The Plan Administration Trust (the “Trust”),² on behalf of the wind-down debtor in the above-captioned case³ (following the effective date of the Plan, the “Wind-Down Debtor” and, prior to the effective date of the Plan, the “Debtor” and, together with its affiliated debtors, the “Debtors”), respectfully states as follows in support of this motion (the “Motion”):⁴

Relief Requested

1. The Trust seeks entry of an order (the “Proposed Order”)⁵ (a) approving and authorizing the Trust to enter into and perform under the Stipulation and Agreed Order attached hereto as **Exhibit A** (the “Stipulation”) by and among the Trust, the Wind-Down Debtor, and the governmental entities set forth on Appendix A to the Stipulation that filed one or more proofs of claim in the chapter 11 cases arising from or related to the 2023 Cyber Security Incident (the “Signatory Governmental Claims”) except for the State of California (collectively, the “Signatory Governmental Claimants” and, together with the Trust and the Wind-Down Debtor, the “Parties”) and (b) granting related relief.

2. In support of this Motion, the Trust submits the *Declaration of Thomas B. Walper in Support of the Plan Administration Trust’s Motion for Entry of an Order (I) Authorizing and Approving the Stipulation and Agreed Order by and Among the Plan Administration Trust, the Wind-Down Debtor, and the Signatory Governmental Claimants and (II) Granting Related Relief* (the “Walper Declaration”) filed contemporaneously herewith.

Preliminary Statement⁶

3. The Stipulation seeks to consensually resolve claims asserted by the 42 Signatory Governmental Claimants against the Debtors arising from the 2023 Cyber Security Incident.⁷ These claims purport to seek billions of dollars in alleged damages, and while the Trust maintains

Governmental Claims (as defined below) without Court (as defined below) approval but are filing this Motion with the Court to provide certainty to the Parties and notice to parties-in-interest. The Trust reserves all rights under Article VI of the Plan, including the right to settle or compromise any Disputed Claim or Interest without any further notice to or action, Order, or approval by the Court.

⁵ A copy of the Proposed Order will be made available on the website of the Wind-Down Debtor’s claims and noticing agent at <https://restructuring.ra.kroll.com/23andMe>.

⁶ Capitalized terms used but not defined in this section shall have the meanings ascribed to them elsewhere in this Motion or the Plan.

⁷ The Signatory Governmental Claimants include every state that filed claims against the Debtors related to the 2023 Cyber Security Incident except California.

that penalties will be unwarranted here, litigating these claims would be a protracted and costly process. Through the Stipulation, the Trust is proposing to fully and finally resolve these claims for an immediate aggregate payment of \$18 million to the Signatory Governmental Claimants.

4. The Stipulation is the result of extensive arm's length negotiations among the Trust and the Signatory Governmental Claimants. In the Trust's business judgment, the Stipulation resolves the Signatory Governmental Claims on reasonable terms given the risks, costs, and delay associated with litigating these claims, and satisfies the Eighth Circuit's standard for approval under Bankruptcy Rule 9019.

5. For all these reasons and the reasons set forth below, the Trust respectfully requests that the Court enter the Proposed Order approving the Stipulation.

Jurisdiction

6. The United States Bankruptcy Court for the Eastern District of Missouri (the "Court") has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and rule 9.01(B) of the Local Rules of the United States District Court for the Eastern District of Missouri. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b). The Trust consents to a final order with respect to this motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

7. Venue is proper pursuant to 28 U.S.C. § § 1408 and 1409.

8. The bases for the relief requested herein are sections 105 and 363 of title 11 of the United States Code (the "Bankruptcy Code"), and rules 6004 and 9019 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules").

Background

I. The Chapter 11 Cases

9. In October 2023, the Company identified and disclosed a data breach (*i.e.*, the 2023 Cyber Security Incident) that resulted in numerous actions being filed or otherwise threatened against the Debtors as well as the initiation of various governmental investigations.

10. On March 23, 2025, the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code.

11. On April 30, 2025, the Court entered the *Order (I) Establishing Bar Dates for Filing Proofs of Claim and Approving Form and Manner of Notice Thereof, and (II) Granting Related Relief* [Docket No. 349], which established September 19, 2025 as the deadline by which a governmental unit, as defined in section 101(27) of the Bankruptcy Code, must file proofs of claim in the Chapter 11 Cases (the “Governmental Bar Date”). Prior to the Governmental Bar Date, the Signatory Governmental Claimants filed proofs of claim purporting to seek at least approximately \$100 billion in alleged damages.

