELEASE**

- b. The 8-digit common language location identifier ("CLLI") code as it appears in the Local Exchange Routing Guide ("LERG");

ANSWER: **PROPRIETARY AND CONFIDENTIAL – NOT FOR RELEASE**

- c. The switch location by street address, city or town, and state if other than Massachusetts;

ANSWER: **PROPRIETARY AND CONFIDENTIAL – NOT FOR RELEASE**

- d. A list of all NPA/NXX codes or 1000s blocks of numbers served with the switch;

ANSWER

NPA	NXX
-----	-----

**PROPRIETARY AND CONFIDENTIAL – NOT FOR RELEASE**

- e. Currently equipped and currently utilized line-side capacity, by number of DS0 and DS1 circuits;

ANSWER:

**PROPRIETARY AND CONFIDENTIAL – NOT FOR RELEASE**

AT&T Communications of New England, Inc.'s  
First Set Of Information Requests To Competitive Local Exchange Carriers  
Massachusetts DTE 03-60  
Allegiance Telecom Response, Jan. 22, 2004

- f. The number of customers being served by the switch who receive<sup>1</sup>:
- i. Only voice service;

ANSWER: **PROPRIETARY AND CONFIDENTIAL – NOT FOR RELEASE**

- ii. Only data service; and

ANSWER: **PROPRIETARY AND CONFIDENTIAL – NOT FOR RELEASE**

Voice and data service; and

ANSWER: **PROPRIETARY AND CONFIDENTIAL – NOT FOR RELEASE**

- g. A list of all Verizon-Massachusetts (“Verizon”) central offices (“COs”) in which the CLEC has a collocation arrangement which subtends to the switch.

ANSWER: See Table to question 2g (below).

**Table to question 2g.**

First Set Of Information Requests To Competitive Local Exchange Carriers  
Massachusetts DTE 03-60  
Allegiance Telecom Response, Jan. 22, 2004

ATT-CLEC-3 Please provide the following general information regarding any local exchange service that the CLEC is currently offer to customers in Massachusetts using voice-grade loops served by a non-ILEC switch (i.e., excluding service offered via UNE-P or via T1 circuits or DS1 or above circuits).

- a. Does the CLEC currently provide local exchange service to *residential* customers in Massachusetts using voice-grade loops served by a non-ILEC switch? Are you currently advertising or marketing this service, and if so how?

**PROPRIETARY AND CONFIDENTIAL – NOT FOR RELEASE**

**ANSWER: PROPRIETARY AND CONFIDENTIAL – NOT FOR RELEASE**

- b. Do you currently provide local exchange service to *business* customers in Massachusetts using voice-grade loops served by a non-ILEC switch? Are you currently advertising or marketing this service, and if so how?

**ANSWER: PROPRIETARY AND CONFIDENTIAL – NOT FOR RELEASE**

- c. If the CLEC has offerings of local exchange service using voice-grade loops served by a non-ILEC switch that are targeted to specific customer segments within Massachusetts (*e.g.*, a residential offering, a small business offering, an offering available in only a portion of the state, etc.), please provide a list and description of these offerings, including a description of the service offered and a full explanation of the customer segment to which it is offered or provided. Please also indicate which, if any, of these offerings are provisioned on a UNE-L basis, and where.

**ANSWER: PROPRIETARY AND CONFIDENTIAL – NOT FOR RELEASE**

**ANSWER: PROPRIETARY AND CONFIDENTIAL – NOT FOR RELEASE**

- d. Business customer locations with 9 to 16 lines; and

**ANSWER: PROPRIETARY AND CONFIDENTIAL – NOT FOR RELEASE**

- e. Business customer locations with 17 to 24 lines.

