~~9¹/₂" x 11¹/₂" paper.~~ The impression shall be on only one side of the paper, unless printed and bound.

(2) Filing.

~~(a) Tariffs. One original submitted on three-hole punched paper and one copy. Two copies of all tariffs or schedules and two copies of all contracts will shall be filed with the Department. One copy of all tariffs, schedules or contracts subject to the jurisdiction of the Federal Power Commission shall be filed for the information of the Department. The filing shall also attach Letters of Advice as described in 207 CMR 5.03.~~

~~(a)~~(b) Contracts. A Contract filing must also include the following information and documentation:

1. Proposed tariff language that memorializes the contract arrangement.
2. A statement in the Letter of Advice to the filing or in supporting material that states:

This Contract is in response to the specific, individual requirements of the customer and/or a competitive bidding process. This Contract differs from the Company's standard tariffed offering in that the Contract contains a customer service arrangement and/or term and/or volume commitments. Because the Contract customer is not "under like circumstances" as other customers, the Contract arrangement complies and is consistent with the statutory and regulatory requirements set forth in MA General Laws, Chapter 159, and D.P.U. 90-24 (1991).

3. A description of the service(s) provided under the Contract, and an indication of which, if any, of the services are covered under existing standard tariffs, and which aspects of the Contract are intended to customize the service to the customer's requirements. This narrative must also include a "situation analysis" of the reasons why it is necessary for the carrier to offer the Contract. The situation analysis may, but does not have to, include cost data or market factors that were considered in formulating the proposal.
4. A copy of the customer contract and all related documents.

~~(b)~~(c) The filing of a tariff, rate schedule or terms, conditions or regulations in connection therewith shall not be considered the adoption of a regulation under ~~2207~~ CMR 2.00.

(3) Contents.

- (a) Each tariff or schedule shall show prominently the name of the company, firm, association or individual responsible, together with the name of any independent agency filing the tariff or schedule and its or his address.
- (b) ~~Each Tariff and schedule~~ shall show plainly all requisite detail fully to explain the basis of all charges to be made and all rules and regulations governing the same. ~~In the case of tariffs or schedules filed by common carriers this~~ This information shall include that summarized by the Department in the Checklist for Filings and other general filing information otherwise posted on the Department's website, as well as that required by and customarily filed with the Interstate Commerce Commission, Federal Communications Commission, Federal Power Commission or the Civil Aeronautics Board, whichever is appropriate. Schedules relating to gas, electric light and water companies shall show not only the price or unit upon which based, but any and all meter rentals, service charges, basis for determining demand, discounts, and other detail necessary for a complete understanding of the charges contemplated.

(4) Numbering and Effective Date.

- (a) Tariffs and Schedules. Each tariff or schedule shall be designated by an individual number progressing from that last filed by the same party or in case of a new series, from No. 1. The number shall be preceded by the letters "M.D.P.U.D.T.C." Each shall show plainly, in a prominent place, the date issued and date to become effective. When forwarding, sufficient time must be allowed to cover transmission in order that tariffs and schedules may become effective on date specified, which, in the case of common carriers is 30 days after the filing with the Department, ~~and in the case of gas, electric light and water companies is the first day of the month next after the expiration of 14 days from the date of filing with the Department.~~
- (b) Expedited Effective Dates. A Company may request that a tariff filing go into effect on less than 30 days notice. Such a request must: (1) specify the reason the Company is requesting effectiveness of the tariff in less than 30 days; (2) specify the requested effective date; and (3) include the necessary filing fee for each request, in addition to the tariff filing fee. ~~Contracts. Each contract shall show the date of execution and the effective date which shall be not earlier than 30 days after the filing. Sufficient time must be allowed for transmittal.~~

5.03: Letters of Advice

(1) Letter.

- (a) Transmittal Letter. To avoid misunderstanding, tariffs or schedules at time of filing should be accompanied by a letter of transmittal addressed to the ~~Senior Rate Analyst of the~~ Department Secretary, showing the name of issuing party, individual tariff number, and effective date. The ~~Letter of Advice~~ Transmittal Letter may be combined with the Letter of Explanation and should be sent in duplicate, ~~and one~~ One copy shall be stamped and returned to the sender to show the date of filing.
- (b) Letter of Explanation. All tariffs and schedules at time of filing shall be accompanied by a letter of explanation, ~~which.~~ The letter shall summarize the filing, including any revisions made, and shall include the specific tariff number and the specific pages and section numbers being filed for consideration set forth in whatever detail is necessary the total amount of the increase or reduction in charges proposed by the new schedule and the effect by comparison with customers' charges under the existing rate schedule. The letter of explanation shall indicate the effect on the billings of the customers served under the various rate classifications affected. This letter of explanation shall be in addition to the letter of transmittal referred to above.

~~(2) Telephone Tariffs. In addition to the information required by 220 CMR 5.03(1), tariffs which are filed as a result of a poll of customers shall be accompanied by a copy of the information submitted to the polled customers and a tabulation of the results of the poll.~~ Contracts. All contracts filings shall be accompanied by the information specified in 207 CMR 5.02(2).

Contracts. All contracts shall be accompanied by

~~(2) a letter which shall contain the following information:~~