12. On December 1, 2025, the Court entered an order [Docket No. 1662] confirming the Plan (the “Confirmation Order”). On December 5, 2025, the Court entered an amended version of the Confirmation Order [Docket No. 1696].

13. On December 9, 2025, the Wind-Down Debtor filed a notice [Docket No. 1709], disclosing that the effective date of the Plan occurred on December 5, 2025.

II. Negotiations with the Signatory Governmental Claimants

14. Starting in early 2026, the Trust engaged in good-faith, arms'-length negotiations with a steering committee representing the Signatory Governmental Claimants to try and resolve the Signatory Governmental Claims in a consensual and value-maximizing manner.

15. As a result of such negotiations, the Parties reached an agreement in principle on the terms of a settlement regarding the Signatory Governmental Claims and cooperated thereafter to finalize and document their agreement in the Stipulation. On July 14, 2026, the Parties executed the Stipulation.

III. The Proposed Stipulation

16. The material terms of the Stipulation are set forth below:⁸

- a. **Settlement Terms:** Subject to the conditions set forth in the Stipulation, the Parties agree as follows:
 - i. The effectiveness of the Stipulation is conditioned upon the Court entering a final order approving the Stipulation in accordance with Federal Rule of Bankruptcy Procedure 9019 (the “Approval Order”).
 - ii. The Signatory Governmental Claims shall be deemed allowed in the total amount of \$150 million (the “Allowed Signatory Governmental Claims”); *provided* that the total recovery the Signatory Governmental Claims may receive from the Wind-Down Debtor and the Trust is limited to cash payments totaling the Recovery Amount (as defined below).
 - iii. Within ten business days following the Court’s entry of the Approval Order, the Trust shall pay to each Signatory Governmental Claimant its allotted amount of \$18 million (the “Recovery Amount”) as detailed in Appendix A attached to the Stipulation, and in accordance with Appendix B attached to the Stipulation, in a manner and method provided by each Signatory Governmental Claimant, in full and complete satisfaction of the Signatory Governmental Claims;
 - iv. The amount of the Allowed Signatory Governmental Claims (a) will not have any evidentiary or precedential effect for any purpose in the chapter 11 cases or in any other bankruptcy case to which the Signatory Governmental Claimants may be a party; (b) may not be used (1) by any party other than the Signatory Governmental Claimants for any reason as a basis to assert any claim, cause of action, theory of liability or damages, or (2) by any party in any other manner adverse to the Debtors, the Wind-Down Debtors, or the Trust; and (3) will be automatically reduced to \$18 million without any further action by any party or the Court if any party asserting any claim or cause of action to obtain an order or ruling from any court or judicial body relies in any manner whatsoever on the amount of the

⁸ The summary set forth herein is qualified in its entirety by the terms of the Stipulation, and the terms of the Stipulation shall control in the event of a conflict.

Allowed Signatory Governmental Claims as a basis for establishing any liability or damages against the Debtors, the Wind-Down Debtors, or the Trust; *provided* that the foregoing does not apply with respect to the Recovery Amount and any reduction pursuant to clause (3) will not affect the Recovery Amount;

- v. Following the Trust's payment in full of the Recovery Amount, the Notice and Claims Agent may update the claims register in the Wind-Down Debtor's chapter 11 case to designate such claims as "satisfied in full"; and
- vi. The Debtors and the Wind-Down Debtor shall be prohibited from engaging in (a) direct consumer sales of goods and services for five years and (b) collection of (or maintenance of) personally identifiable information for five years other than personally identifiable information that the Trust is required to retain under the Plan, the Confirmation Order, or the Plan Administration Trust Agreement to fulfill its obligations or perform its duties under those agreements.

b. Mutual Releases.