**ANSWER:**

**PROPRIETARY AND CONFIDENTIAL – NOT FOR RELEASE**

AT&T Communications of New England, Inc.'s  
First Set Of Information Requests To Competitive Local Exchange Carriers  
Massachusetts DTE 03-60  
Allegiance Telecom Response, Jan. 22, 2004

ATT-CLEC-6 For each Verizon CO where the CLEC serves customers on a UNE-L basis, and for each quarter since January 1, 2002, please provide the following information:

- a. The number of ILEC-to-CLEC hot cuts that the CLEC requested from Verizon, and the number of such hot cuts that Verizon performed for the CLEC;
- b. The number of CLEC-to-CLEC hot cuts that the CLEC requested from Verizon, and the number of such hot cuts that Verizon performed for the CLEC;
- c. A breakdown of performed hot cuts by the type of hot cut (e.g., individual or batch);
- d. The percentage of hot cuts that required a field dispatch; and
- e. The percentage (listed separately) of hot cuts:
  - i. That were not completed by the scheduled due date; and
  - ii. That resulted in customer-affecting line trouble.

ANSWER Allegiance does not track this information in a way that would permit it to provide a meaningful response to the request.

Massachusetts DTE 03-60  
Allegiance Telecom Response, Jan. 22, 2004

ATT-CLEC-8 Please state whether the CLEC leases **UNE-P** arrangements from Verizon to provide local exchange service in Massachusetts. If so, please provide, for the most recently available point in time (specifying what it is), and for each Verizon wire center serving area in which you offer service (if the data is available), and on a statewide basis, the number for your company of:

a. Residential customers so served;

ANSWER: Allegiance does not have any UNE-P customers in Massachusetts

b. Business customer locations so served with 1 to 4 lines;

ANSWER: Allegiance does not have any UNE-P customers in Massachusetts

c. Business customer locations so served with 5 to 9 lines;

ANSWER: Allegiance does not have any UNE-P customers in Massachusetts

d. Business customer locations so served with 10 to 16 lines; and

ANSWER: Allegiance does not have any UNE-P customers in Massachusetts

e. Business customer locations so served with 17 to 24 lines.

ANSWER: Allegiance does not have any UNE-P customers in Massachusetts

Allegiance Telecom Response, Jan. 22, 2004

ATT-CLEC-9 If the CLEC provides cable television service in Massachusetts, please state for the state as a whole and, to the extent available, for each city or town in Massachusetts:

- a. To how many customer locations does the CLEC provide local exchange service?

ANSWER: Allegiance does not provide cable television service in Massachusetts.

- b. To what percent of the CLEC's telephony customers does the CLEC provide standalone local exchange service, without also providing either broadband or cable television service? What is the typical or average price for this service?

ANSWER: Allegiance does not provide cable television service in Massachusetts.

- c. To what percent of the CLEC's telephony customers does the CLEC provide local exchange service together with broadband service, without also providing cable television service? What is the typical or average price for this combined service?

ANSWER: Allegiance does not provide cable television service in Massachusetts.

- d. To what percent of the CLEC's telephony customers does the CLEC provide local exchange service together with cable television service, without also providing broadband service? What is the typical or average price for this combined service?

ANSWER: Allegiance does not provide cable television service in Massachusetts.

- e. To what percent of the CLEC's telephony customers does the CLEC

Massachusetts DTE 03-60  
Allegiance Telecom Response, Jan. 22, 2004

ATT-CLEC-10      Please state whether the CLEC owns one or more dedicated transport circuits which provides an unswitched transmission path at a DS1 or higher level between any two Verizon central offices at which the CLEC maintains active physical collocation facilities. If the answer is yes, please provide the following information:

**PROPRIETARY AND CONFIDENTIAL – NOT FOR RELEASE**

- a.      As to each such pair of central offices, state:
  - i.      The common name, address and CLLI code for each pair of central offices;

ANSWER:      **PROPRIETARY AND CONFIDENTIAL – NOT FOR RELEASE**

The transmission level of each dedicated transport circuit terminating at both physical collocation facilities (e.g., DS1, DS3, OC3, etc.); and

ANSWER:      **PROPRIETARY AND CONFIDENTIAL – NOT FOR RELEASE**

Whether the CLEC is “operationally ready” (as the phrase is used in Triennial Review Order ¶ 406) to provide dedicated transport between those two Verizon central offices.

ANSWER:      **PROPRIETARY AND CONFIDENTIAL – NOT FOR RELEASE**

- b.      Does the CLEC purchase, lease or otherwise obtain UNE Transport, special access, or any other type of transmission capacity on the route, or any portion thereof, between any pair of COs just identified? If so, please identify the type of transmission capacity and the pair of central offices served by this capacity.

ANSWER:      Not Applicable