- i. Upon the Signatory Governmental Claimants' receipt of the Recovery Amount, the Signatory Governmental Claimants shall be deemed to, and agree to, release, acquit, satisfy, and forever discharge the Debtors, the Wind-Down Debtors, their estates, any successors thereto, including the Trust, and each of their former or current members, shareholders, affiliates, related entities, officers, directors, managers, employees, principals, successors, predecessors, and representatives (the "Debtor Released Parties") for any claims arising out of or related to the 2023 Cyber Security Incident, whether known or unknown, accrued or unaccrued, fixed or contingent, prepetition or postpetition, secured, unsecured or priority, which may presently exist or arise in the future. For the avoidance of doubt, the release described in the Stipulation does not release, acquit, satisfy, or forever discharge any regulatory liability that may have been or may be incurred by the Debtor Released Parties after the Effective Date of the Plan, whether presently existing or arising in the future, solely to the extent such liability does not arise from or relate to the 2023 Cyber Security Incident. For the avoidance of doubt, the release shall in no way apply to 23andMe Research Institute (f/k/a TTAM Research Institute).
- ii. Upon the Signatory Governmental Claimants' receipt of the Recovery Amount, the Debtor Released Parties shall be deemed to, and agree to, release, acquit, satisfy, and forever discharge the Signatory Governmental Claimants and each of their representatives, predecessors, and successors for any claims arising out of or related to the 2023 Cyber Security Incident, whether known or unknown, accrued or unaccrued, fixed or contingent, prepetition or postpetition, secured, unsecured or priority, which may presently exist or arise in the future.

Basis for Relief Requested

I. The Court Should Approve the Stipulation Pursuant to Bankruptcy Rule 9019

17. Bankruptcy Rule 9019 grants the Court authority to approve the settlement of claims and controversies after notice and a hearing. Specifically, Bankruptcy Rule 9019(a) provides the following:

On the [debtor's] motion and after notice and a hearing, the court may approve a compromise or settlement. Notice must be given to: all creditors; the United States trustee . . . and any other entity as the court may direct.

Fed. R. Bankr. P. 9019(a).

18. Pursuant to Bankruptcy Rule 9019(a), a bankruptcy court may, after appropriate notice and a hearing, approve a compromise or settlement so long as the proposed settlement is fair, reasonable, and in the best interest of the estate. In describing the standard for evaluating a settlement under Bankruptcy Rule 9019, the United States Court of Appeals for the Eighth Circuit has stated that a settlement need not be “the best result obtainable,” but rather, the standard for evaluation of a settlement is whether “the settlement is fair and equitable and in the best interests of the estate.” *Tri-State Fin., LLC v. Lovald*, 525 F.3d 649, 654 (8th Cir. 2008) (citing *In re Martin*, 212 B.R. 316, 319 (8th Cir. BAP 1997)) (internal quotation marks omitted). The evaluating court “need only determine that [the] settlement does not fall below the lowest point in the range of reasonableness.” *Id.*; see also *In re Martin*, 212 B.R. at 319 (“The court does not substitute its judgment for that of the trustee, but reviews the issues to see if the settlement falls below the lowest point of reasonableness.”).

19. In determining the range of reasonableness, the Court need not decide the numerous issues of law and fact raised by the settlement. See *Cosoff v. Rodman (In re W.T. Grant Co.)*, 699 F.2d 599, 608 (2d Cir. 1983) (citing *Newman v. Stein*, 464 F.2d 689, 693 (2d Cir. 1972)). In other words, the Court does not need to conduct a “mini-trial” of the underlying facts and merits; it needs

to only evaluate those facts that are necessary to allow it to assess the settlement and to make an independent judgment about the settlement. *In re Hancock-Nelson Mercantile Co., Inc.*, 95 B.R. 982, 995–96 (Bankr. D. Minn. 1989) (“However, *TMT Trailer Ferry* does not impose upon this Court the obligation to compel the full trial record, or the burden of reviewing that record—or even the duty to conduct a ‘mini-trial.’ . . . All that is necessary is . . . the production of sufficient facts which would permit a reasoned judgment that a controversy should be settled under the terms proposed.”); *see also In re Martin*, 212 B.R. at 319 (B.A.P. 8th Cir. 1997) (“[I]t is not necessary for a bankruptcy court to conclusively determine claims subject to a compromise, nor must the court have all of the information necessary to resolve the factual dispute, for by so doing, there would be no need of settlement.”); 10 Collier on Bankruptcy ¶ 9019.02 (16th 2018) (“The *TMT* rule does not require a bankruptcy judge to hold a full evidentiary hearing or even a “mini-trial” before a compromise can be approved. Otherwise, there would be no point in compromising; the parties might as well go ahead and try the case.”). Ultimately, “[a] decision to approve or disapprove a settlement under [Bankruptcy] Rule 9019 is within the discretion of the bankruptcy judge.” *In re Racing Servs., Inc.*, 332 B.R. 581, 586 (B.A.P. 8th Cir. 2005).

20. To arrive at the range of reasonableness, the evaluating court should consider the following four factors (the “TMT Factors”) set forth in *Protective Comm. for Indep. Stockholders of TMT Trailer Ferry, Inc. v. Anderson*, 390 U.S. 414, 424 (1968) to determine the reasonableness of a settlement, which were relied on by the Eighth Circuit in *Lovald*: “(A) the probability of success in the litigation; (B) the difficulties, if any to be encountered in the matter of collection; (C) the complexity of the litigation involved, a[n]d the expense, inconvenience and delay necessarily attending it; and (D) the paramount interest of the creditors and a proper deference to their reasonable views in the premises.” 525 F.3d at 654 (8th Cir. 2008) (internal quotation marks

and citations omitted); *see also In re Brodkey Bros., Inc.*, No. 13-80203 (TLS), 2013 WL 5636484 at *7 (Bankr. D. Neb. Oct. 15, 2013) (considering the same factors).

21. Further, it is well established that the Bankruptcy Code authorizes the debtor to use property of the estate outside the ordinary course of business with court approval and a valid business reason after notice and a hearing. 11 U.S.C. § 363(b)(1); *see, e.g., ASARCO, Inc. v. Elliott Mgmt. (In re ASARCO, L.L.C.)*, 650 F.3d 593, 601 (5th Cir. 2011) (“[F]or the debtor-in-possession or trustee to satisfy its fiduciary duty to the debtor, creditors and equity holders, there must be some articulated business justification for using, selling, or leasing the property outside the ordinary course of business.”) (quoting *In re Cont’l Air Lines, Inc.*, 780 F.2d 1223, 1226 (5th Cir. 1986)); *Richmond Leasing Co. v. Capital Bank, N.A.*, 762 F.2d 1303, 1308 (5th Cir. 1985) (holding that the standard to assume a lease is the business judgment standard); *see also In re MF Global Inc.*, 467 B.R. 726, 730 (Bankr. S.D.N.Y. 2012).

II. The Stipulation Satisfies the Eighth Circuit’s Four-Factor Test and Should Be Approved

22. In the Trust’s business judgment, the resolution embodied in the Stipulation is in the best interests of the Trust and its beneficiaries, and falls well within the range of reasonableness. The Parties engaged in good-faith negotiations to reach a consensual agreement that allows the Trust to avoid the cost, delay, and risk of litigating the Signatory Governmental Claims, to the detriment of the Trust and its stakeholders. Moreover, settling the Signatory Governmental Claims for an aggregate payment of \$18 million represents a fair and equitable outcome for all Parties, affords the Trust finality with respect to the Signatory Governmental Claims, and as discussed in the Walper declaration, is within the range of comparable settlements with governmental units involving similar cyber incidents, particularly after factoring in the costs

and delay in making distributions to Trust beneficiaries that would result from litigation of the Signatory Governmental Claims. *See* Walper Declaration ¶¶ 9-14.

23. The Stipulation also satisfies the *TMT* Factors. **First**, with respect to the probability of success in litigating the Signatory Governmental Claims, while the Parties are confident in their respective positions, the Signatory Governmental Claims issues are complex and there is an inherent risk of loss in any litigation. By resolving the Signatory Governmental Claims through the settlement contemplated in the Stipulation, the Trust is able to pay an aggregate amount of \$18 million, far less than the amounts contemplated in the Signatory Governmental Claimants' proofs of claim. **Second**, litigating the Signatory Governmental Claims would require the Trust to divert resources from, among other things, completing its claims reconciliation process, which would delay stakeholder recoveries in this chapter 11 case. In contrast, the Stipulation allows the Trust to resolve the Signatory Governmental Claims now without expending significant resources or incurring unnecessary delay. **Third**, even if the Trust were to litigate the Signatory Governmental Claims to a favorable conclusion, it will have expended significant resources to achieve such an outcome—which the Trust does not believe would be prudent because such costs and the length of time associated with litigating such claims to conclusion would likely outweigh the incremental benefit achieved by such favorable outcome. **Finally**, the Stipulation is in the best interest of the Trust's stakeholders. As discussed above, the compromises set forth in the Stipulation allow the Trust to resolve the Signatory Governmental Claims at a fraction of the amounts asserted in the Signatory Governmental Claims' proofs of claim, avoid unnecessary, costly litigation and resolve the Signatory Governmental Claims in a timely manner, all of which will inure to the benefit of the Trust's stakeholders.

24. For the reasons stated herein, the Trust respectfully submits that the Stipulation represents a fair and reasonable compromise under Bankruptcy Rule 9019(a) that is in the best interests of the Trust and its beneficiaries.

Waiver of Bankruptcy Rule 6004(a) and 6004(h)

25. Bankruptcy Rule 6004(h) provides that “[a]n order authorizing the use, sale, or lease of property (other than cash collateral) is stayed for 14 days after the order is entered.” Fed. R. Bankr. P. 6004(h). The Trust respectfully submits that the waiver requested herein is warranted. As discussed above, the Stipulation is necessary to preserve value for the Trust’s stakeholders and requires the Trust to pay each Signatory Governmental Claimant its allotted amount of the Recovery Amount in a manner and method provided by each Signatory Governmental Claimant within 10 days of the Court’s entry of the Proposed Order. Accordingly, to the extent any aspect of the relief sought herein constitutes a use of property under section 363(b) of the Bankruptcy Code, the Trust requests that the Court enter an order providing that notice of the relief requested herein satisfies Bankruptcy Rule 6004(a) and that the Trust has established cause to exclude such relief from the 14-day stay period under Bankruptcy Rule 6004(h).

Reservation of Rights

26. Except as expressly set forth herein, nothing contained herein or any actions taken pursuant to such relief requested is intended to be or should be construed as: (a) an admission as to the amount of, basis for, or validity of any claim against the Wind-Down Debtor or a Debtor entity under the Bankruptcy Code or other applicable law; (b) a waiver of the Trust’s, Wind-Down Debtor’s, or any other party in interest’s right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in this motion or any order granting the relief requested by this motion

or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors or the Wind-Down Debtor; (g) a waiver or limitation of the Trust's, Wind-Down Debtor's, or any other party in interest's rights under the Bankruptcy Code or any other applicable law; (h) a waiver of the obligation of any party in interest to file a proof of claim; or (i) a concession by the Trust, the Debtors, or the Wind-Down Debtor that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in this Motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection of, or seek avoidance of, all such liens. If the Court grants the relief sought herein, any payment made pursuant to the Court's order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Trust's, Wind-Down Debtor's, or any other party in interest's rights to subsequently dispute such claim.

Notice

27. The Trust will provide notice of this motion to the following parties: (a) the U.S. Trustee; (b) the Signatory Governmental Claimants and their respective counsel (if any); (c) the GUC Representative and the Equity Representative; (d) any party that has requested notice pursuant to Bankruptcy Rule 2002; and (e) any other person designated by the Court as requiring notice (collectively, the "Notice Parties"). Notice of this motion and any order entered hereon will be served in accordance with Local Rule 9013-3(E)(1). The Trust submits that, in light of the nature of the relief requested, no other or further notice need be given.

28. A copy of this motion is available on (a) PACER at <https://pacer.uscourts.gov/> and (b) the website maintained by the Notice and Claims Agent, Kroll Restructuring Administration LLC, at <https://restructuring.ra.kroll.com/23andMe>.

WHEREFORE, the Trust respectfully requests that the Court enter the Proposed Order and grant such other relief as the Court deems appropriate under the circumstances.

WHEREAS, on December 9, 2025, the Wind-Down Debtor filed a notice [Docket No. 1709] disclosing, among other things, that the Effective Date occurred on December 5, 2025;

WHEREAS, the Parties have determined that it is in their best interests to enter into this Stipulation agreeing to the allowance and treatment of the Allowed Signatory Governmental Claims (as defined below) on the terms set forth herein; and

WHEREAS, this Stipulation does not apply to any claims filed by governmental entities that are not specifically identified as Signatory Governmental Claims in footnote 3 (*i.e.* claims filed by the Signatory Governmental Claimants for taxes and claims filed by the State of California).

NOW, IT IS THEREFORE STIPULATED AND AGREED, AND UPON APPROVAL BY THE COURT OF THIS STIPULATION, IT IS SO ORDERED:

1. The foregoing recitals are incorporated herein by reference.

2. The Signatory Governmental Claims shall be deemed allowed in the total amount of \$150,000,000.00 (the “Allowed Signatory Governmental Claims”); *provided* that the cash recovery the Signatory Governmental Claims shall receive from the Wind-Down Debtor and the Plan Administration Trust is an aggregate amount of \$18,000,000.00 (the “Recovery Amount”), which amount, once paid in full, will constitute full and complete satisfaction of the Allowed Signatory Governmental Claims.

3. The amount of the Allowed Signatory Governmental Claims (a) will not have any evidentiary or precedential effect for any purpose in the Chapter 11 Cases or in any other bankruptcy case to which the Signatory Governmental Claimants may be a party; (b) may not be used (i) by any party other than the Signatory Governmental Claimants for any reason as a basis to assert any claim, cause of action, theory of liability or damages, or (ii) by any party in any other manner adverse to the Debtors, the Wind-Down Debtors, or the Plan Administration Trust; and (c) will be automatically reduced to \$18,000,000.00 without any further action by any party or the Court if any party asserting any claim or cause of action to obtain an order or ruling from any court or judicial body relies in any manner whatsoever on the amount of the Allowed Signatory Governmental Claims as a basis for establishing any liability or damages against the Debtors, the Wind-Down Debtors, or the Plan Administration Trust. The foregoing does not apply with respect to the Recovery Amount and any reduction pursuant to clause (c) will not affect the Recovery Amount.

4. Allowed Signatory Governmental Claims are to be classified and treated as Allowed Chrome General Unsecured Claims. This agreement is only applicable to the Allowed Signatory Governmental Claims.

5. The Plan Administration Trust will pay the Recovery Amount to the Signatory Governmental Claimants within ten (10) business days of the Court's approval of this Stipulation.

6. The Plan Administration Trust will pay each Signatory Governmental Claimant its allotted amount of the Recovery Amount as detailed in Appendix A, and in accordance with Appendix B, in a manner and method to be provided by each Signatory Governmental Claimant to the Plan Administration Trust, which manner and method shall be reasonably acceptable to the Plan Administration Trust. Each of the Parties acknowledges, agrees and understands that payments made under this Stipulation may be used at the sole discretion of each of the Signatory Governmental Claimants for any lawful purpose, and subject to any applicable laws of each of the Signatory Governmental Claimants and as further detailed in Appendix B.

8. Notwithstanding anything to the contrary herein, this Stipulation shall become effective only if it is executed by the Plan Administration Trust, the Wind-Down Debtor, and all Signatory Governmental Claimants. Unless and until all such parties have executed this Stipulation, this Stipulation shall be of no force or effect, and the Plan Administration Trust shall have no obligation to pay any portion of the Recovery Amount.

9. The Plan Administration Trust agrees that the Debtors and the Wind-Down Debtor shall be prohibited from engaging in (a) direct consumer sales of goods and services for five (5) years and (b) collection of (or maintenance of) personally identifiable information for

five (5) years other than personally identifiable information that the Trust is required to retain under the Plan, the Confirmation Order, or the Plan Administration Trust Agreement to fulfill its obligations or perform its duties under those agreements.

For the avoidance of doubt, the release described herein does not release, acquit, satisfy, or forever discharge any regulatory liability that may have been or may be incurred by the Debtor Released Parties after the Effective Date of the Plan, whether presently existing or arising in the future, solely to the extent such liability does not arise from or relate to the 2023 Cyber Security Incident. For the avoidance of doubt, this release shall in no way apply to 23andMe Research Institute (f/k/a TTAM Research Institute).

12. The Parties agree that the releases set forth herein shall be construed as broadly as possible, except that the obligations of the Parties as set forth in this Stipulation shall not be released.

13. This Stipulation may be signed in counterparts and signatures may be delivered by fax or email, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Each Party who executes this Stipulation on behalf of a Party hereto represents that he or she is duly authorized to execute this Stipulation on behalf of such Party.

14. This Stipulation constitutes the entire agreement between the Parties in respect of the subject matter hereof and shall not be modified, altered, amended, or vacated without the prior written consent of all Parties hereto.

15. Nothing in this Stipulation shall be construed as a waiver of the validity, in part or in whole, of any claim filed by the Signatory Governmental Claimants.

17. This Stipulation shall be binding upon and inure to the benefit of the Wind-Down Debtor, its estate, the Plan Administration Trust, and the Signatory Governmental Claimants, as well as their respective heirs, representatives, predecessors, successors and assigns, as the case may be.

18. Nothing in this Stipulation shall in any way be construed as or deemed to be evidence of or reflect an admission on behalf of any of the Parties to this Stipulation regarding any claim or right that such Party may have against any other Party to this Stipulation unless such claim or right is specifically addressed in this Stipulation.

19. Each Party agrees that this Stipulation shall not be used in any other proceeding for any purpose.

20. Each of the Parties represents and warrants to the other Parties that it has: (a) entered into this Stipulation freely and voluntarily and with full knowledge of its significance; and (b) been represented by counsel of its own choice in the negotiation, drafting, and execution of this Stipulation.
